DELAYS JUDGE BAKER'S CASE

Senator Millard Believes Appointment Will Be Confirmed

'BUD' LINDEY CUSTODIAN AT LINCOLN

Succeeds C. H. Morrill in Charge of Federal Building—Montgomery Chosen Postmaster at Alliance—Other Contests Pending

(From a Staff Correspondent) WASHINGTON, Jan. 6.—(Special Telegram)—Owing to the absence of Senator Hoar, chairman of the committee on judiciary, from Washington, the bill nominating 'Bud' Lindsey as custodian of the federal building at Lincoln, which will in all probability delay the confirmation of Judge B. S. Baker of Omaha to be territorial judge of New Mexico until late in the week. An impression has prevailed among some of the lawyers of the senate that Lindsey might fail of confirmation, owing to precedents in the committee on judiciary. Senator Hoar repeatedly has protested against the confirmation of persons nominated for positions outside of the states of which they were residents. These impressions coming to Senator Millard, he had an interview with Senator Hoar in behalf of Judge Baker, which was entirely satisfactory to the senator from Nebraska. Speaking of the matter, Senator Millard said: "It is true I had a talk with Mr. Hoar before he left for Massachusetts about Judge Baker's confirmation. He was perfectly satisfied with the nomination. As no charges have been filed against Judge Baker, I can see no reason why he should not be confirmed just as soon as his appointment is reported by Senator Hoar's committee."

FILES LIEN ON ELECTRIC ROAD

Contractor Has Bill Against Detroit & Toledo Shore Line Road, Owned by Everett-Moore

DETROIT, Jan. 6.—William B. Strang of New York has filed in the office of the register of deeds a lien against the Detroit & Toledo Shore Line road for \$258,387.19. The lien was placed against the road during the period of May 1, 1901, and December 31, 1901. The road is owned by the Everett-Moore syndicate of Cleveland. The lien covers the rails, tie posts, wires, bridges, roadbed, buildings, etc., from a point on Summit street, Toledo, to the point on the road which is known as Wyandotte and Trenton line at Trenton. The lien is the largest ever handled in the office of the Wayne county register of deeds. In spite of repeated contradictions from Cleveland, Clarence A. Black of this city says that the Detroit & Toledo Shore line was purchased from the Everett-Moore syndicate, together with the Monroe & Toledo road, by the directors of the Detroit United railway.

TWO MEN ARRESTED FOR CRIME

Cook and Workman on Steamer Charged with Killing Woman

CHICAGO, Jan. 6.—A body, said to be that of Carrie Larson and which had a weight around its neck, was taken from the river here today. James Thoms, cook of the steamer Peerless, and Robert Keisig, who also worked on the boat, were placed under arrest following the discovery. The body was identified as that of Carrie Larson, a girl 22 years of age, whom Thoms is alleged to have secured from an employment agency New Year's day to assist him in the cook's gallery. According to Keisig, Thoms and the woman quarreled and the latter was knocked unconscious. Keisig said the cook compelled him to assist in fastening a weight to the woman and in throwing her overboard. Thoms, the police say, denies the accusation. Keisig said later that Thoms choked the woman to death and that in forcing him to assist in disposing of the body he displayed a knife, which he threatened to use on him (Keisig). After throwing the body overboard Keisig said it was necessary to carry it a few yards on the ice to a spot where a hole had been cut through. The body, weighted with iron, was forced head foremost through this hole.

ADRIAN, Mich., Jan. 6.—James Hooker was shot three times last night by Ber Farrington of Milan and so badly wounded that he died today. Mrs. Farrington, who had not lived with her husband for a number of months, was visiting at Hooker's home. Farrington came here from Milan last night and went to the sheriff and asked help to secure evidence of his wife's infidelity for the purpose of securing a divorce. Accompanied by Sheriff Shepherd and a policeman, Farrington went to the Hooker house about midnight. When the party secured admission Farrington opened fire over the sheriff's shoulder as soon as he saw the couple together. He fired five shots before the officers could overpower him and three took effect in Hooker's body. Farrington is under arrest.

Since the strike two months ago, the men had been operating the road on a co-operative basis, and a big freight business from the coal fields has been done. The present trouble began Saturday.

TESTIMONY AGAINST NEELEY

Cuban Clerks Say American Gets Money for Surcharged Stamps

HAVANA, Jan. 6.—At the continuation of the trials of the cases arising from the Cuban postage frauds in the United circuit court, Seneca Lanza and Desveraino reappeared as counsel for Estes G. Rathbone. Upon the opening of the court last Saturday Rathbone was informed by the judges that his counsel, Seneca Lanza and Desveraino, had withdrawn from the case. Myona and Mascara, the two Cuban stamp clerks, testified that they had received surcharged stamps from Charles F. W. Neeley without making record thereof; that they had sold them and had given the money received therefore to Neeley. The two clerks were recalled about eighteen instances of such payments of about \$100 each. Myona said Neeley made no secret of these transactions and Neeley's clerks received this money when Neeley was not present. W. S. Reeves was on the stand for three hours. His voice was so weak that the interpreter frequently asked him to speak louder, because the stenographers were unable to catch half he said. Reeves was examined with regard to the paying of four duplicate warrants on the postoffice department for the pay of employees in July, 1898. During Reeves' testimony Neeley remarked that Reeves was getting himself into a tight place and that if he would keep on he would prove him (Neeley) to be innocent. Reeves' testimony was contradictory in many respects to his previous statements. During Reeves' testimony Neeley remarked that Reeves was getting himself into a tight place and that if he would keep on he would prove him (Neeley) to be innocent.

CUTS THE SCHOOL SALARIES

Board of Education Establishes a New Scale of Prices

REORGANIZATION OF THE BOARD OF EDUCATION required by school law for a reorganization of the board of education in the city of Omaha. The new members, Anderson, Cermak, Homan and McIntosh, took their seats. N. M. Howard was selected as temporary chairman and nominations for first ballot J. C. Barnard was elected to the office, having received a majority of fifteen votes. Other candidates received votes as follows: Funkhouser, 3; Wood, 3; Maynard, 1. N. M. Howard was selected for vice president by acclamation. Member Homan moved that the rules and regulations of the board for 1901 be adopted with amendments which provided for a reduction in the salaries of principals, high school teachers and kindergarten teachers, which will aggregate about \$50,000. Robert Smith attempted to have amendments to the rules substituted cutting the school year to thirty-six weeks and having children in kindergarten attend school only half of the year. He maintained that such a plan would work a saving of \$60,000. This plan was rejected. An attempt to lay Mr. Homan's amendments over for two weeks failed and they were adopted by a vote of 10-7. Those who voted in the affirmative were: Members Barnard, Homan, Howard, Theodore Johnson, W. F. Johnson, Funkhouser, J. Smith, Stubbendorf, Anderson, Levey, Robert Smith and Wood opposed the amendments. Suggestions of Minority. For the minority Mr. Wood and Robert Smith urged that the cut in salaries among the principals and high school teachers be a blow at the center of the school system and declared a preference for any other means of saving money. Mr. Wood said that he was in favor of some of the changes outlined in the Homan amendments, but made a plea for the separation of the reductions in salaries from the other amendments. Mr. McIntosh asked that the amendments be laid over for two weeks to give him time to study them. The majority, however, and N. M. Howard urged the immediate adoption of the amendments. They said that the board must have rules without delay and expressed a willingness to make any changes in the rules later which may be demanded by the condition of the schools. The greatest change worked by the Homan amendments is in the salary list. Mr. Homan stated that the reductions will not go into effect until next fall in the case of teachers who are employed by the year. Teachers who are on the assigned list and whose salaries have been increased by resolution will be subject to the reduction during the remainder of the present school year. Where the Cuts Begin. The reduction in salaries began with the superintendent, whose pay is reduced from \$3,500 per year to \$3,200. The pay of the principal of the High school is cut from \$2,400 to \$2,100 per year. The assistant principal of the High school is to receive \$150 per month hereafter, instead of \$160 per year, and to be on the head of the National Modern school and was the inventor of several methods of treating steel for commercial purposes. One of the sad features of the affair is the fact that he leaves a large family of small children. He was the father of fourteen children, all of whom are alive.
