Boost.

That is the thing to do. Don't knock. It's a cinch that if we have any base ball in Omaha this season it will be furnished by the Western league. This may not be what we want, but it's what we have.

Omaha will be the head city of the Western league. This is admitted by all. The only safe thing to do is to get into the game.

soon, and tell us some news we can rely on. For in Omaha are a great many who are fed up with the story that the Gate City will be found this year.

National league affairs show no sign of clearing up. On the other hand, a new complication has arisen in the shape of the players, who have become uneasy over the unsettled conditions and want to know something definite about their prospects of employment.

Probably the two best scores ever made in Omaha in an individual competitive game were those rolled on the Gate City alleys last Thursday night by Hartley of the Gate City team and Tracey of the Nationals.

Mr. Emery of the Omaha and Beselin of the Germans wish to challenge through the Bee any two-man team in Nebraska to a series of games at all bowling centers.

Los Angeles gives it out with something of a flourish that Jimmy Toman has been signed to play with its team. It was a cinch that Jimmy would not be in the Omaha team another season.
