"DOLLARS AND HORSE SENSE."

"DOLLARS AND HORSE SENSE."

WE NEVER EMPLOY AGENTS OR PAY
COMMISSIONS.
Our business is strictly co-operative, and
as we under and co-operation all interested should share alike. Why should
some other person receive a commission
on your investment? Concerns that resort to this method of securing business
are generally short lived, grab all there
is in sight, and go out of business, probably to open later under a different
name. We have ample evidence to substantiate this statement. No misrepresentation in any respect. Do everything
we claim. Everybody interested shares
alike. Our booklet,
"DOLLARS AND HORSE SENSE."
will tell you how we do it, and the extensive reference list accompanying it will
verify our claim that your money earns
an average weekly profit of 5 per cent,
and the investment is always subject to
your control. Twenty years of experience and two years under the present
co-operative plan, with a record second
to none, is the evidence we have to offer,
Legitimate financial agencies report on
us, and to this we will add the indorsement of two national banks and an extensive list of customers.
