W. F. Lohnes, a prominent business m an of Springfield, Ohio, writes the following strong endorsement of the great kidney remedy, Swamp-Root, to the Editor of the Springfield, Ohio, Republic:

### Springfield, Ohio, Feb. 21st, 1901.

Having heard that you could procure a sample bottle of Swamp-Root, free by mail, I wrote to Dr. Kilmer & Co., Bingha mion, N. Y., for a sample bottle and it was promptly sent. I was so pleased after trying the sample bottle that I sent to the drug store and procured a supply. I have used Swamp-Root regularly for some time, and consider it unsurpassed as a remedy for torpid liver, loss of appetite and general derangement of the digestive functions. I think my trouble was due to too close confinement in my business. I can recommend it highly for all liver and kidney complaints. I am not in the habit of endorsing any medicine, but in this case I cannot speak too much in praise of what Swamp-Root has done for me."
