OF RIDDING HERSELF OF TROU-BLE AND SECURING HAPPINESS.

For Years, She was in Misery Till Finally She Determined to be Happy Again—How She Succeeded.

A story of suffering that rings true in the heart of many a woman is that of Mrs. Joseph Adams, the wife of a retired farmer who lives at No. 303 Third street, Webster City, Iowa. Her trouble and how she sefured happiness at last is best told in her own words.

"For three or four years," she says, "I was miserable. I suffered awful pain from cramps in my stomach. I could eat hardly anything, for nothing seemed to agree with me. I would grow faint and suffer very much with cramps every little while and after these attacks I would be very weak. I had a doctor twice a week for about two years, but he couldn't cure me. I would be n bed for a day or so, then up for a day and then down, and so it would go.

"But now I am well and, for a woman of 72 years, am pretty strong. I had been suf-fering, as I say, for three or four years when I saw an advertisement in the paper telling about Dr. Williams' Pink Pills for Pale People. I decided to try this medicine and felt relief with the taking of the first box. I took three boxes in all, and now I don't need to take any medicine, for I am perfectly well. It is all dire to Dr. Willams' Pink Pills for Pale Pacchet"

These pills will not only cure cases similar to that of Mrs. Adams, but containing as they do all the elements necessary to give new life and richness to the blood and restore shattered nerves, they have proved efficacious in a wide range of diseases. They are an unfailing specific for such diseases as locomotor staxis, partial paralysis, St. Vitus' dance, sciatica, neuralgia, rheumatism, nervous headache, the after-effects of the grip, palpitation of the Beart, pale and sallow complexions and all forms of weakness either in male or female.

There are many imitations of Dr. Wiljams' Pink Pills for Pale People, but none of them possess the wonderful power of the genuine-the power that cures when ordipary medicines fail. Do not let your dealer sell you an inferior preparation. If you have difficulty in getting the genuine near home you can get six 50-cent boxes by mail, postage paid, by sending two dollars and a half to the Dr. Williams Medicine company, Schenectady, N. Y. The genuine are never sold in bulk, always in the trade-marked packages.
