MUNGER GETS TRACKEE CASE

Poor Prospect of Settlement of Eighth Street Difficulty at Early Date.

The fight of the Northwestern and Burlington roads for Eighth street privileges is up to Judge Munger, the transcript having been filed in the office of the clerk of the United States circuit court for the district of Nebraska yesterday. Its prospects for immediate consideration, however, are thought to be extremely poor, as the court has matters in hand that will probably consume the time until at least after the holidays. Meanwhile there is nothing for the roads and the public to do but wait and wonder.

..A HOLIDAY.. STOCK

Of surprising proportions is here for you, more complete, more commanding than any stock within the reach of local customers.

Men's Smoking Jackets. You'd better buy "his" house coat early, for we know by experience that it's not the easiest thing in the world to secure the proper fit without his knowing anything about it. We've rather more to choose from—and prettier than we've seen elsewhere.

—the price range is limited only by your own purse, \$4.75 and up to \$9.75.

In the Cloak Room. No word or combinations of words can tell you our jacket and cloak story. Cloaks do not exhibit advantageously in print. The most we might say would be but a cupful out of a sea of truth. Eyes and feet much better.

WOMEN'S BOX COATS, \$4.90. WOMEN'S RAGLANS, \$6.75. The \$4.90 one-made of kersey, 27 inches long, perfect fitting, real value \$7.50. The raglans at \$6.75 are worth double. You must see them to appreciate the real value.

Home of the Handkerchiefs. No matter what time of the year, the handkerchief stock is always ahead of any in the place. But at Christmas you expect it to top-mark all other times, of course. You shan't be disappointed. There is arranged in special trays now thousands of these pretty Christmas gifts for you to select from. Fancy hemstitched, lace edge and plain bordered handkerchiefs at 5c, 10c, 15c and 25c.

Children's fancy bordered handkerchiefs, 3 in a box, 19c per box. Men's plain white and fancy bordered China silk handkerchiefs, 50c and 25c.

Christmas Slippers. The best business organization only can make such a slipper trade possible. It nearly reaches perfection, 75c, \$1.00, \$1.25, \$1.40 up.

Among the Furs. If perchance you have a fur need, it is supplied at a very satisfactory price. A stock of WOMEN'S FUR SCARFS, in imitation stone marten, sable, opossum, and best French marten, choice line to select from, \$2.90. Women's genuine mink cluster scarfs, \$3.90. Women's genuine marten scarfs—special—\$4.90.

Umbrella Gifts. Don't try to know too much about umbrellas. Not "all silk" now as in days past. Experience of makers says, "don't wear." Linen and silk are the best, they say—wear longest, and has shortened prices by half. In service, economy has doubled. Five of the best in the market—\$1.00, \$1.50, \$2.00, \$2.50, \$3.50.
