I will quote from and others and said that he did not intend any reflection upon the people of England, but upon a small clique of diamond thieves gold thieves and their confederates.

The man who can hardly crawl, and has just strength to get through a day's work, has no strength left for family life. He wants to be quiet; to be alone, out of sight and sound of everybody. What a difference between such a man and the healthy, hearty man, who romps with his children and rides his

ughing baby to "Banbury Cross." What makes the difference? Usually disease of the stomach, involving the entire digestive and nutritive system. Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. When these diseases are cured the hindrance to the proper nourishment of the body is semoved and strength comes back again removed and strength comes back again,

"I am happy to say I am getting to feel fine."

writes Mr. A. J. Vanderwater, of 873 West
Division Street, Chicago, Ill. "In all I have
taken aix bottles of 'Golden Medical Discovery'
and four or five vials of the little 'Pelleta.' They
have done me worlds of good. These medicines have brought the great change in me
from a slow mope of a man that could hardly
trawl, tired and sick all the time, and could do
no work. Now I can work, sleep, eat, and feel
fine, and that tired feeling is all going away. I
sm very thankful that I wrote to Dr. Pierce.

His 'Golden Medical Discovery' and his little
liver 'Pellets' have almost made a new man of
ms. I feel young as I did at thirty years. No
other doctor for me, only Dr. Pierce."
