Charter for Philippine Veterans.

Word has been received here from the head post of the Philippine Island Veterans in St. Louis that the charter for the Council Bluffs camp, organized last week, will be granted February 15, and that the charter, together with the huttons of the order. will be here by February 20. The local camp will meet February 21 to perfect its organization. Assistant City Engineer Judson, who was instrumental in effecting the local erganization, has been informed from headquarters that it is probable the Philip pine Island Veterans and the National So clety of the Army of the Philippines will amalgamate in this city in August.

Real Estate Transfers.

These transfers were filed yesterday in the abstract, title and loan office of J. W. Souire, 101 Pearl street:

meeting that Alderman Boyer declared himself against Jennings and in favor of Davis.

It is said a meeting of the democratic city central committee was held Tuesday night, but if it was Detective Dan Weir, acting in the interest of Mayor Jennings. failed to locate it. Alderman Boyer, who is chairman of the committee, is said to have been present, as well as Lee Evans, secretary. It is reported these officers are to call a general meeting of the committee and prospective candidates for Tuesday evening, when the dates for the primaries. school and city conventions will be decided

TELEPHONE FOR COUNTY JAIL

Cousins for Modern Means of Communication.

For the first time since it was constructed the county jail will be supplied with a tel-ephone. The request of Sheriff Cousins to that effect was granted yesterday by the Board of County Supervisors.

Allen Bullis of Wright township, ap pointed to fill the vacancy caused by the resignation of Supervisor Auld, took his eat on the convening of the board.

Auld's appointment of Dr. F. A. Stockdals as county physician for Waveland and Wright townships was confirmed. Dr. Grant Augustine was appointed county physician for York township.

Acting on the opinion of the county attorney, the board allowed the bill of the publishers of the Walnut Bureau for \$40 for publishing the terms of district court.

H. J. and Fred Hesley, saloonkeepers in the grounds that such delay was caused by own to enjoin them from selling liquors. the German bank of Walnut and Macedonia they were approved.

The report of Superintendent C. F. Applequist of the State Insane asylum at Mount Pleasant showed that this county had three patients there. The report of the superinendent of the state asylum at Clarinda spirits and when he failed to make his apshowed twenty-two male and eleven female patients from this county in that institu-

> Hunter on Trial for Murder. MOUNT AYR, Ia., Feb, 12 .- The trial A. M. Hunter, charged with the murder of Homer Holland, one of the best known college athletes in Iowa, opened at 9 o'clock today. Hunter shot and killed Holland No-

vember 9, 1901, after a quarrel over money lost at cards. It is also said they were

of opposing the bill for selfah reasons, as it would take much business out of their hands. Healey attacked the bill and declared that loan and trust companies were not of such character that they could be tering estates and looking after the children of dead persons. The bill, after a

clary committee, 36 to 10. To Regulate Divorce Petitions.

The senate passed the bill to require that divorce petitions must be on file in the clerk's office ten days before the term begins and it must be affirmatively shown that the petitions were actually in the clerk's office all the time. The bill'to pro-

vide that where administrators have a personal claim against an estate notice thereof must be given the heirs before a settlement is effected, was passed. The biennial elections amendment was

made a special order in the senate for Friday at 19:30 a. m. and the constitutional amendment providing that every county of

of the house of representatives was made a special order for tomorrow morning.

New Bills Introduced.

Among the new bills were: By Garst, to provide for the assessment of the property

of freight lines the same as express companies; by Emmert, to permit consolidation of voting districts where voting machines are used; by Harper, providing how juries may be drawn in case the biennial elections amendment is carried; by Arthur to legalize deeds and mortgages already when discovered and it is believed the deed flied, even though the acknowledgements have been wrong; by Hayward, to provide

how franchises may be given on highest how franchises may be given on highest bid of company on gross earnings and in certain cases by vote of the people; by Hughes, permitting county clerks to bind out children on application of the township trustees or overseer of the poor without consent of the parents; by Barker, to repay collateral inheritance taxes where over-paid; by Langan of Clinton, to provide that State bank, each in the sum of \$20,000, and both nearly grown. The body will be taken paid; by Langan of Clinton, to provide that in giving contracts convict labor competi-

tion with free labor should be avoided as

Hospital Bids Wanted.

The State Board of Control today asked for bids for outbuildings to complete the structures needed at the Cherokee hospital for the insane. The board will build a horse barn, a cow barn a hog house, a workshop, all two stories high, also a gran-ary and implement house, two or more cisterns, a brick isboratory building and a greenhouse. Bids on all these are asked for March 10, so that the work can be done at once. Dr. Book of Washington D. C. arrived

tigating the smallpox situation. He will decide. whether it will be advisable to go Telegram.)-F. F. Sabo, living in Badger to the expense of fumigating the mall and further, whether it will be necessary to effect a quarantine of the mails.

Promised Bequest Not Made.

An order appointing Nathaniel E. Coffin administrator of the estate of the late David R. Ewing was filed with the clerk of the probate court this afternoon. His bonds were fixed at \$40,000, which he gave and will enter upon the discharge of the dutles of administrator at once.

For a long time prior to Mr. Ewing's death it was believed he had left a will and that Drake university was to be benefited to the extent of a magnificent library or a contribution to that end. However after Mr. Ewing's death efforts to locate the will failed and it was believed that if any

had been made it was lost. **Jowa Supreme Court.**

The lowa supreme court today rendered decisions as follows: Grant S. Wells, appellant, against Mag-

Resolutions were passed urging congress to make absolute game preserves of the timber reserves of the mountains in west-ern states and to prohibit killing antelope any time before 1912.
