3587. Misses five-gored Skirt

12 to 16 years Misses' Five-Gored Skirt, No. 3587-To be made with or without the circular fleunce. Dull blue cheviot made the skirt as here illustrated, the bands of velvet that head

the flounce being in graduated widths. The five-gored skirt holds a permanent place. It suits many materials as no other does and is always reliable. The model given fits snugly over the hips and can be arranged in inverted plaits or gathered at the back, as preferred. Both methods are indicated in the pattern. It can include the circular flounce or be left plain, but the design, as shown, is an excellent one.

All woolen suitings are appropriate, as are those of silk, velvet and corduray, linen duck pique and mercerized cotton fabrics. To cut this skirt for a miss 14 years of age 3 yards of material 50 inches wide, 5% yards 32 inches wide or 6% yards 21 inches wide will be required. The pattern 3587 is cut in sizes for misses of 12, 14 and 16 years of age.

ers, these patterns, which usually retail at from 25 to 50 cents, will be furnished at a nominal price, 10 cents, which covers all expense. In order to get any pattern enclose 10 cents, give number and name of pattern wanted and bust measure.
