NEW CHAMBER OF JUSTICE

Mr. Cassell of Pennsylvania officially announced the death of Mr. Brosius of Pennsylvania, his predecessor, which occurred last summer, and the customary resolutions of regret were adopted.

SUBNIT NEW TARIFF BILLS The report says in part

## Payne Submits His Report.

Chairman Payne of the committee on ways and means presented the majority report on the Philippine tariff bill. It says:

port on the Philippine tariff bill. It says: This bill is designed to raise revenue for the government and benefit of the Philip-pine archipeiage. It is intended to restore the status, which existed prior to the late declaion of the supreme court in "the dia-moud rings case." Prior to that decision the government had been collecting duties from the Philippine archipeiago at the same rate as these provided in our tariff is way for like articles imported from. Tor-eign countries. The court holds that the fright and, therefore, the general tariff law does not apply. This bill extends the rate now existing upon imports from fornow existing upon imports from for-countries to articles brought in from Philippine islands. the Philippine archivelage the United Philippine archivelage the United

States Philippine commission prepared a tariff act after much care and study. Their object has been and is to raise sufficient revenue to support a government in the Philippines, to provide amply for the edu-cation of the world. Philippines, to provide ample for the edu-cation of the people, to open up the high-ways of commerce, both foreign and do-mestic, and to provide ample police force for the preservation of order. These differ-ent forms of tariff in force there have pro-duced a surplus of revenue after paying the expenses of the government. This bill proposes, in the first section, to make the Philippines tariff part of the statutes of the United States.

#### **Revenue Must Be Certain.**

about \$1,085,541. This paitry sum, it says, is insignifi-cant when we consider the other side of the account. It has cost us more than \$25,000,-000 to maintain our army in the Philip-phases for the last year. Other nations, with-out incurring the expense of a dollar to-ward that end, are getting \$48,000,000 worth of the trade. We will have expended when the next year closes, at the very lowest estimate, for the maintenance of our army in the Philippines and our operations in the The necessity for a continuance of reve-nue which shall be both ample and cer-tain is imperative. If we continue the tain is imperative. If we continue the police and constabulary system which has been inaugurated and which is doing so much to restore and conserve order in the islands it will call for a large increase in appropriations. We have enrolled 150,000 school children in the public schools. Of this number more than one-half are with-out any school house accommodation. It is necessary that we build suitable houses at once. Ten thousand adults were at last estimate, nor the manifestic of the analysis of the philippines and our operations in the Orient not less than \$450,000,000. And this does not include the immense increase in mayal expenditures and the \$20,000,000 paid to Spain under the treaty of 1859. is necessary that we build suitable houses at once. Ten thousand adults were at last accounts enrolled for night schools and we are told that this number has since in-creased probably to at least 35.00. These people, anxious to learn our language and to better their mental condition, must be amply provided for. Four thousand teach-ers have been employed, nearly all of them recently, and their salaries must be paid. This great work of education must not be crippled, even for a short time, for lack of funds.

funds. Our government has gone to work for the improvement of the harbor at Manila. They have let the contract, after a public ad-vertisement and competitive bids, to the lowest bidder. This contract calls for the competitive of \$3,000,000 in the near future. Roads are being constructed and the build-ing of roads in this tropical country is expensive. These are but a few of the liters of expenditures which are impera-tive. All these expenditures are preparing the way for a reduction of the army, and in the end will prove of direct benefit to the taxpayers of the United States.

# Allows Foreign Shipping.

The bill also provides for the collection

desperate policy of colony holding and ably report the Hepburn bill providsubject governing, to none of which do we ing for the construction of the Nicaragua agree, even then we could not give our as- | canal. Is Not Worth the Cost.

ing profits to our government or people of

about \$1,085,541.

the report then concludes:

mittee except Mr. Robertson of Louisiana

The report further says that the secretary of war, in effect, made the tax law for the Philippines and thus exercised greater power than most kings. Continuing, it

The second section, in effect, declares that the Philippine islands are foreign territory to the extent that all importations there-from into the United States shall pay the same rates of duty as are provided in the existing tariff lows of the United States known as the Dingley tariff act. The Ding-ley tariff act has proven itself to be a trust-breeding measure. We witness daily the great trusts, born of the Dingley tariff law, so manipolating the manufacture and nal form of the Hepburn bill as near as Chairman Hepburn was dipossible. rected to urge the measure to consideration and a vote in the house at the earliest practicable time. Mr. Hepburn said after the meeting that he would push the bill in the house as one

of the first measures to be taken up after the great trusts, born of the Dingley tariff law, so manipulating the manufacture and the prices of goods that our people are forced by them to pay at our own homes and in our own markets higher prices for their manufactured goods and commodities than the same goods and commodities are manufactured by them and shipped abroad and sold for in the foreign markets of the morid the holidays The unanimity of the committee was gratifying to the friends of the canal measure. Mr. Adamson, democrat, of Georgia moved to report the bill and the entire pany and insisted that the cut the Board of

democratic membership of the committee voted for the bill. Mr. Adamson is also co-operating with Chairman Hepburn on the floor of the house with a view to securing united action when the measure comes up.

> Text of the Bill. The Hepburn bill as finally agreed upon

and ordered reported today is as follows: Be it enacted, etc.: That the president of the United States be

That the president of the United States be and hereby is authorized to acquire from the states of Costa Rica and Nicaragua, for and in behalf of the United States, con-trol of such portion of territory now be-longing to Costa Rica and Nicaragua as may be desirable and necessary on which to excavate, construct and protect a chual of such depth and capacity as will be suffi-cient for the movement of ships of the greatest tonnage and draught now in use from a point user Greytown on the Car-thean sea via Lake Nicaragua to Brito on the Pacific ocean; and such sum as may be necessary to secure such control is hereby appropriated out of any money in the treas-ury not otherwise appropriated. Sec. 2—That when the president has se-cured full control of such territory in sec-tion 1 referred to he shall direct the secre-tary of war to excavate and construct a That is the plan upon which the street railway company should be assessed. Its rolling stock and other personal property should be listed and no attention should be paid to the amount of the company's stock." insisted that \$475,000 is a reasonable as-

Says Casualties Are Appailing. The casualties, both of United States. tion I referred to he shall direct the secre-tary of war to excavate and construct a canal and waterway from a point on the shore of the Carribean sea near Greytown via Lake Nicaragua to a point near Brito, on the Pacific ocean. Such canal shall be of sufficient capacity and depth as it may be used by vessels of the largest tomage and greatest draught now in use, and shall be sumplied with all necessary locks and troops and insurgents, are referred to and the report then concludes: The casualities which have occurred in the effort to enforce the policies of the ma-jority in the islands are of such appalling magnitude that it should shock the public mind, and such a list of casualities would in no wise refer to or include those of our soldiers whose health has been permanently broken down and of many others whose reason and intellects have been shattered and ruined by protracted service in a tor-rid zone.

be supplied with all necessary locks and other appliances to meet the necessities of other appliances to meet the necessities of vessels passing from Greytown to Brito, and the secretary of war shall also con-struct such safe and commodious harbors at the termini of said canal and such pro-visions for defense as may be necessary for the safety and protection of said canal and harbors. Power to Build.

Power to Build.

and raine of the second the people of those islands can be made citizens of our republic without gross in-justice to our people and without doing violence and perhaps irreparable injuries to our institutions, nor can we hold them as violence and perhaps irreparable injured in the addition of a proviso to sec. violence and perhaps irreparable injured is an of the same may employ such persons as a subjects without the most radical changes in our form and theory of government, which we are unwilling to see inaugurated. **Substitute for Old Bill.** The Philippine tariff bill as finally reported today is a substitute for the original Payne bill, which, however, it follows throughout except in a few minor particu-throughout except in a few minor particu-n lars and the addition of a proviso to section 6 that all articles subject under the laws of the United States to internal revenue tax, or on which the internal revenue tax has been paid, and which may under existing laws and regulations be exported to a foreign country without the payment of such tax or with benefit of drawback, as the case may be, may also be shipped to the Philippine islands with like privilege. Where imported materials on which duties have been paid are included in articles manufactured or produced in the United States there shall be allowed on the shipment of such articles to the Philippine archipelago a drawback equal in amount

LONDON, Dec. 13 .- The Associated Press learns from an authoritative source that the Chilian reply to the representations of the minister of the Argentine Republic to Chili was presented today. Confidence is expressed by the officials here that the basis for a settlement proposed will lead to a satisfactory settlement.

**RESERVES CALLED TO ARMS** 

## Brazil Offers to Help.

SANTIAGO DE CHILI, Dec. 13 .- The Brazilian government has proffered its amicable mediation in the Agentine-Chill dispute. It would seem here that this ac-"All property owners should be treated tion will not be necessary, as both the the same by the Board of Review," said Argentine and Chilian governments hope C. C. George. "When taxes are levied on to come to terms.

for them at all. They can rub

> Omega Oil on the feet each night for a week

or so, and then they won't suffer any more. Omega Oil is now used by the very best foot doctors in New York, and they say it is just wonderful how the Oil takes the pain

out of the feet. Bathe the feet in warm water, wipe dry, and then rub on the Oil. This treatment is particularly recommended to men and women who have to stand up or walk a good deal. Farmers, clerks, mechanics or women who do housework will find Omega Oil the best foot cure they ever tried.

Omega Oil is good for everything a liniment ought to be good for.

WARM TIME ON ASSESSMENT Georgia, was agreed to, providing that the expenditure of \$10,000,000 as provided by the bill shall be made on warrants signed (Continued from First Page.) by the president of the United States the city are shoving the burden of taxation Other amendments fixing a maximum and minimum depth for the canal were voted upon real estate. down, the desire being to retain the origi-

The bill also provides for the collection of tomage taxes on vessels plying between the ports of the United States and the Philippine archipelago. It further provides that 'vessels not of United States register may ply between these ports, notwithstand-ing our coastwise navigation laws, until the first day of January, 1905, when it is believed these islands may safely come under the operation of our present statutes and vessels only of the United States be employed in our commerce with them. At present our own people who ship foods to these islands are handleapped by the internal revenue tax and duties paid upon foreign goods imported here and used in the manufacture of articles sent to the Philippines. The sixth clause of the pro-posed law is designed to remedy this. The fourth section provides that all the duties and taxes collected under the ast shall not be covered into the general fund of the treasury of the United States, but paid into the treasury of the Philippines to be used and expended for the use and benefit of these islands. The object of the bill is to meet a press-ing emergency practically and efficiently. We present the tariff act of the commis-tion as the best that can be devised in the limited time left for us to act. At a meeting of the ways and means

At a meeting of the ways and means committee today for the final consideration of the Philippines bill Representative Robertson, democrat of Louisiana, announced that he would vote for the bill in the house and Representative McCall, republican of Massachusetts, said he would vote against it. With these exceptions the republicans of the house expressed themselves in favor of the bill and the democrats opposed to it and by a vote of five to seven on party lines Messre. McCall and Robertson answering "present," but not voting, the bill was ordered reported.

#### Report of Minority.

Representative Richardson of Tennessee presented to the house the minority report the democrats of the ways and means com

Topsy-turvy.

That's a favorite attitude of the small boy. And in this again "the child is the father of the man." The man does not essay to walk through life on his hands, but he creates for himself a king-

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It cures through the stomach diseases which originate in a diseased condition of the stomach and its allied organs. Hence, it cures "weak" lungs, "weak" heart, "weak" nerves and other forms of so-called weakness.

"I had been troubled with catarrh of the stomach and hear trouble." writes Mr. W. D. Merchant. of Tylersburg. Clarion Co., Penna. "Had doctored for some time without relief, then I began to take Dr. Pierce's Golden Med-ical Discovery. I took seven bottles. Before I began to take it I weighed its pounds, and now I weigh 176. I am working steadily and feel like a well man. I send you many thunks." Dr. Pierce's Pleasant Pellets cure con-
