DENVER, Dec. 18 .- (Special Telegram.) George Tebeau today disposed of his claims to an interest in the Denver franchise of the Western league. D. C. Packard of Denver says he has bought all of Tebeau's rights and expects President Whitfield will at once recognize him as being in undisputed ownership of the franchise. Packard promises to put a fast team in the pennant race this year and believes that Denver will make a much better showing than last year, when, he says, he was continually hampered by Tebeau's interference.

Then the franchise, although nominally in Packard's name, was really owned by Te-

"There will probably be a meeting of the minor leagues here at the same time, as the association is desirous of annexing the California league and other base ball leagues in the southwest."

Holiday Goods at Hospe's Great Sale Going with a Rush

The buyers are realizing the benefits of this sale by the low prices made on every piano, on every organ, on the entire art stock, on all the instruments. The cause of this is the liberal allowance made by the insurance companies by their quick adjustment at our recent fire. It's astonishing to see pianos sold at prices that are only half of the regular price and on most liberal terms; to see organs go at less than half of the makers' prices.

There are a few more of the high grade pianos left on our floors on which we received a smoke benefit from the insurance companies. A few Knabe pianos, a few Kranich & Bach pianos, a few Kimballs, a few Hallet-Davis and a number of the twenty odd makes of pianos, ranging from \$118 for a new piano up to the beautiful Knabe Grands.
