THE GREATEST VARIETY OF FINE WASH DRESS GOODS IN OMAHA

We wish to emphasize the fact of our having the greatest Wash Goods stock in Omaha. First: Because, it naturally follows that where the greatest variety is shown that the greatest number of people will buy their goods. Second: That it is perfectly natural that we, having such an enormous quantity of every make style and finish of the BEST WASH FABRICS for the coming season, should have every trade advantage in buying such quantities, and enabled to sell CONSIDERABLY CHEAPER than

other stores, when their outlet is so much smaller than ours. Third: Because, there is not a store in America where better styles, choicer fabrics and more real up-to-date ideas are shown and

where the assortment is so large, whether you desire to pay 5c or \$2.00 per yard. We ask every lady in Omaha to examine our line of wash goods to verify the above statements before making
