was doing. Mr. Korgan was 55 years of head and if left unchecked in this climate age and among the first settlers. He leaves | rarely gets well of itself. As fresh cold is taken the disease spreads,

getting deeper and deeper, creeping along the mucous membranes from nose to throat. from throat to windpipe, from windpipe to bronchial tubes and from bronchial tubes 1

to lung cells. The mucous membranes all connect, one with the other. Hence it is to spread from one part to another lined with this same membrane. This is why catarrh in the head soon affects the throat and finally the stomach itself, bringing on chronic catarrh of the stomach, which is a most obstinate form of dyspepsia.

Everybody is now well agreed that catarrh is a blood disease and not a local one, and the attempt to cure by local applications simply gives temporary relief from the purely local symptoms without the remotest effect in staying the progress of the disease

There is a new preparation ...cently offered to the public that is apparently destined to do away with every other form of catarrh treatment.

This new remedy is not a secret patent medicine, but is a large, pleasant tasting tablet composed of Bloodroot, Red Gum from the Eucalyptus tree and other valuable and harmless specifics, which are taken internally and seem to have a remarkably beneficial effect upon the blood and mucous membranes, apparently eliminating the catarrhal polson from the whole system.

These tablets, while being pleasant, convenient and absolutely safe to use, have made cures in long standing cases of catarrh that are little short of marvelous. They are sold by druggtsts under name of

LOUISVILLE, Ky., Jan. 22 .- Prof. Emil Scheffer, one of the best known chemists Stuart's Catarrh Tablets, and any catarrh in the country, died in his home in this sufferer who has tried inhalers, lotions. ointments, salves, etc., and realized their city today of the infirmities of old age. He was 80 years old. In 1870 Prof. Scheffer inconvenience and uselessness will fully apfirst discovered the formula for making preciate the difference between a mere palliquid pepsin, and the announcement creliative and a permanent care after giving Stuart's Catarrh Tablets an impartial trial. ated a great sensation in all medical and All druggists sell them at 50 cents for chemical circles of the world. Two years later he discovered the formula for makfull sized package, and no matter where the ing the dry and powdered form of pepsin. catarrh is located, in the head, throat, lungs or stomach, Stuart's Catarrh Tablets will surprise you with the effective result of even a few days' use. Iowa's St. Louis Exhibit.

If the plans of the committee are carried out. Iowa's buildings and other showings at the St. Louis exposition will be among the best. The total of \$258,000 is suggested. Of that amount \$100,000 to for the main building, \$50,000 for manufacture exhibits, \$20,000 for the administration buildings and accessories and \$40,000 for music and art. A bill will be drafted by Senator Berry of Indianola for presentation to the legislature as soon as Governor
