Strikers Fight with Armed Officers, Six Deaths Resulting. Military Called Out in Full Force. Many Thousands Men Quit Work and Town is in Thrill of Excitement.

RIOTOUS MOB CONTROLS CITY

TRIST, Austria, Feb. 14.—This city is practically in the hands of riotous strikers. All the factories are closed and the few stores which open for business were compelled to close, owing to the mobs which paraded the streets. Traffic on the street railroads was suspended. The headquarters of the Lloyds Steamship company, whose premises were first to be attacked, were repeatedly charged and attempted to drive back the rioters. The military have occupied the public squares and other points of vantage. The mobs frequently stoned the police and some shots were fired.

RIOTOUS MOB CONTROLS CITY

A meeting held in the Plaza Grande was followed by a street strike, during which the troops fired a volley into the mob, six of whom were killed and twenty severely wounded.

RIOTOUS MOB CONTROLS CITY

The meeting was attended by 4,000 strikers. It was addressed by the labor leaders, who spoke in a pacific vein, but, owing to the slinging and hooting, they could not obtain a hearing. After numerous scurrilous remarks the constantly growing mobs of rioters attacked a company of troops in the rear with a volley of stones.

RIOTOUS MOB CONTROLS CITY

The labor leaders have consented that a court of arbitration settle the disputes. Lithographers to the number of 25,000 men have gone on strike. The tramways, the railroads and the newspapers are all affected. The city is quiet tonight. All the buildings are projected by troops.

ALL ANXIOUS BUT RUSSIA

Powers Insist Anglo-Japanese Alliance is Against the East. Russia, However, Comments the Treaty.

ALL ANXIOUS BUT RUSSIA

ST. PETERSBURG, Feb. 14.—The Russian official view of the Anglo-Japanese treaty was communicated to the correspondent of the Associated Press today.

ALL ANXIOUS BUT RUSSIA

We accept the news of the alliance with the most complete equanimity and are very glad that England and Japan have pledged to maintain the integrity of China and the independence of Korea.

ALL ANXIOUS BUT RUSSIA

The English-Japanese say their convention has only pacific aims. This makes it all the more astonishing when they speak of peace in connection with the extreme Orient Russia, for its part will not fail to take all the measures necessary to guarantee the integrity of China and Korea.

ALL ANXIOUS BUT RUSSIA

The general intent of the agreement is to preserve the integrity of China and Korea, which Russia has so frequently, fully and entirely expressed itself in favor of.

ALL ANXIOUS BUT RUSSIA

The Herold declares the alliance was by no means unexpected, "as the Japanese representative kept the Russian foreign office fully and loyally informed of the progress of the negotiations."

ALL ANXIOUS BUT RUSSIA

"We hope," the Herold proceeds, "that we now have before us a series of five years of undisturbed peace in the far east, which we shall not fail to utilize in consolidating relations with our Asiatic neighbors."

ALL ANXIOUS BUT RUSSIA

The Herold concludes with hailing with the highest satisfaction the recognition of the integrity and independence
