COUNCIL ACTS ON PAVING

COUNCIL ACTS ON PAVING

Takes Final Steps in Assessing South Sixth Street Cost.

PROPERTY OWNERS FILE PROTESTS

Are Prepared to Resist in the Courts All Effort to Make Them Pay—Specify Grounds for Their Action.

The city council last night took the final steps assessing the cost of the paving on South Sixth street to the abutting property according to the schedule as prepared by the city engineer and published according to law. The protests against the assessment filed by L. T. Shugart, T. J. Foley, Dr. Barstow, M. A. A. Beer and U. Wickham were disallowed.

County Auditor Innes, County Recorder Smith and County Treasurer Arnd served notice on the council that the Mason City & Fort Dodge Railroad company had begun proceedings to condemn a strip 150 feet wide along the Rohrer property fronting on South Avenue. This notice was served by the county officials in view of the fact that Rohrer had signed his intention of platting the tract and dedicating two streets to the city through the property.

The request of the bricklayers' union that brick be used instead of concrete for the abutments of the bridge over Indian Creek at Mynter and Main streets was denied, the council deciding to stand by the original contract.

Bids for the sewers on Benton, Baughn and Harmony streets were received from E. A. Wickham and Olsen & Nelson and were referred to the city engineer for tabulation. A bid from a Chicago firm was thrown out as being irregular.

The contract for the grading of Ninth avenue, between Third and High streets, was awarded to John M. Harden.

The council adjourned next Monday night.

Property Owners Protest.

It is said that several of the property owners on South Sixth street will appeal to the court before they will pay the assessment for the paving last winter on this thoroughfare. As a preliminary step toward the proposed litigation five property owners on the street filed yesterday with the city clerk their protests against the assessment. Those protesting are: L. T. Shugart, residing on the Shugart estate; T. J. Foley, Dr. J. M. Barstow, M. A. A. Beer and Uriah McKeckin.

The protesting property owners allege that the city council failed to comply with the law in awarding the contract for the paving, that the contract was not let to the lowest bidder, and that all of the proceedings of the city council in connection with the paving of this street were not contemplated by the law. They also find fault with the paving, alleging that it was not done in a good and workmanlike manner; that it was not properly constructed and that the material did not comply with the requirements of the alleged contract.

They also protest against the payment of the assessment on the alleged grounds that the paving was laid at an unsuitable time and in unsuitable weather; also that the city council failed to make a proper inspection of the work before accepting it and the assessment schedule. As a further and last ground for protesting against the assessment of the improvement, they allege that the surface of the paving is at this time uneven and not in a proper condition, although laid only a few months ago.

Some of the Assessments.

The Shugart estate was assessed \$795; T. J. Foley, \$388.66; Dr. J. M. Barstow, \$207.48; M. A. A. Beer, \$500, the original assessment of \$806 having been reduced to this amount; Uriah McKeckin, \$14,431.

The city council approved this paving January 31 and adopted the assessment schedule as submitted by the city engineer, with the exception of the Beer property, the assessment against which was reduced from \$806 to \$500, the city bearing the balance.

The total cost of the paving of South Sixth street from Broadway to Fifth avenue, under the contract with E. A. Wickham, was \$19,912. Of this the city has to pay \$2,748, the cost of the paving in front of Bayliss park and the postoffice building.

City officials claim the property owners have no reasonable grounds for objecting to paying their cost of the improvement, under the law the city could have assessed against them the cost of the paving in front of the park instead of bearing the expense itself out of the general improvement fund.

City Engineer Etnyre says that the fact that the paving was laid during the winter will not affect it in any way, as the lower course was laid several weeks before the upper tier and before any frost.

HOUSE REGALED WITH SONG

Legislature is Entertained by Colored Jubilee Singers.

SENATE PASSES DOZEN MINOR BILLS

Measure Introduced to Redistrict the State—Des Moines Residence is Burned—United Mine Workers in Convention.

(From a Staff Correspondent.)  
DES MOINES, Feb. 24.—(Special.)—In the legislature, after the prayer in the house was offered by Rev. Joseph Smith Lamoni, Ia., head of the church of Latter Day Saints in Iowa, a company of colored jubilee singers was invited to sing a few songs and they did so before both houses and many of the state officials.

**Hear Bill Will Be Reported to House.**  
The expected debate on the concurrent resolution to endorse the Hoar bill in congress against injunctions directed toward strikers did not take place. The senate had a lively tilt on the subject when it was known that both the house and the committee on federal relations at first decided in making a majority and minority report, but after three meetings reached an agreement and recommended the resolution. The report was adopted. A fight will occur when the resolution comes up for passage.

**Pass a Dozen Bills.**  
The senate was in session all forenoon and passed a dozen bills of no great importance, there being passed a quorum present. Among the bills passed was one which disinherits a person who is guilty of the crime which brings about the descent of property in his direction. It is directed against persons who commit murder for the sake of insurance or other property. The house bill to make the law in regard to malicious mischief apply where the property of an electric railway is concerned was passed. Two bills for directing how and where actions may be commenced against steamboat men were passed. A bill to relieve the state treasurer when he retires from office by requiring that their responsibility in suits involving their office shall descend to their successors was passed. This bill is particularly intended to relieve ex-State Treasurer Herriott from defending certain suits brought to recover fees alleged to have been wrongfully paid him.

**Raising Doctor's Pay.**  
A bill to raise the salary of the physician at the Fort Madison hospital was brought out on the only contest of the day. His salary is \$50 a month, while the doctor at Anamosa gets \$100 a month. The committee reported in favor of \$75 a month at Fort Madison. An effort was made to amend by reducing the salary at Anamosa to the same figure. This was defeated and the bill passed raising the salary at Fort Madison to \$75 a month. The Board of Control reported that their duties are just the same. The Emmert bill to recognize certificates to practice medicine as granted in other states was passed. The bill to permit the publication of notices of incorporation in the daily papers as well as in the weeklies was passed. The bill to take off the limit on fees for incorporations was passed.

**New Senatorial Districts.**  
A bill was introduced by Senator Hubbard on the senatorial districts of the state, naming the districts as follows: Lee, Des Moines, Council Bluffs, Marshall, Linn, Polk, Mahaska, Wapello, Woodbury and Pottawattamie, one senator each; Louisa-Muscatine, Johnson-Cedar, Jones-Jackson, Buchanan-Delaware, Allamakee-Clayton, Howard-Winneshiek, Fayette-Clackawau, Floyd-Cerro Gordo, Tama-Benton, Blackhawk-Grundig, Harlan-Marshall, Jasper-Poweshiek, Iowa-Keeokuk, Washington-Henry, Jefferson-Van Buren, Appanoose-Davis, Marion-Monroe, Kosciusko-Hancock, Calhoun-Webster, Wright-Hamilton, Boone-Story, Madison-Warren, Dallas-Guthrie, Page-Premont, Hamilton-Genoa, Cass-Sheley, Crawford-Audubon, Monona-Harrison, Sioux-Plymouth, Lyon-Coccalo-O'Brien, Dickinson-Emmet-Palo Alto, Clay-Chester-Ia, Buena Vista-Humboldt-Ponchaika, Adair-Adair-Taylor, Union-Ringgold-Decatur, Clarke-Lucas-Wayne, Franklin-Butler-Bremser, Winnebago-Worth-Mitchell, Sac-Carroll-Greene.

A bill was introduced by Senator Harper to appropriate \$5,000 for an equestrian statue of the late General Francis J. Herron on the capital ground in Des Moines. The same bill was introduced by Senator Bishop introduced a bill making the law relating to extermination of Russian thistles apply as well to quack grass, burdock, cocklebur and similar weeds. Memorial resolutions were adopted relative to the late Senator Daniel Anderson of Monroe county.

**Burning of a Residence.**  
A large brick dwelling house on East Grand avenue, within two blocks of the state capitol, caught fire at 2 o'clock this afternoon and was completely destroyed. The walls being left standing prevented the destruction of other buildings nearby. It is not known how the fire originated. The house was owned by the Iowa Loan and Trust company, and was valued at about \$40,000. It was occupied by a family named Winterrowd, who had recently come to Des Moines from Colfax.

**New Corporations.**  
The Guthrie Center Co-operative Creamery company has been incorporated with a capital of \$4,500 by L. G. Ackerman and others.

The Pleasant Valley Telephone company of Johnson county has been incorporated with \$10,000 capital by J. S. Wilson and others.

The United Building company of Cedar Rapids has been incorporated with \$10,000 capital stock by S. P. Kuhn and others.

The Saco County Mutual Telephone company of Odebolt has been incorporated with \$5,000 capital stock by John W. Youmie and others.

**Attend Teachers' Convention.**  
John Taylor, who was released from the pesthouse Saturday, was arrested Sunday for being drunk and is now at the city jail. It is reported that after being discharged from the pesthouse Taylor slept at the residence of a relative on Vine street, who in turn was unable to appear and her daughter telephoned that she was still kept to her bed by her injuries.

In the proceedings brought by the city to condemn a strip eleven feet wide in the rear of the National building, to open an alley north of Broadway, between Scott and Sixth streets, the sheriff's jury yesterday awarded the city \$75. The proceedings, in which the jury awarded \$500, had to be abandoned, owing to an irregularity in the service of notice on the owner, E. B. Evans, a resident of California.

NORTHWESTERN DEPOT BURNS

No Water Available and Old Structure with Some Freight Consumed.

ONAWA, Ia., Feb. 24.—(Special Telegram.)—The old Onawa City & Pacific railroad depot, used by the Northwestern line, burned last night about 7:30. Considerable of the freight was saved, but the tickets were all destroyed. The depot is half a mile from the business center of the town and the water mains do not reach it. The only water available was from the water tank and connection with the engine could not be made, so the depot was soon burned to the ground. All freight cars were safely removed. Temporary quarters are in a box car now. The old depot was built thirty years ago and its reconstruction will likely hasten the building of a new depot uptown.

COLLEGE STRIKE IS OVER

Three Students Are Reluctant in Compliance to Class Demand and Peace is Declared.

IOWA CITY, Ia., Feb. 24.—(Special.)—The strike of the freshman medical class of the University of Iowa is over. The three freshmen whose reinstatement the class demanded have been restored to full privileges in the college and the entire class, with the exception of the suspension, are still under the terms of the agreement, and are attending their classes.

Deadly Assault Because She Starts on a Merciful Errand.

SUMNER, Ia., Feb. 24.—(Special Telegram.)—Henry Wells of Buck Creek was arrested today for trying to murder his wife because she wanted to nurse a sick neighbor. He fired on her when she was walking from his home, the shot taking effect in the arm, shoulder and head.

**Demand Police Chief's Star.**  
CLINTON, Ia., Feb. 24.—(Special Telegram.)—Mayor G. D. McDald this morning demanded the star of Chief of Police James Cole, who was dismissed from further service for failing to keep order with respect to enforcing his orders to close gambling institutions operating here. Cole has been chief for four years.

DENVER ED BEATS CHILD'S

Martin Gets Decision in a Six-Round Contest at Chicago.

CROWD HISSES AS THE FIGHT IS ENDED

As He is Devoid of Attractive Fighting, but the Denver Man Easily Proves His Superior Skill.

CHICAGO, Feb. 24.—"Denver" Ed Martin obtained the decision over Frank Childs tonight in a six-round contest at the American club. Martin's performance during the first four rounds was so far superior to that of Childs that he made the latter look rather cheap. During the last two rounds Martin took few chances and contented himself with keeping Childs at a distance, where the Chicago man could do no damage. Childs tried in every conceivable manner to land a knockout, but Martin used his long reach to such good effect that Childs' efforts were generally about six inches short of the mark. In the first two rounds Childs was unable to land a single blow, Martin would run in and prod Childs in the face with his left, then dance away. This bewildered Childs at the end of the second round. In the next round Childs received so many of Martin's left-hand jabs that he became desperate and took a chance for a knockout. He missed and overbalanced. As he fell forward Martin took a step backward and swung his right. The blow caught Childs square on the jaw and he went down. On rising he tried to mix it, but Martin kept him at a distance with a few well directed left jabs.

The fourth round was Martin's, although little damage was done by either man. In the next Childs reached Martin's neck with a right swing that jarred the Denver man, but Martin pulled himself together in a hurry and retreated until he had collected his faculties. The last round was tame. Martin made little effort to increase his big lead. Childs worked to even up matters, but Martin was either dancing out of reach or locked in Childs' arms. A good portion of the audience was hissing as the contest came to an end.

Jim Driscoll of Chicago knocked out Tim Hurley of Susquehanna, Pa., in the first round in the same ring. Hurley had the better of it up to the time of the knockout. He was hammering Driscoll all over the ring, when a wild swing caught him on the neck and he could not rise at the count. Joe Perente of Milwaukee knocked out Jack McConney of Buffalo in the third round in a preliminary.

TITLE FOR OWEN ZEIGLER

Welterweight Championship of South-east Falls to Him on Defeat of Corcoran.

SAVANNAH, Ga., Feb. 24.—Owen Zeigler and Tommy Corcoran, welterweights, fought before the Savannah Athletic club tonight in a twenty-five-round contest for the southeastern championship. Corcoran was knocked out in the twelfth round, after making a fast and game contest. Zeigler will leave tomorrow for St. Louis to second Tommy Felts in his fight with Harry Forbes for the bantam championship Thursday night.

EASY FOR YOUNG JACKSON

Tommy West Quits at End of Second in Event Scheduled for Six Rounds.

PHILADELPHIA, Feb. 24.—At the Penn Athletic club tonight Young Peter Jackson and Tommy West of New York were to have fought six rounds, but West quit during the second round, after receiving some severe punishment. At the Washington Sporting club Joe Bernstein and Lanny went six rounds, Bernstein having slightly the better of the mill.

**Argument in Kansas-Corcoran Case.**  
WASHINGTON, Feb. 24.—Argument was begun today in the United States supreme court in the case in which the state of Kansas undertakes to enjoin the state of Colorado from further diversion of the waters of the Arkansas river for irrigation purposes. Kansas claims that \$50,000,000 worth of property is damaged by Colorado's use of the water and Colorado urges that the owners of land along the river have a right to use the water.

Jap Rose Soap

one-sixth pure glycerin, is used by discriminating people. Its delicate odor of natural flowers, the soothing effect of the glycerin, its uniform texture and transparency make it the choice of those who know for toilet and bath. A delightful shampoo.

JAMES S. KIRK & COMPANY

For Sprains Omega Oil

The right time to treat a sprain is the minute you get it. And the right remedy to use is Omega Oil. You can say what you will about this or that thing being good for a sprain, but Omega Oil beats them all.

The quicker you rub it on, and the more of it you use, the sooner the sprain will be gone. Even if Omega Oil gets you back to work one day quicker than other remedies, it will pay for itself several times, but it generally cures a sprain, strain or bruise a week before anything else, and a week's wages amounts to a good deal to most people. If your druggist doesn't sell Omega Oil, ask him to get a supply of his wholesale dealer.
