Cured by the Great Kidney Remedy, Swamp-Root

DR. KILMER & CO., Binghamton, N. Y.: About two years ago I had a very severe case of kidney and biadder trouble. The pain in the small of my back was so severe that I could not stand it to stay in one position more than a moment or two, and was obliged to pass water very often day and night. I tried medicines and doctors without getting relief. Noticing an advertisement in the Topeka State Journal of Swamp-Root, I determined to give it a trial and bought a bottle. By the time I had finished the first bottle the pain had entirely disappeared from my back. The pain and frequent desire to pass water ceased. However, I continued to take the medicine, using about six bottles in all. That was over a year ago and I have had no return of the trouble since.
