

FRIED ONIONS

Indirectly Caused the Death of the World's Greatest General.

It is a matter of history that Napoleon was a gourmand, an insatiable lover of the good things of the table, and history further records that his favorite dish was fried onions...

The onion is undoubtedly a wholesome article of food, in fact, it has many medicinal qualities of value, but it would be difficult to find a more indigestible article than fried onions...

Chop cathartic medicines claiming to cure dyspepsia and indigestion can have no effect whatever in actively digesting the food...

Every druggist in the United States and Canada sells Stuart's Dyspepsia Tablets, and they are not only the safest and most successful, but the most scientific of any treatment for indigestion and stomach troubles.

CALLS OUT WORK OF CALUMNY

French Paper Censures England for Its Attitude Toward Power.

Paris, Feb. 15.—The French press is following with keen interest the developments of what is described here as "England's campaign of calumny" against a European nation in the course of intervention in the Spanish-American war.

The Temps thinks Great Britain is getting wrong in the controversy with Germany and says: "The United States must just now feel the emotion of a young belle, who for the first time has come in contact with the prevailing admiration of amorous rivals..."

Berlin, Feb. 15.—After Lord Cranborne's repeated statements on the subject in the British House of Commons it is now generally recognized here, except in the extremely Anglophobe press...
