While every cent of the money due the city is on deposit in the three national. banks of South Omaha, there is liable to be some delay about the transfer of the Treasurer Koutsky will be ready Tuesday forenoon to turn over the money and the office to his successor, but right here the question of a bond comes up.

The charter under which the city is working now provides that the city treasurer shall furnish a bond in a surety company in the sum of \$100,000. It also prowides that the city council shall designate a bank as the depository of the city funds and requires this bank to furnish a certain amount of bond. Under the old charter the treasurer furnished a personal bond and as the council declined to carry out the edict of the legislature in the matter of designating a city depository, the personal bond of Koutsky, which was furnished when he entered upon his duties, was considered all right. When the city asked for bids for balances on daily dethe banks refused to comply and the resuit was that the surety companies in which Treasurer Routsky had arranged for Saturday at the latest. his bond declined to proceed with the bond until the city had complied with the law. ## Gets Decision Over Chicago Lad at End of Ten-Round Bout.

KANSAS CITY, April 4.-Tommy Ryan KANSAS CITY, April 4.—Tommy Ryan got the decision over Billy Stifft of Chlcage at the end of a ten-round bout in Turner hall tonight. Stifft was much out-classed. Ryan was the aggressor throughout and he landed upon the Chicago man at will. The first three rounds were tame, Ryan adopting his usual tactics of feeling his man in the early rounds. Stifft was much the heavier and Ryan was unable to get in a blow with sufficient steam to knock out his opponent or even to knock him down. Stiffts tactics indicate that he was merely trying to stay the ten rounds. him down. Stifft's tactics indicate that he was merely trying to stay the ten rounds. He clinched repeatedly and in the last round hung onto Ryan to consume time. In the fourth round Ryan landed some stiff body blows that distressed Stifft and it then looked as though the latter could not last to the end of the contest. But the Chicago man came up fresh for the next round and made his best showing in the fifth and sixth rounds. He landed a hard right on the jaw and followed it up with a left to the body in the fifth. In the sixth round he gave Ryan three hard ones in the face and neck. Ryan tried hard to knock his man out in the last two rounds. He made a hurricane fight of it and landed a dozen hard blows on the body and in the face, but none of them had the effect he desired.

MEMPHIS, April 4.-Six well contested races were decided at Montgomery park today on a muddy track and in the rain. A fair-sized crowd, however, braved the elements and kept the bookmakers busy. The Montgomery handicap consolation purse, at one mile, proved to be the best race of the meeting. Vulcain, from the Hildreth stable, was always favorite, with Waxtaper second choice. Nobleman was held at 4, while Nitrate was at long odds. To a perfect start Nobleman jumped to the front and closely followed by Vulcain made the running to the last sixteenth pole. At this juncture Vulcain challenged the leader and in a whipping finish Nobleman won by the smallest of margins. J. J. Marklin of Cincinnati won with both Ecome and Tom Cogan and the ring suffered heavily. The mud suited both the horses and they won in a common gailop.

In the steeplechase, over the short course, every horse took the jump in fine fashion. Helen Paxton, the favorite, winning by a length from McLaren, second choice. Eight Derby candidates faced the starter in the third race at five furiongs. Bennett's Ed Austin was always favorite at odds on. He managed to last long enough to win by the shortest head from Hainault. Results:

# PLAYS IN ITS OWN BACK YARD

Creighton University Arranges for Athletic Field Large Enough for All Requirements.

It was decided yesterday by athletic authorities at Creighton university to make immediate material improvements in the condition of the athletic field there. At an expense of \$1.000 some \$6.000 cubic vards of earth will be cut out of the knoll that now encroaches on the east side, and this will give so much more room that nothing more can be asked in the way of territory for any sport. For foot ball the field, as improved last year, was amply large, but the base ball men find their rightfield pinched somewhat, and the cutting out of this hilling will give full play for the foul line all the way back. The work will be completed by April 15. Creighton will thus have its own base ball field for all games and need not depend on vacant dates at Vinton Street park.
