FIXES THE APPROPRIATIONS

City Council Adopts the Ordinance Originally Prepared.

FIREMEN AND POLICE GET NO RAISE

Effort to Increase Pay is Defeated—Plan Proposed to Put All Electric Wires Under Ground.

The appropriation ordinance allotting the amounts deemed sufficient to maintain the various departments of the municipal government for the fiscal year ending March 31, 1903, as originally decided upon in committee of the whole, was passed by the city council Tuesday night. No changes were made in the amounts originally allotted.

Even Alderman Huber, chairman of the committee and all the members, appeared to have lost all interest in the department which has been under his control for the last two years, as he failed to repeat his request that the appropriation for the streets and alleys fund be increased \$500.

The amounts appropriated under the ordinance are as follows:

Table with 2 columns: Department and Amount. Includes Police department (14,500), Fire department (17,000), Public works (11,200), etc.

Before the appropriation was made, Alderman Boyer introduced a new salary ordinance, increasing the remuneration of the city clerk from \$90 to \$100 a month; the salary of the city engineer from \$1,200 to \$1,400 a year and the pay of policemen and firemen from \$50 to \$65 a month.

This ordinance was opposed at the outset by Alderman Lougee on the grounds that he had had sufficient time to consider the matter. Alderman McDonald said as an economic expedient he was opposed to increasing the pay of the policemen, but favored raising that of the firemen. He moved to amend the ordinance by the pay of the policemen as before, at \$40. The amendment was not adopted.

Then Alderman Lougee moved to amend by leaving the salary of the city engineer at \$1,200, as before, but this amendment also failed to carry.

On the rules being suspended and the ordinance introduced being placed on its third reading, it failed to carry, Alderman Hamner, Lougee and McDonald voting against it. Fourteen policemen and fifteen firemen would have benefited by the measure had it passed.

Wires to Be Put Under Ground. An ordinance was introduced prohibiting the erection of telephone poles and overhead wires and requiring the removal of all such poles and wires within these limits of the city and requiring all such wires to be placed underground.

Commencing at the northeast corner of Willow avenue and Seventh street, thence north along the east side of Seventh street to the southeast corner of Seventh and Mynter streets; thence east along the south side of Mynter street to its intersection with Bryant street; thence south along the west side of Bryant street to its intersection with Broadway street; thence east along the south side of Broadway street to its intersection with Glen avenue; thence south along the west side of Glen avenue to the intersection of Pierce street; thence in a westerly direction along the north line of Pierce street to its intersection with the west line of Bluff street; thence west along the north side of Willow avenue to its intersection with Seventh street.

December 1 of this year is named as the date by which the ordinance must be complied with. The ordinance also provides that for making the necessary connection to subscribers not more than one pole shall be erected or used in a block in the limits specified.

Heads of Independent Telephone. Alderman Boyer and Clark are said to have introduced an ordinance and it was introduced, it is understood, in view of the fact that a certain local capitalist is said to be engineering the organization of an independent telephone company. The ordinance passed to its second reading after some opposition from Alderman Lougee and was then laid over.

At the suggestion of City Solicitor Wadsworth a resolution was adopted certifying certain defects and informality alleged to have existed in the proceedings of the city council in ordering and letting the contract for the paving in the Fourth ward. This suit brought by certain property owners in the Fourth ward to restrain the city from assessing the cost of the paving against them is set for hearing April 7 in the district court and the city solicitor explained that the adoption of the resolution would eliminate all issues except that of alleged fraud in the awarding of the contract.

Elections Officially Declared. The announcement of the canvass of the vote cast at the election Monday was made and the usual resolution declaring the successful candidates elected adopted.

Attorney Paul Ayleworth presented a bill of \$150 for services alleged to have been rendered the city during the absence of the city solicitor last year, but no action was taken on it.

The council will meet tonight to audit bills for the election and clean up other matters before the regular meeting next Monday, when the new council will be inducted into office.

Bealey Secures Injunction. L. C. Bealey, the brick manufacturer whose refusal to pay a fine of \$50 assessed against him by the Bricklayers' union of this city for an alleged violation of its rules, led to a boycott being declared against him, secured yesterday from Judge Wheeler of the district court an order enjoining the union and its members from interfering with his business. The order also restrains the members of the union from attempting by threats or intimidation to prevent others from purchasing or using the brick manufactured by Bealey.

In his petition for a restraining order Bealey asserted that two contractors of this city since, after the action of the Bricklayers' union had refused to further purchase or lay brick manufactured by him as they feared the consequences to their business if they did so.

Plumbing and heating. Bixby & Son, St. Paul's Church Electric.

At the annual meeting of St. Paul's Episcopal church, members of the vestry were elected as follows: M. F. Rohrer, W. W. Bealey, A. D. Annis, Leonard Everett, H. A. Quinn, C. E. H. Campbell, J. T. Stewart, E. H. Merriam, I. M. Trezner, Thomas Bowman, W. L. Douglas, H. L. Binder, C. R. Tyler, V. E. Bender, E. H. Doolittle.

SENATE SUSTAINS CUMMINS

With Never a Word of Debate Unanimously Supports Governor.

MOLSBERRY MERGER BILL IS DEAD

Larrabee Springs a Surprise in the House by Securing Order for Publication of Assessment Records.

(From a Staff Correspondent.) DES MOINES, April 2.—(Special.)—The Molsberry bill, generally called the merger bill, is dead. The senate reached the consideration of the veto of Governor Cummins yesterday and without a word of discussion or debate voted unanimously to sustain the veto, there being thirty-six votes registered against the passage of the bill over the veto and not one for the passage of the bill. The unanimity with which the veto was sustained was taken to mean a part of move to improve the chances of the second Molsberry bill, but good judges now feel that it will be impossible to get this bill before the senate before the close.

While this was being done in the senate Representative Larrabee introduced into the house a surprise in the form of a bill providing that the records of the state executive council in the matter of the railway assessments shall be published in two Des Moines newspapers and be given the widest and complete publicity. He declared that the bill had been asked for by Governor Cummins and would meet with his approval. He asked for immediate consideration and moved the suspension of the rules, which was carried. The bill was then passed by a vote of 75 to 3 without reference to any committee. It was a clever piece of work and he had caught the opponents of railway legislation napping.

Osteopathy Measure. The senate spent a good deal of time on a bill to regulate the practice of osteopathy. It is a bill which was practically agreed upon by the doctors and provided for licensing the osteopaths as such on examination and a showing that they have attended a school a certain length of time. No new board is created, but the state board of medical examiners has charge of the matter. An objectionable feature, to some of the senators, was the fact that the bill provides that all who are in the practice at the time of the passage of the law, shall be given certificates without examination, and an effort was made to strike this out. The bill was finally passed in a form that will relieve the state medical board of much embarrassment.

A bill was passed which provides for a notice of levy of the tax in the mult law cases, to overcome an objection to the legality of the present mult law tax against saloon property. A bill was passed to require the officers of the Des Moines city water works to file with the secretary of the executive council so that when the assessment is made it can be certified to the counties without error. The bill to give mechanics liens on adjacent property where work is done along a sidewalk in any city, as a sidewalk laid, was beaten.

Larrabee Bill in Senate. The Larrabee bill was taken up in the senate as soon as it was received from the house and was passed by a vote of various members, so as to restore the entire railway assessment bill as it passed the senate before. In this condition the bill was left as unfinished business until tomorrow.

The house committee on school for the deaf recommended the passage of the bill to permit persons to go to the school in Council Bluffs until 25 years of age.

The house passed a resolution which had previously passed the senate distributing the handbooks which relate to the Iowa soldiers' monument. There are several hundred of them in the possession of the state and they are to be distributed among members proportionately.

State Insurance Department Defeated. The house considered a bill to establish a state department of insurance. There were several amendments to the bill, chief of which was to reduce the salary of the commissioner from \$2,500 a year to \$2,000 a year. The insurance department bill was defeated by a vote of 40 to 30.

The house passed the Hayward bill from the senate to correct an error in the statute in relation to the registration of voters who have moved from one ward to another in cities after having once registered.

The head bill to file their foreign corporations selling stock in Iowa or attempting to sell stock shall file their articles of incorporation and in effect become Iowa companies, was passed after considerable amending. A bill to give railroad companies the right to condemn for gravel pits and to secure right-of-way to such gravel pits was passed. The bill by Mr. Boyesen to raise the per capita allowance at the boys' industrial school at Eldora from \$9 to \$11 per month was passed. An effort was made without success to change the amount to \$10 a month. A bill was passed to give cities between 10,000 and 25,000 the right to have police stations if they so choose, was passed. The larger cities are now required to have matrons in connection with the police department. A bill to restrict telegraph and telephone companies to but one side of a highway was passed.

The bill to provide support for the woman's reformatory at Anamosa was brought up on reconsideration of the vote by which it was defeated some time ago. The amendment to locate it at Knoxville was taken out and the bill made a special order for Thursday morning.

Weather Reports. The weekly weather and crop reports of the Iowa weather service will begin the fifteenth of the month and already the crop reports are beginning to send in preliminary reports. The director of the station reports that the soil and general conditions in Iowa are excellent for a good season.

The Iowa weather during the month of March enabled the farmers to become well advanced with their work and they are ready for the season to begin in nearly all parts of the state. The ground is dry, but not so dry that the crops may be started off well as soon as the atmosphere becomes warmer. The winter wheat has not as yet been injured and the fruit is reported to be in excellent condition.

City Election Results. The complete returns from the city election in Des Moines indicate that the republican victory was larger than anticipated on the night of election and that the entire democratic ticket was elected by the republicans, something that has not happened before for many years. Brenton's actual majority was 825.

Found Dead in Her Bed. Mrs. William A. Youngerman of this city was found dead in her bedroom at noon today. Mrs. Youngerman was the wife of William A. Youngerman of Davenport, a well-known citizen of Des Moines. Dr. L. D. Hood was called and after an examination declared that she had met her death by heart failure. Coroner Beck also made an examination and expressed the

HORSEWHIPPED ON STREET

John Brady Publicly Flogged by Mrs. Peters, Whose Husband Stands by and Looks On.

WINFIELD, Ia., April 2.—(Special Telegram.)—Winfield was the scene of an exciting event this afternoon, when Mrs. Peters, a middle aged woman of this place, horsewhipped John Brady. She went to a harness shop, bought a whip and walked to a point in front of Stevenson's, where John Brady was, and began lashing him vigorously. The blows fell fast and were administered in large numbers. Mr. Peters, the husband of the woman, stood by to protect her. The cause of the chastisement is not known. Brady was formerly an inmate of the penitentiary from Louisa county. He lives near Morning Star. Mr. Peters made the remark while the flogging was being administered: "Brady knows very well what he is being whipped for."

OBSTACLE TO BANKERS UNION

Injunction Against Transfer of Headquarters by Ancient Order of Red Cross.

WAVERLY, Ia., April 2.—Judge Kelly today granted an injunction restraining the officers of the Ancient Order of the Red Cross, a fraternal insurance order, with headquarters in this city, from transferring their funds and property to the Bankers' union, a similar organization with headquarters at Omaha, Neb., which recently entered into an arrangement to absorb the Red Cross membership. The Ancient Order of the Red Cross was founded in 1888 by A. M. Potter and is said to have a membership of 60,000.

Delays Traffic Five Hours. PERRY, Ia., April 2.—(Special Telegram.)—A fast freight with meat and fruit got two cars of oranges and one car of meat off the track one mile east of Jamaica tonight, delaying traffic about five hours. Passenger train No. 4 was run from Herndon via Cline and Madrid to get around the wreck. No one was hurt.

Merties Discovers Rose's Thorn. LEMARS, Ia., April 2.—(Special Telegram.)—Jim Rose and Nic Merties quarreled in a saloon in Merrill this evening and Rose stabbed Merties in the left side with a pocketknife. Merties is said to be badly hurt.

OMAHAWA BOY JOINS NICHOLS

Weimer, Crack Southpaw Twirler, Says He'll with Western League Team to Stay.

KANSAS CITY, April 2.—(Special Telegram.)—All attention was turned to Weimer, the crack southpaw pitcher of the Western league last year, as to play this season, when he was reported to have joined the Omaha team in Peoria, Ill. It was reported to the Omaha team that Weimer had joined the Western league and was to play for them this season. Weimer, however, is in Peoria, Ill., and is reported to have joined the Western league and is to play for them this season. Weimer, however, is in Peoria, Ill., and is reported to have joined the Western league and is to play for them this season.

MANY DOCTORS GRADUATED

Seventy-Four Certificates Issued to Medics and Druggists by University of Iowa.

IOWA CITY, Ia., April 2.—Forty-seven doctors and twenty-seven registered pharmacists were graduated from the university of Iowa this evening at the thirtieth convocation. The convocation will be the last to be held in the spring to graduate doctors, all commencement exercises of the university being held hereafter in June. The pharmacy class of 1902 holds the record of the university, not a member flunked.

The commencement exercises are the thirty-second of the college of medicine, the twenty-fifth of the college of homeopathic medicine and the sixteenth of the college of pharmacy. The exercises will begin with the singing of Mendelssohn's "Lord, Thou Alone Art God," the university chorus The Rev. C. P. Leach of Bloomington, Ill., as chaplain of the day, will offer prayer and read the scripture lesson, after which the address of the evening will be delivered by Dr. S. B. McCormick of Cedar Rapids, president of the college. President George E. MacLean confers degrees upon the following:

Doctors of Medicine—H. Albert, Reinbeck; H. N. Anderson, Scranton; T. H. Baer, Ottumwa; W. B. Baber, Des Moines; J. Christianson, Garwin; Alvan May Clarke, McGregor; John Connor, Des Moines; W. E. Day, Dumont; R. H. Dean, Muscatine; M. E. Dingman, Urbana; A. P. Donahue, Iowa City; W. H. Eaton, Iowa City; B. P. Ecker, Rippey; G. C. Fritschel, Waverly; D. E. Graham, Knoxville; J. P. Gray, Albia; C. B. Greaser, Five Forks; F. P. Gunder, Davenport; G. F. Harkness, Iowa City; W. Heinlein, Iowa Falls; E. Y. Hibbs, Elk City; A. W. Lindwick, Hartcourt; F. J. McAllister, Tipton; G. March, Iowa City; B. L. Meigs, Malvern; E. Gervin, Thebes; L. R. Pheasant, Osceola, Neb.; L. Reed, Junctionon; A. H. Schuler, Muscatine; W. E. Speers, Vinton; C. J. Stanley, Whittier; T. Starbuck, Elyria; D. C. Steinhilber, Conrad; J. H. Tamise, Missouri Valley; J. L. Taylor, Dover, Ill.; W. C. Tilden, Iowa City; W. H. White, Iowa City; W. Russell; H. Wiedow, Iowa City.

Doctors of Homeopathic Medicine—G. H. Alden, Des Moines; A. B. Clapp, Des Moines; C. H. Cogswell, Jr., Cedar Rapids; A. C. Crew, Burlington; Marshall, Marshalltown; G. T. McDowell, Woonsocket, S. D.; C. V. Page, Iowa City.

Graduates in Pharmacy—E. E. Barkdull, Vinton; H. B. Blowers, Waterloo; O. J. Bruhn, Hamilton; E. C. Cloy, Carson; L. A. Crooks, Burlington; T. E. Gorman, Burlington; H. H. Ford, Ottumwa; J. A. CHANGE OF LIFE.

Some Sensible Advice to Women by Mrs. E. Sailer.

"DEAR MRS. PINKHAM:—When I passed through what is known as change of life, I had two years' suffering,—sudden heat, and as quick chills would pass over me; my appetite was variable and I never could tell for

MRS. E. SAILER, President German Relief Association, Los Angeles, Cal.

a day at a time how I would feel the next day. Five bottles of Lydia E. Pinkham's Vegetable Compound changed all that, my days became days of health, and I have enjoyed every day since—now six years.

"We have used considerable of your Vegetable Compound in our charitable work, as we find that to restore a poor mother to health so she can support herself and those dependent upon her, is such a noble and true charity that to give other aid. You have my hearty endorsement, for you have proven yourself a true friend to suffering women."—Mrs. E. Sailer, 750 1/2 Hill St., Los Angeles, Cal.—\$5000 forfit if above testimonial is not genuine.

No other person can give such helpful advice to women who are sick as can Mrs. Pinkham, for no other has had such great experience—her address is Lynn, Mass., and her advice free—if you are sick write her—you are foolish if you don't.

FASHION IN HAIR

Give a woman a beautiful head of hair, and half the battle of beauty is won. There is nothing more beautiful than hair that is naturally wavy and soft. The hair of a woman is the crown of her beauty, and it is the hair that makes a woman what she is. The hair of a woman is the crown of her beauty, and it is the hair that makes a woman what she is.

Imperial Hair Regenerator

The Standard Hair Coloring for Gray or Branded Hair. Makes the hair soft and glossy. Sample of your hair color free. The hair of a woman is the crown of her beauty, and it is the hair that makes a woman what she is.

THE ONLY ONE

Only one can be best and the only one is

Hunter Baltimore Rye

It is the Standard in Quality.

The best Whiskey in America because it is uniformly pure, old, mellow.

Strong Nerves

are the true source of good, healthy appearance.

Sexine Pills

produce a healthful glow which art cannot imitate. They invigorate every organ, put new force to the nerves, elasticity to the step and round out the face and form to lines of health and beauty.

GARDEN PRIZES

For the purpose of helping to make Council Bluffs a good and pleasant place to live in we have decided to offer the following prizes:

To the girls or boys who show the prettiest and best kept yards or gardens anywhere in the city during this year—\$20 for the prettiest front yard, \$20 for the prettiest back yard, \$10 each for the three next prettiest front or back yards or gardens.

Prizes to be awarded at end of season by a committee of five, who will visit the yards from time to time. Parents may assist in care of yards, but prizes go to the children.

If your yard is small, no matter; you can make it pretty and are as likely to get a prize as though it were larger.

If you wish to try come in and register your name and address.

This offer is good only in case there shall be 35 competitors for the prizes.

DOLE GOES TO WASHINGTON

Governor of Hawaii Lands in San Francisco Enroute to Confer with President.

SAN FRANCISCO, April 2.—Governor S. B. Dole of Hawaii arrived here tonight on the steamer Sierra en route to Washington to discuss with President Roosevelt Hawaiian affairs.

Concerning the governor's visit to Washington the anti-missionary or anti-Dole element of Honolulu contend that Governor Dole goes to Washington on the defensive, and that his visit will result in the appointment of a successor. The governor's supporters, on the other hand, express much satisfaction that he is going to see the president and say that his conference will clear away any danger of any act adverse to Dole's policy.

English Champion Wins. PHILADELPHIA, April 2.—"Philadelphia Jack" O'Brien had decided the better of the six-round fight with Charlie McKeever of San Francisco last night at the Athletic club. Although the men fought hard and fast they were cautious, especially O'Brien, who was nearly put out by McKeever a couple of weeks ago. The first round was a draw, but on the second O'Brien was in the lead and he held it until the sixth O'Brien was his opponent's master. The champion used the same tactics as McKeever's short ribs with great effect and kept continually jabbing him in that region. McKeever was very tired at the end of the bout.
