WANTED—MALE HELP.

THE OMAHA COMMERCIAL COLLEGE

SETTLED IN NEW QUARTERS,

At 17th and Douglas.

The Omaha Commercial College leads not only in thorough courses of study and efficient instructors, but in having the most commodious, best lighted, best ventilated and best equipped quarters of any school of like character in America. We now occupy the second and third floors of the Patterson block at 17th and Douglas streets, recently vacated by Labor Temple and refitted throughout. For four weeks an army of carpenters, plumbers, paper hangers and painters have been at work revolutionizing the building. A new entrance has been made on Douglas street, old partitions torn out and new ones put in, until our floors are now adapted to school purposes. All the rooms are as convenient and complete as money and labor can make them. No school in the country can boast of as fine an actual business department or better facilities for Telegraphy, Shorthand and Typewriting. Visitors are welcome.

SPRING TERM

opens April 1. New classes in all departments. Call or send for catalogue at once.

PUBLIC RECEPTION AND ENTERTAINMENT

These will occur on Thursday evening, March 27. Both floors of the building will be thrown open for inspection and a literary and musical entertainment of a high character will be provided. Every student who ever attended the college with his friends are cordially invited to be present, also the public.

"DOLLARS AND HORSE SENSE."

Our business is strictly co-operative, and as such all interested share EXACTLY THE SAME, in proportion to the amount of their investment. We pay the same dividend from the Atlantic to the Pacific coast, and from Canada to Mexico, as also our foreign subscribers. Concerns who claim to operate separate pools do so for no other purpose than to pay a larger dividend in one section of the country than another. (Their object is readily understood.) In brief, "rob Peter to pay Paul." You may be on the "Paul" list, but you are sure to get on the "Peter" list in the long run, and it is equally as sure that you will be on the losing, or wiped-out list, some day. We never have found it necessary to employ agents, pay commissions or resort to trickery of any kind to secure business. Our booklet, "Dollars and Horse Sense," tells how we do it, and the extensive references accompanying it is only a very small proportion of the hundreds of satisfied customers who have voluntarily written us letters indorsing our methods, and verifying every claim made in our literature. Money placed with us is always subject to your control, and earns a LARGER PROFIT EACH WEEK than any other AS SAFE investment pays in six months, or savings banks pay annually. Twenty years' experience as owners and commissioners, and two years under the present co-operative plan, with a record unequaled, enables us to have LEGITIMATE financial agencies report on us, in addition to bank and other reliable references. W. W. O'HARA, N
