LAUNDRY BURNS AT STATE ASYLUM

A. E. Holder of Sloux City Appointed Chief Deputy State Labor Commissioner-Man Shot by Policeman Lives.

(From a Staff Correspondent.) DES MOINES, March 31. - (Special.) The pardon matters which are before the legislature for disposal will come up Wednesday in the house on a special order which was made today. The committee on and asked for the special order. Following is the order in which the cases will be taken up and the report of the committee on each one:

on each one:

William Young, Woodbury county, favorable; George Stanley, Story county, favorable; John Ballew, Webster county, favorable; Thomas W. Watson, James county, unfavorable; Joe MacCrary, Mills county, favorable; Theodore Busheck, Mills county, favorable; Otto Otten, Pocahontas county, favorable; Betsy Smith, Polk county, unfavorable; Betsy Smith, Polk county, unfavorable; Christine Behrens, Scott county, unfavorable; Jasper Mason, Dallas county, unfavorable; William Toole, Sac county, unfavorable; Wesley Elkins, Clayton county, without recommendation.

These are all life termers who have appealed to the legislature. In most of the cases the senate pardons committee has done the cases are very interesting and some dishouses.

The house this afternoon received from the senate the report on the interurban railway act notifying the house that conferees have been appointed because the senate has refused to recede from the amendments made. The house concurred in the senate amend

ments to the bill on assessors salaries. A bill was passed providing for the drawing of jury lists in case the biennial elections bill is passed. A bill was passed, introduced by the muni-

cipal code committee, referring to water-

#### Short Senate Session

The senate held only a very short session this morning as there was not a quorum present and it was impossible to get one. Resolutions in memory of Henry E. Dashiel Southern railway trestle here is being reof Monroe county, formerly a member of the senate, were adopted and Senator Oakdale tonight. The road is thoroughly Townsend delivered an address eulogistic of him. The committee on insurance introduced a committee bill providing for a running from Knoxville to that point. The uniform policy of insurance. The committee had rejected two bills of this character, Emory river was reported at having gone one providing for the New York policy, and out Saturday night, but this was exagthe other giving authority to the state au- gerated, as the damage was to the north ditor and attorney general to devise a policy to fit the Iowa statutes. The committee by Sunday morning. Very heavy damage decided that the last method of reaching was done at Oakdale, the yards of the a uniform insurance policy was not feasible Southern and Cincinnati Southern railways and so the state auditor and the attorney being submerged and the tracks more or general prepared a policy, which fits the less washed. lowa statutes, and this is included in the committee bill introduced today.

ON TRIAL FOR WIFE MURDER

Iowa Man Accused of Crime to Secure Money Belonging to His Wife.

DES MOINES, March 31.-Louis Busse, charged with murdering his wife June 18, 1901, was placed on trial at Waverly, at 9 o'clock this morning. The theory of the prosecution, as outlined by the district attorney, is that Busse married his wife in order to secure \$2,800 that she had previously obtained in a damage suit for seduction against another man. He proposed marriage without any previous courtship pardons reported on all the cases before it and acquaintance and was accepted. Eighteen months later, it is charged, he cut her throat, placed her body on a feather bed and mattress, saturated the whole with kerosene and set it on fire. It is alleged he then left the house, expecting it burn down, consuming the body and that of a sleeping infant that occupied an adjoining room. What purported to be a confession was secured from Busse.

#### FLOODS SUBSIDE IN SOUTH Heavy Rains Are Abated and Swollen Streams Are Reced-

ing.

HARRIMAN, Tenn., March 31 .- The Emory river flood is receding and six of the same as the house committee. Some of the twelve industries at this place that were invaded by the high water resumed operacussion will follow on the floors of the tion today. The remaining industries will visit. be running by Thursday morning it is thought. The aggregate damage is now placed at \$75,000.

Authentic figures place the number of families affected by the flood at twenty-five. Of these fifteen are totally destitute. Only three houses were totally destroyed, twentytwo residences being more or less damaged. The city council has raised a fund of \$600 for the relief of these families, and in addition citizens have contributed consider able clothing and food. Today all the homeless families have been provided for and these, with all others who desire work, are clearing up the debris from the path of the flood.

The water was at its highest Saturday a noon, when it reached sixty feet above low water mark, seven and one-half feet higher than the highest previous record. The built and trains will likely run through to repaired to Willow Springs, one and onehalf miles from here, and trains are now Cincinnati Southern's bridge over the abutment, which caved in and was repaired

The flood penetrated the first floor of the Babahatchee inn, the largest hotel between In the aftermoon the senate passed the Somerset and Chattanooga, and that portion Maytag bill to require exits and entrances of the building was vacated. Thirteen Carman at Port Crane, made a con-for public buildings and proper safeguards houses were washed away at Oakdale and fession under oath today, in which he ad-in factories. It is one of the bills which the occupants of these are reported homemits the crime and alleges that he shot have been indersed looking to the better less and in need of assistance. Others suffered more or less damage from water in-

### Echoes of Disaster.

BIRMINGHAM, Ala., March 31 .- A special to the Age-Herald from Decatur, Ala.,

Since the storm of Friday this has been the northern terminal of the Louisville & Nashville. All trains are now running as far north as Elkmont, but it is said it will be several days before the road is opened to Nashville. No Nashville mail has been received here since Friday. day the first mail reached here from Chicago, Cincinnati, and other points north by way of Chattaneoga. New Decatur is without telegraph communication still.

The Tennesee river is on a rampage. Ben Johnes, a white fisherman, his wife and eleven children, living in a house boat near Riverton, are reported to be drowned. Wreckage of the boat has been found, but the occupants are missing. A white man named Barber was drowned in Flint creek and his house swept away. Jacob Coach, a swept away. Two houses on Hurd's place were destroyed by lightning. Many other houses were struck by lightning, but slightly damaged. Much livestock has been

### Waters Are Receding.

MEMPHIS, Tenn., March 31 .- The flood waters in the overflowed districts in Mississippi are receding at all points, except along Pearl river, which stream is reported to be above the danger line and slowly rising. The railway situation continues to improve and several trains on the Illinois Central were operated today on something like schedule time.

NEW ORLEANS, March 31 .- Service over the roads which have recently been badly crippled by storm and flood is gradually being resumed. The first through train from the east on the Northeastern since Thurstendent Curran says the washed-out track has been repaired. The Mississippi Valley and Illinois Cen

owing to the slow time made over tracks in the recently flooded district. Situation Serious at Jackson

JACKSON, Miss., March 31.-The flood situation has again become serious on account of the rising of Pearl river, which is now out of its banks from mouth to source and flooding all the low country. At this place the river is from seven to n'ne miles wide and has washed away several miles of the track of the Alabama & Vicksburg railway and has tied up the Gulf & Ship Island road. The plant of the water works company is under water and the pumps have been stopped, causing a water famine all over the city.

### Railroad Situation Better.

BISMARCK, N. D., March 31 .- The railroad situation here is slowly improving as the water in McKensie slough is receding at the rate of a foot a day. At this rate repair work upon the submerged track can be begun within a few days. Mean-When the rebuilding is under way the time the Northern Pacific is rushing work upon the temporary track which it is building around the lake and which it is cure. There are hundreds of thousands of hoped to have in readiness for freight traffic within a week. The transferring of passengers across the McKensie lake was continued today, both east and westbound passengers being ferried across. The westbound passengers arrived at Blamarck to night, as did the first eastern mail tha

LEXINGTON, Ky, March M.—The condition of James R, Keene of New York, the millionaire turfman, is very much improved today. His physician says he may get up today. He expects to visit his farm at Castleton tomorrow. He has been suffering with a cold and has not been seriously afflicted at any time. For sale by Kuns & Co., Fuller Paint & Drug Co., Omaha; Dillon's Drug store, South Omaha, and Davis Brug Co., Council Bluffs, Ia.

pound.

ANNAPOLIS, Md., March 31.-The house today by a vote of 54 to 9 passed the senate bill to permit the admission of women as members of the bar. An amendment was adopted to the effect that no one should be denied admission to the bar "on account of race, color or previous condition of servitude."

The senate passed the bill as amended

by the house and it only needs the signature of the governor to become a law. Considerable opposition to the house amendment was shown, but rather than endanger the bill the senate accepted it. The bill was introduced in the interest of Mies Etta Maddox, who was graduated from a Baltimore law school last year, but was debarred by decision of the courts from practicing in the state. The young woman has worked for the bill at Annapolis during
