in claiming the right to act as herb-strewer before the coronation procession.

There were claims by armor bearers. bowsters, cape bearers, cup bearers, trait bearers, glove bearers and standard bearers as well as a frantic competition among owners of most ancient names to perform every sort of menial office for the king or queen from the moment of their rising till their going to bed on coronation day. Accretion of Ridiculous Formalities.

The great majority of these petitions were referred to the king himself. The only result of the committee's sitting seems to have been to demonstrate what an accretion of ridiculous formalities still adheres to even the most limited of monarchical institutions.

It is quite possible, strange as it may appear, to be a duke in England and still assertion that gold probably is a compound without any social influence or prestige. This was the case with the duke of Hamilton, who married the handsome daughter of Major Poore this week. The guests did not include a single person known in aristocratic society, nor was there a present from any one so known. . The duke of Hamilton. being an invalid and poor, has never taken a place in the fashionable world. The duke and duchess are already dubbed "the poor Hamiltons The duke was once a naval officer and

noted as a swimmer. One of his feats was to dive under a war ship, but once when performing it he sustained an injury to his back, causing a loss of power in his legs. Recently massage has improved his condition. He has \$50,000 yearly, but is burdened with three palaces, which he cannot maintain and has failed to let them.

WOMAN EXPERT WITH THE GUN

Duchess of Bedford is Classed as On of England's Greatest

Hunters.

(Copyright, 1901, by Press Publishing Co.) LONDON, Dec. 7 .- (New York World "Liegram-Special Telegram.)-Among the many British ladies reckoned in the "Sure class, the duchess of Bedford, daughter of the late archdeacon of Lahore, is reckoned as one of England's greatest experts with the gun. She is also an experangler, but cares more for the gun than the fishing rod.

Her grace is also devoted to dogs and is never seen without three or four when she is at her stately home, Wohurn Abbey She often goes out with her dogs on shooting expeditions, dispensing with keepers and is said to have confirmed the claim, to have

of lilinois lunched with the president today and discussed with him the political situation in Illinois. Governor Yates says he was summoned here and denies that his est production of spirits in the history of proclamation for the relief of the Boer women and children had any connection the industry in this country. During the with his visit.

PLEAD FOR GENERAL MASO

Friends of the Cuban Candidate Invoke Mediation of Secre-

retary Root.

HAVANA, Dec. 7 .- Senor Pierra Fidel left Havana today for Washington to present to the authorities the grievances of the supporters of General Maso as a candidate for the presidency of Cuba. One of the complaints he will make is that the Central Board of Canvassers, which is composed exclusively of Senor Estrada Palma's supporters, are not complying with the laws. Secretary Root will be asked to appoint a new board with a Maso representation and a request will be made that new pro-F.
