#### Don't Deny Fight on American.

Two or three of the magnates were asked concerning the reported \$100,000 fund that had been raised for the purpose of fighting the American league. While they would not admit that this was the amount of the fund, they would not deny that such a fund had been raised, or rather pledged. It was said yesterday that Horace Fogel the manager of the New York team, was on a trip with a view of seeing La Jole, the great second baseman of the Philadelphia American league. The magnates, with the exception of Robison and Dreyfuss, have left for home. They are all delighted with the manner in which the peace conference ended.

### LAJOIE SPURNS BIG OFFER Flatly Refuses to Desert Philadelphia

for Any National League Proposition.

PHILADELPHIA, April 5 .- LaJoie, the PHILADELPHIA, April 5.—LaJoie, the celebrated second baseman of the Philadelphia American League club, today refused an offer of a salary of \$7,000 a year for three years made him by an agent of the New York National League club.

In pursuance of the decision of the National league at its meeting in New York yesterday to make a raid on the American league and induce its star players to desert that organization an agent of the New York club came here and made this offer to entertain any proposition from the National league.

to entertain any proposition from the National league.

To a reporter today LaJole said:

"I have received nothing but the best treatment possible from President Shib and Manager Mack. I am under contract to the Philadelphia American League club for two years longer. I have no intention of repudiating that contract, and all the offers of the National league will not induce me to desert the American league. I am satisfied with the treatment I have received from Manager Mack and intend to show my appreciation of it by remaining loyal to him.

Manager Connie Mack said today that he knew nothing, personally, of the attempt on the part of the National league managers to induce his players to desert. He said he had had the assurance of every member of his team that they would live up to the terms of their contracts.

CHICAGO, April 5.—Joe Walcott, the weiterweight champion, and Fred Russell of Minnesota went six rounds to a draw here tonight. Russell, who is a heavy weight, and a big one at that, was unable to do anything with Walcott and it certainly appeared that the latter was entitled to the verdict, having forced the fighting throughout.

When the men shaped up for action there was such a difference in their sizes that the shaft looked ridiculous, Walcott's head just about reaching Russell's waist line. The men had fought but a minute when it was plainly evident that the little negro was perfectly able to cope with his big opponent and rather enjoyed holding up Russell's 255 pounds when they clinched Before the round ended Walcott dropped Russell with a right to the jaw. In order to land the blow Walcott had to jump off his feet fully six inches. Russell took a count of nine and rose to his feet groggy, Walcott worked like a beaver to finish the fight, but the beli gave Russell a much needed rest and he was in fair shape at the beginning of the next round. He appeared limid during the next four rounds and kept well covered, but mangaged to lund several hard swings on Walcott fried for a knockout several limes, but missed by a narrow margin. In the last round Walcott reached Russell's stomach with a number of hard swings and had the big fellow so weak that, although weighing nearly 100 pounds leas, he was able to push Russell all over the ring when they came to a clinch.

THE ABBOT AND LORD DERBY Celebrated Steeds to Race for a Te-Thousand Dollar

NEW YORK, April 5.—A contract was signed by former Fire Commissioner John F. Scannel and E. E. Smathers today and by William A. Engeman, treasurer of the National Trotting association, by which the association gives a purse of \$19,600 for a race, best three in five heats, at Brighton Beach, between Scannel's The Abbot and Smathers Lord Derby. The race will be trotted during the grand circuit week, August II to 16. The Abbot has a record of 2:064, and Lord Derby a record of 2:064, and Lord Derby, Mr. Scannel, it is said, would have bet even money, but did not care to give odds.

The race will be trotted under the Ngitional Trotting association rules, with the specification that distancing is to be waived. This means that should one horse break and be distanced he still has a chance in the race. The Abbot broke in the second heat with Cresceus last year and was declared out of it. By the terms of the race \$1,000 goes to the winning horse and \$3,000 to the loser. Another stipulation is that both horses shall be in first-class condition. Otherwise either owner may refuse to start his horse.

The meeting, although to be the first between the horses, will not be the last, as both have a contract to race with Bormola. Races for purses of \$20,000 each are to be raced for by the three horses, but The Abbot-Lord Perby race is to take place first. NEW YORK, April 5 .- A contract was

oaxing an Appetite At this season of the year when Nature is making a supreme effort to purge the system of the impurities and poisons that have collected during the winter months a vigorous and healthy appetite is needed to sustain the body while this purifying process is going on, but this much desired helpmate is sometimes lacking, for even the best regulated appe-

tite is apt to go wrong now and become unreliable and fickle, and has to be humored and coaxed to bring it back to that condition where all food is relished and eating becomes a pleasure. A hungry appetite does not have to be feasted and feted, nor tempted with dainty viands and delicacies. The plainest fare will satisfy its cravings, while a sickly and defective appetite will turn with loathing and disgust from the most sumptuous banquet.

Various methods are adopted to coax back the lost appetite. The Liver is prodded with pills and the Stomach

drenched with cheap tonics and bitters, but these only produce a morbid or variable appetite; ravenous one day and sickening at the bare thought of food the next.

### Chief Justice of the Supreme Court of Georgia.

The members of the Swift Specific Company have been known to me personally for twentyfive years, all being prominent citizens of our state, of the highest business and social standing.

Having used S. S. S. with most beneficial results, I unhesitatingly recommend it to all needing a blood purifier and tonic.

T. J. SIMMONS, Atlanta, Ga.

S. S. S. is the ideal Spring Tonic and coaxes an appetite when nothing else can. It is not only a perfect appetizer and exhilarating tonic, but contains also the properties needful for the purification of the blood, and giving that richness and tone, without which perfect digestion and assimilation of food is impossible, and the result is dyspepsia with all its distressing symptoms, capricious appetite, inflammation, fullness and heaviness in stomach, nausea, dizziness, and worst of all insomnia and nervousness.

S. S. S. in thus purifying and invigorating the blood renders the greatest assistance to Nature, for with healthy, nutritious | blood circulating through the system it is fully prepared for the changes which take place during the Spring. If

there are any defects or weak spots in the constitution they are apt to develop as warm weather comes on, and diseases that have lain dormant all Winter come to the surface. To prevent this S. S. S. should be begun at once, so that the germs and seeds of disease may be destroyed, and the poisons and acids in the blood antidoted and neutralized while in a torpid or inactive

state, then with strong, healthy blood and a free and active circulation the machinery of life moves on with vigor and regularity, and not only a good appetite is assured, but sound digestion and refreshing sleep. S. S. S. is the best remedy for that "fagged out and semi-invalid condition" so common at this season of the year, and the benefits derived from its use are real and permanent. In S. S. S. Nature has provided the best blood purifier and safest tonic. It contains no minerals whatever, but is guaranteed

purely vegetable. Write our physicians for any information or medical advice wanted; this will cost you nothing. Book on blood and skin diseases mailed free. THE SWIFT SPECIFIC CO., Atlanta, Ga.
