# LETTER TO MOTHERS.

By Mrs. J. H. Haskins, of Chicago, Ill., President Chicago Arcade Club.

Comforting Words to Women Regarding Childbirth.

All who are at all familiar with social life at the southside of Chicago know well the Arcade Club, and will tell you that it is one of the largest and most influential clubs in Chicago. It can be readily understood, therefore, that such a prominent woman as the head of this club could have only one object in view in allowing her portrait and letter to be published in connection with any medicine, and that is, to do good to other suffering mothers. Well does Mrs. Haskins know that there are thousands of women who dread the period of childbirth; thousands who are prostrated nigh unto death at the birth of each child, and for months afterwards are weak and miserable, and ost courting death as a relief from suffering.

A capable mother must be a healthy mother. The experience of maternity should not be approached without careful physical preparation. Care and careful counsel is what the expectant and would-be mother needs, and this counsel she can secure without cost by writing to Mrs. Pinkham at Lynn, Mass.

Thousands and thousands of women have been carried through this trying ordeal safely and comfortably by a faithful reliance upon Lydia E. Pinkham's Vegetable Compound, and Mrs. Haskins generously loans us her name and portrait to help us to convince all skeptical women that health and happiness abounds in Lydia E. Pinkham's Vegetable Compound.

MRS. J. H. HASKINS. President Chicago Arcade Club, Chicago, Ill.

DEAR MRS. PINEHAM: - Mothers need not dread childbearing af-\*Dear Mrs. Pinkham: — Mothers need not dread childbearing after they know the value of Lydia E. Pinkham's Vegetable Compound. While I loved children I dreaded the ordeal, for it left me weak and sick for months after, and at the time I thought death was a welcome relief; but before my last child was born a good neighbor advised me to try Lydia E. Pinkham's Vegetable Compound, and I used that, together with your Pills and Sanative Wash for four months before the child's birth; —it brought me wonderful relief. I hardly had an ache or pain, and when the child was ten days old I left my bed strong in health and happy in mind. Every spring and fall I now take a bottle of Lydia E. Pinkham's Vegetable Compound and find it keeps me in continual excellent health; \$2 or \$3 a year keeps me well and strong." — Mrs. J. H. Haskins, 3248 Indiana Ave., Chicago, Ill. "She is a Pinkham Baby."

"DEAR MRS. PINKHAM: —I cannot thank you enough for what you have done for me. I wrote you some time ago about not being able to go my full time during pregnancy. Now, after taking the treatment you advised, we have a dear little girl baby, the joy of our home. I tell my friends she is a Pinkham baby, for had it not been for Lydia E. Pinkham's Vegetable Compound we never could have had her. My health is good, thanks to your medicine."—MRS. HARRY RUBY, Urbana, Iowa.
