ball club, from playing with any other than the National league, was today made permanent. Permanent Injunctions were also issued against Pitchers Fraser and Bernbard, formerly of the Philadelphia National league club, who are at present playing with the local American league team.

In the original suit against the three players the court of common pleas decided that the contracts were unjust and declined to issue a restraining order. The officials of the National League club appealed to the supreme court, which reversed the decision of the lower court. A temporary injunction was granted last and today's proceedings were the result of an effort to dissolve the injunction.

The court decided in the matter of Lajoie that there were no new points to be argued and that as the supreme court had expressly declared Lajole's contract to be valid a permanent injunction must be is-Counsel for the American League club argued that the constitution of the National league was in violation of the Shorman anti-trust law, as it retained a player's services for all time, but the court not agree with that view.

President Ban Johnson of the American league and other witnesses were called to prove that neither Bernhard or Frager were players of exceptional ability, but the court decided that the decision of the supreme court applied to them and accordissued the permanent restraining

Delay in Execution

Although today's decision of the court practically makes the injunction against the players permanent technically, the restraining order will not be made permanent until the National league amends the bill of complaint to cover the season of 1902. The original bill on which the decision was rendered covered only last year.

President Bap Johnson, before leaving for west tonight issued a call for a special meeting of the American league to be held in Cleveland on Wednesday. A full attendance is expected and the whole situation will be gone over and a line of campalgn mapped out. Mr. Johnson would not divulge his plans.

The owners of the Philadelphia American league plub, President Johnson and the three American league attorneys held a conference this afternoon. When they separated Benjamin Shibe, president of the American local club, said:

"The decirion of the judges was a great surprise to us. We shall carry the case to the supreme court and feel certain that the ower court will be reversed. Our attorneys will at once take the necessary steps for an appent."

Manager Mack said that while the loss of Lajoie, Bernhard and Fraser would be a big handlcap, he believed that he could get along without them until the supreme court decides on the case.

and shall apply for injunctions against them. In view of today's decision I am more than satisfied that the injunction will be granted."

Manager Mack and Pitchers Bernhard and Fraser left tonight for Washington, where the team is playing. Lajoie remained here. He declares that he will never return to the local National League club.

EFFECT OF LAJOIE CASE

Decision Will Hold Good and Be Er forced in Pittsburg and Philadelphia.

CHICAGO, April 29 .- President Hart of the Chicago National League club, and a member of the league's governing triumvirate, said today of the Pennsylvania decision in the Lajoie case: The injunction

The injunction cannot be circumvented, alk of carrying the case to the United ates supreme court is ridiculous, as the ennsylvania supreme court is the court last resort in that state. Speaking of the Missouri cases, President Hart said:

The National league is indifferent to an adverse decision in that state. Losing in any other state we can simply go to Pennsylvania and secure injunctions which will prevent players of any club playing in Pennsylvania, and Philadelphia and Pittsburg, two important ball cities, are in that state. You may be prepared to see a long list of injunctions. It may be the players we go after will not strengthen our teams much, but the action will have a good effect on the future crop of players. Some of the men who have jumped we don't care about, but such men as Daly and Jones of the White Stockings will be enjoined. I believe.

Mr. Hart stated that the contract to which the Pennsylvania decision holds the players was drawn by the attorney for the Players' Protective association.

CREIGHTON BEATS WASHBURN

Splendid Game of Ball Between Col legians Won by the Omaha Luds.

The 400 spectators who waved their colors

and rooted on Creighton field Monday and rooted on Creighton field Monday witnessed a snappy, clean-cut game of base ball, in which Creighton defeated Washburn eoliege by a score of 6 to 2. The Kansans are just completing a long northern tour through Missouri, lowa, Wisconsin, Minnesots and Dakots, and out of fourteen games played have lost but three, one to Missouri, one to Highland Park and yesterday to Creighton. From the first it was a clean, hard-fought contest. For five inhings the score remained 2 to 1 in favor of Washburn, and the Creighton rooters began to grow fearful. Then the Varsity men dabbed on their war paint and began in earnest. A combination of beautiful sacrifices, clever base stealing, scientific coaching and hard hitting and Creighton came out of the sixth inning two runs to the good. In the eighth inning beautiful sacrifices, clever base stealing, scientific coaching and hard hitting and Creighton came out of the sixth inning two runs to the good. In the eighth inning two runs to the good. In the eighth inning two more runs were scored and all the while, try as they would, the Topeka men could not gain another run and the game ended 6 to 2 in favor of Creighton. The acknowledged star of the day was Harry Weich, Creighton's former captain and star pitcher. Never before had a playet pitched such bail on Creighton field. Terrific speed, combined with almost perfect control, made even the veterans from Washburn, who had hit with case such pitchers as Ellis and Thompson of Des Moines, bite the dust. In batting he also excelled, with two two-baggers and a single. In a lesser degree his opponent, Doane, shared the pitching herers. Excellent curves, cool-headedness and centrol enabled him to give a fine exhibition of pitching.

Third Baseman Creighton, guilty of the only errors on the Creighton side, redeemed himself by hitting out a beautiful two-sacker, which scored two runs. Bucklin, Lynch, Stone and Dineen gave Welch excellent support, in fact, the whole Creighton team supported their pitcher in grand style, as also did the Kansas lads. In every respect the game was a creditable one. Washburn left for Lincoln last night, where it plays Nebraska tomorrow, and Creighton prepares for its game with the famous Nebraska Indian aggregation at Vinton park next Saturday. Score:

to Chicago.

KANSAS CITY, April 29 .- Wichita, Kan. through its Chamber of Commerce has presented a petition to the Interstate Commerce commission complaining against the railroads for alleged discrimination in

freight rates. The railroads are charged with discriminating in grain rates in favor of Kansas City. The main point in the contention is that while Wichita is much nearer the ports on the Gulf of Mexico the same rates on grain is charged as over the longer haul from Kansas City to the same points. A hearing of the Interstate Commerce commission to investigate the charges will be held in Wichith before June 15.

The roads against which the complaint is directed are the Atchison, Topeka & Santa Fe. the Gulf, Colorado & Santa Fe, the Chicago, Rock Island & Pacific, the Chicago, Rock Island & Texas, the Houston & Central Texas, the Texas & Pacific, the Missouri Pacific, the 'Frisco system, the Texas Midland, the Illinois Central, the Galveston, Houston & Henderson and the International & Great Northern.

Company's Projected Plant by One at Chleago.

omorrow say:

An exact duplicate of the works to be built at Economy, to be built by the American Bridge company, will be erected at Chicago at a cost of between \$2,500,000 and \$3,000,000. This decision was recently reached by the directors of the United States Steel corporation and will be one of the results of the pending bond issue of \$50,000,000. The Chicago plant will be used to concentrate the work of the western district. The Toledo plant alone will remain in operation. It will be operated in connection with the Pittsburg and Chicago plants.

It is the intention of the American company to start the construction of the plant some time this summer. This plant will have an annual capacity of from 100,000 to 200,000 tons and will give employment to about five thousand men. The Chicago plant will be about one mile long and will be so arranged that material can be handled quickly and cheaply without hand labor.

It is the intention to concentrate the Lassig and American plants of Chicago, the Milwaukee works and the Lafayette works in the new plant to be built near the Michigan front. The scheme of concentrating the bridge plants is to secure greater economies in manufacture. It is the plan of President Schwab of the United States Steel corporation.

Attorney and Detective Declare Woman in Custody Wife of the Sausage Maker.

CHICAGO, April 29 .- Mrs. Mary Robbins who is believed by some to be Mrs. Adolph Leutgert, the supposed murdered wife of the sausage maker, was taken into custody tonight by Detective Blais because of the strong suspicion that attaches to her Mrs. Robbins had intended leaving the Alma Mott home, 589 Austin avenue, to which she was taken about six weeks ago, but the chain of circumstantial evidence seemed so strong to Attorney Lawrence Harmon, who defended Leutgert, and to a number of persons interested that a hurried conference was held and it was decided to hold the woman until further nvestigation can be made.

The woman told apparently conflicting stories, but insisted that she is not Mrs. Luetgert. Mr. Harmon asserts that he is more than ever convinced that she is Mrs. Luetgert and Detective Blats declared she s the widow of the sausage maker.

FIGHT ON THE CONSTITUTION

Negroes in Alabama institute Test Proceedings on the Suffrage Question.

MONTGOMERY, Ala., April 29.-The first step was taken today by the negroes of Alabama toward testing the new constitution of the state, when Nelson Bibb, an aged negro, made affidavit before a notary that he had been denied the right to regis ter, although alleging that he had com plied with all the qualifications exacted by the constitution.

It is said this affidavit will be used by Wilford H. Smith, a negro lawyer from New York, who is here, in filing a bill in the United States district court, declaring that the constitution of Alabama is contrary to the federal constitution. If he is unsuccessful in the lower court the case will be appealed to the United States supreme court.
