Deputy Food Commissioner Urges Dairymen Against Yellow Oleomargarine--Governor Claims Exemption from Mandamus.

(From a Staff Correspondent.) LINCOLN, Feb. 10.—(Special.)—The Young Men's Republican club of this city, the oldest and largest republican organization in Lincoln, will hold its annual banquet at the Lincoln hotel Wednesday night, the date of the commemoration of the birthday of Abraham Lincoln. Among the speakers who have accepted the invitation of the club are Governor Cummins of Iowa and Congressman Fowler of New Jersey. Governor Savage will also speak, responding to the toast, "Abraham Lincoln." Besides these several well known republicans have been invited to attend and will be called upon for impromptu remarks.

The sale of tickets for the banquet was restricted to members of the club and state and county officials and employes. Upward of 200 tickets have already been sold and later calls will likely bring the number up to 250. President Roberts said this afternoon that all indications pointed to an attendance equaling, if not exceeding, that of any banquet ever held by the club. There has been some amusing discussion in the inner ranks of the Young Men's Republican club because of a proposition made several days ago to include Congressman Burkett in the list of speakers. Friends of Judge Holmes, who admit that there is a possibility of his entering the race for the congressional nomination, insist that an invitation to Mr. Burkett and

Duffy's Pure Malt Whiskey Cures Grip Coughs, Colds, Bronchitis, Asthma, Catarrh, Consumption and All Diseases of the Throat and Lungs.

CURED OF GRIP AT 70. Gentlemen: I take pleasure in informing you that although I am 70 years old I have been cured of a severe attack of the grip by using Duffy's Pure Malt Whiskey. My name is J. H. WEBB, 125 West Chester, Pa., Nov. 2, 1901.

Duffy's Pure Malt Whiskey is absolutely pure and unadulterated, and contains no alcohol. Duffy's Pure Malt Whiskey is sold in sealed bottles only. It is our own patented recipe, and has the name "Duffy's Pure Malt Whiskey Company" blown in the bottle and has the trademark, "The Chemist's Head," on the label. If copied in name or any other kind of bottle, or in bulk, it is not "Duffy's Pure Malt Whiskey." When

of the University of Nebraska in chapel Wednesday morning. His remarks will be extemporaneous and consist chiefly of hints to young persons about to begin a business or professional career.

This afternoon Governor Savage went to Omaha, not expecting to return until Tuesday morning. He divulged to no one the subject of his visit.

City Committee's New Rule. The republican city central committee adopted a rule in the meeting Saturday night declaring that candidates under the Lincoln system would be declared nominated when they received a majority and the highest number of votes. This action was taken as the result of considerable discussion over the interpretation of the old rules governing the selection of the lucky aspirants competing under the provisions of the Lincoln system.

Victors Lincoln Water Ordinance. Mayor Winslet tonight vetoed the ordinance giving water consumers until May 1 to put in meters. A substitute measure will soon be introduced.

The council authorized the purchase of a new aerial ladder for the fire department to cost not over \$1,200.

ELKHORN STRIKES MORE ROCK Extension into Boyd County Requires Blasting of Two Miles of Missouri River Bluffs.

NIORRARA, Neb., Feb. 10.—(Special.)—Contractor Larson, who has the contract for blasting out the two miles of Missouri river bluff at the mouth of the Niorrara river for the Fremont, Elkhorn & Missouri Valley extension into Boyd county, has completed the quarters for his men near the works and this week the blasting of the rocks will be begun in earnest. A few experimental blasts have already been made with black powder, which proved satisfactory. Dynamite will be used in the real work and when the bluff is ready for the steel, it will be one of the most picturesque pieces of track on the Northwestern system. The bed of the road will be solid rock.

General Manager Mr. Cook, the right-of-way man, were both here the latter part of this week and expressed themselves as being well pleased with the progress of the work.

PLATTSMOUTH, Neb., Feb. 10.—(Special.)—The habes corpus proceedings in the kidnaping of the 3-year-old child of his adopted parents, Mr. and Mrs. Val Burkell, by the mother of the child, was heard before County Judge Douglas this afternoon. The defendant is the mother of the child, and the custody of the child is being restored to his adopted parents. Notice of an appeal was taken by the attorney for the defense, Alexander A. Altschuler of Omaha.

The attorney for the plaintiff, stated in court that Altschuler had the defendant's attorney in advising the kidnaping of a child after the legislature had at its last session placed the penalty for doing so in the penitentiary, and he was of the opinion that County Attorney Jessie L. Root would attend to it.

Drill for Minerals at Table Rock. TABLE ROCK, Neb., Feb. 10.—(Special.)—An effort is being made to test the mineral formations underlying this vicinity and a company is being formed for the purpose of sinking a hole 1,500 to 2,000 feet deep, or as much more as seems to be necessary to reach the mineral, which the prospectors think awaits them. Several hundred dollars have already been subscribed and the exact location of the spot for sinking the well has been determined the company will be permanently organized and officers elected.

Ecker Resumes Publication of Call. CONCORD, Neb., Feb. 10.—(Special.)—Clyde T. Ecker will resume the publication of the Call at this place this week.

Nebraska News Notes. Central City is discussing the advisability of adopting the initiative and referendum.

The Columbus and Albion High schools will hold a joint debate at Albion on March 1.

Sheridan county people are agitating the question of building a new bridge. The present one is small and does not afford sufficient protection to the county roads.

Hunters have been successful lately in killing several wolves in the vicinity of Tekamah. In addition to the bounty of the county the wolves the chase has afforded splendid sport.

The Albion News is one of the offices that is now showing signs of prosperity. Romaine Timmerman of Stella fell from a haystack and was injured so that for some time all the lower part of his body was paralyzed, resulting in the loss of his limbs.

Faha county is without a railroad, and the people of Springfield are agitating the question of constructing an electric line from that place to the Elkhorn railroad, preferably Newport or Bassett.

Farmers in several parts of the state have been swindled recently on a new scheme, known as the "Munsey" scheme. For Chicago has been ordered offering \$5 for the privilege of hunting on the state of Nebraska, that you forthwith appoint four fire and police commissioners to constitute a board of fire and police commissioners of the city of Omaha, or that you appear before the supreme court in the city of Lincoln on the 18th day of February, 1902, at 5 a. m. to show cause why you refuse to do so.

T. W. C. A. GIRLS THE LIVELIEST

Win Basket Ball Game from High School Team. Association Team Has Advantage of Age and Development and Make It Count at Every Point.

PLAY DECIDED BY WEIGHT AND STRENGTH

With the slogan blaring in their ears by scores of loyal supporters, the Young Women's Christian association basketball team sprinted and scrambled and slid and bumped its way to victory in the match game with the girls' team of the Omaha High school at the Young Woman's Christian association gymnasium last night.

The final score was 15 to 1, but despite its seeming one-sidedness, the game was one of intense interest from start to finish.

A large crowd witnessed the contest, which came at the end of a varied athletic program. A great many women were present, and so many people crowded around the arena that there was scarcely seating capacity for them all.

Enthusiasm ran at a high pitch throughout the evening, but it culminated in the explosion of a final "Ra! Ra! Ra! Ra!" from the Y. W. C. A. women.

Weight and Development Tell. Add to this demoralization of forces the fact that the Young Women's Christian association team members were all young girls, two and a half years older than the High school representatives, and the result was a snow-under for the valiant youngsters in the first half.

In the second half the High school, though it had but two regular players left, took a wonderful brace and pushed the heavy association team hard. The score at the end of seven minutes was 16 to 1, each side making but one point.

In the half, fouls allowing free throws at goal. Miss Duncan made the High school score, Miss Wallace the association point. Miss Baker was a star guard throughout.

The preliminary events on the program there were a clever march drill by twenty girls, a Swedish folk dance by six young women in complete costume, and Indian club drill with ten participants, and a piano solo by Miss Geneva Bookmeyer.

The Swedish made a grand favorite with their pointed black, high bonnets, white waists, red and green bodices, black short skirts and livid checkered and striped aprons in red, black and green.

In addition, Mary Larson won a close game of tennis from Carolyn.

Basket Ball Teams. The basket ball teams played as follows: Young Women's Christian Association, Centers, Carlisle Fingberg and Mary Larson; forwards, Beth Wallace and Edith Mathis; guards, Edith Baker and Stella Sida.

Omaha High School--Centers, Frederika McIntosh, Lenora Harrigan and Nathalie Bell; forwards, Nathalie Merriman, Margaret Saylor and Emma Duncan; guards, Cora Evans and Mabel Christy; umpire, Miss Patterson. Referee, Miss Woodsmall.

Goals from field: Mathis, 4; Fingberg, 1; Duncan, 1. Time of play, fifteen minutes.

YANGER DEFEATS BERNSTEIN

Chicago Boy is Outweighed by New Yorker, Who Loses in Six Rounds.

CHICAGO, Feb. 10.—Benny Yanger, the Chicago Christian Association boxer, over Joe Bernstein of New York at the Omaha Athletic club tonight, after six rounds of fighting, a furious round was Yanger's light from the beginning and the fight was a foregone conclusion.

Yanger paid little heed to the round, but Bernstein's stomach, and after the fourth round Yanger knocked Bernstein down with a left to the stomach. Bernstein made a great effort to get up, but ran into a clinch to save himself. Yanger remained on his feet for several minutes.

In the fifth Bernstein was sent down and he was unable to get up. He regained his feet but was barely able to protect himself and took a hard beating before he called the fight. The bout was a repetition of others. Bernstein believed that he was going to save himself from a knockout. The men met catchweights and Bernstein had at least five rounds of boxing.

In the same ring, Jimmy Handler of Newark, N. J., and Jim Driscoll of Chicago fought a very close and exciting draw. Both men were nearly out on several occasions, but the contest ended they were barely able to stagger to their corners.

STOP WALKING TO FIGHT

Two Contestants in Six-Day Match Try Hand at a Knock-out.

NEW YORK, Feb. 10.—Tom Finerty of the Williamsburg section of the walking match at Madison Square garden, and Gus Guerrero, the Cuban, had a fight on the track early this evening. Finerty claims Guerrero tried to shove him from a position near the rail at any rate. Finerty turned suddenly on the Cuban and knocked him down. Then the two went at each other. The garden was in an uproar and all the racers stopped. The police interfered and the walkers got down to walking again, but as Guerrero passed Finerty on a spur the Cuban struck him in the face.

Horst, who is putting up a good fight to remain in the race with a third strike this evening, Jack Korman of the Harlem team is in bad condition. Lawson, too, seems to be in distress. Korman and Lawson are in the best condition and Jay Eaton, although far behind, is in excellent shape.

GLOVE CONTEST POSTPONED

Eddie Gardner and Halch Smith Will Not Meet Until February 25th.

The match between Eddie Gardner and Halch Smith, announced by the Omaha Athletic club for February 21, has been postponed till February 25, in order to give Gardner time which he needs to make weight. All arrangements are given over to the club.

"There is absolutely no truth," said President Peter Loch of the club yesterday, "in the report that Gardner and Smith are in bad condition. Both men are in good condition and Jay Eaton, although far behind, is in excellent shape."

"We have had absolutely no negotiations with Gardner and Smith," he said. "They have planned at present in the negotiating."

MAGNETS CHANGE OLD RULES

Notable Base Ball Men Meet to Adjust Regulations.

SPALDING ASKS FOR HARMONY OF ALL Rules Defining Fouls, Limiting Time for Pitcher's Delivery and Distance of Catcher from Plate Are Revised.

BUFFALO, N. Y., Feb. 10.—The representatives of all the baseball leagues of the country met here today to establish and revise the playing rules on a firm basis and to have them so worded that they may be easily understood by amateurs and professionals alike.

The meeting was organized by the original committee, which was composed of James A. Hart of the Chicago National League, J. P. Boyle of Cleveland, Connie Mack of Philadelphia, M. H. Sexton of Rock Island, Ill., president of the Three I League; Patrick Powers, president of the Eastern league and president of the National Association of Baseball Leagues; A. J. Reach of Philadelphia, "Father" Chadwick, an honorary member of all baseball leagues; John H. Farrell, president of the New York State league and secretary of the National Association of Baseball Leagues; Frank Dwyer, manager of Detroit; W. H. Watkins of Indianapolis, and H. D. Queen of Milwaukee, representing the American association, and Tim W. Murnane, president of the New England league, were invited to attend the meeting.

The following message from A. G. Spalding was read: "In the interest of professional baseball and as an argument in favor of joint conferences in rival baseball leagues, I sincerely hope all participants in this Buffalo meeting will realize their responsibilities and harmonize individual views for the purpose of formulating a uniform code of playing rules that will best serve our purpose."

The resolution which caused most discussion was section 3 of rule 44, defining when the umpire shall declare a foul strike. At present the umpire is authorized to pronounce a foul strike when the ball falls or settles on foul ground or inside the line of the territory described by a line drawn through first to third bases at right angles with an imaginary line from first to second bases, and extending on each side to the line of the field, it shall be arbitrary to the umpire to call it a strike. It shall remain discretionary with the umpire to call a strike or a foul when the ball goes into foul territory outside the line drawn through first and third bases to the limits of the field.

Rules of Battery. A line was added to section 1 of rule 32, allowing the pitcher not more than one minute to deliver and not exceeding five balls to warm up.

Rule 17 was amended so that the catcher must stand within ten feet of the plate throughout the game, and rule 3 is changed to conform with this amendment.

To make rule 26 more comprehensive, the words "in which case the umpire shall call a strike" are added.

In rule 22 the word "after" is substituted for "and," making the rule read: "If the ball is thrown by the pitcher to any player other than the catcher (excepting to retire a base runner) after the batsman is standing in his proper position ready to strike a pitched ball, each ball so delivered shall be called a ball."

Section 7 of rule 44, defining when a batsman is out, was changed to read: "If after two strikes have been called, the batsman attempts to make a foul hit, as in rule 44, section 2."

All the changes agreed upon were adopted and will be recommended to the various leagues for adoption.

TEST OF THIRD CHALLENGER

Experimental Race Will Be Made Against Lipton's Shamrock II.

LONDON, Feb. 10.—Sir Thomas Lipton's third challenger for America's cup will be tested against Shamrock II, with an American skipper and crew on the latter. This is the outcome of the statement that Columbia was better handled during the cup races of last year. An American capitalist has yet been asked to show what he can get out of Shamrock II and probably none will be until the end of the coming season, but Sir Thomas has decided the agreement previous to Shamrock II was thoroughly tried here against Shamrock I; another series of trials will be carried out over the cup course against Shamrock II in American hands. By this means it is hoped to show how far Shamrock II, Watson's opinion of his boat was justified, and give the third challenger such a tonic up as to assure that it shall not suffer from being brought to the starting line in an untried condition.

BIG TURK IS AFTER FARMER

Mouradounah Says He Will Follow Burns to Iowa Home if Necessary.

Mouradounah, the big Turk who was thrown by Farmer Burns last Saturday night, is frantic to secure a return match with Burns for blood and money, and his manager, Mardros Charlon, is even more excited about the matter. Charlon says that the agreement previous to Shamrock II was thoroughly tried here against Shamrock I; another series of trials will be carried out over the cup course against Shamrock II in American hands. By this means it is hoped to show how far Shamrock II, Watson's opinion of his boat was justified, and give the third challenger such a tonic up as to assure that it shall not suffer from being brought to the starting line in an untried condition.

Charles Thresholt of Boston Defeats Dr. Miller in Class A Billiard Contest.

NEW YORK, Feb. 10.—Charles Thresholt of Boston played a splendid game of billiards in his match with Dr. Miller of this city in the amateur billiard championship tournament at the Metropolitan Athletic club tonight. At one time it looked as if the Boston player would have made a record by winning the match, but toward the close of the game the strain proved too much for him and he only managed to finish out in forty-five innings, with a score of 400 to Dr. Miller's 350.

Charles F. Conklin of Chicago defeated John A. Hendrick of this city in the afternoon match, by a score of 400 to 350. The winner played safety. He only showed his brilliant play a couple of times during the contest.

PHILADELPHIA, Feb. 10.—Frank Erno of Buffalo fell in an appearance tonight at the Pennsylvania Athletic club, where he was to have met Joe Gans of Baltimore in a six-round boxing bout. Erno arrived here in the afternoon, accompanied by his backers and trainers, and at 10 o'clock the entire party left for New York without notifying the club management or explaining the absence. There was a fair house tonight, and when it was learned that Erno had left town, the management returned the admission money to its patrons. It is said Erno was not satisfied with the prospect of obtaining the money that had been promised him by the bout.

Joseph Letter Improves. NEW YORK, Feb. 10.—Joseph Letter, who is ill in this city, was reported much better today. The admission money was returned, but did not develop and a speedy recovery is expected.

Don't Lose Your Grip

Gray hairs often stand in the way of advancement for both men and women, socially and in business. Many men are falling up just because they look "too old," and no one knows how many women have been disappointed in life because they have failed to preserve that attractiveness which so largely depends on the hair.
