ALL BUT ONE PROTESTING

Bridge and Terminal Company Wants State Board to Fix Its Valuation.

CONVENTION OF STATE EDITORS MEETS

C. J. Smyth Announces that He is a Candidate for the Fusion Nomination for Governor.

(From a Staff Correspondent.) LINCOLN, May 6.—(Special.)—The State Board of Equalization listened today to further arguments against the increasing of the valuation of the railroad property for purposes of taxation, but adjourned without taking any action until tomorrow afternoon. Those who appeared before the board were: Tax Commissioner Cranton of the Northwesters, Chicago; Peter Whitney, Elkhorn, Omaha; General Manager Bidwell, Elkhorn, Omaha, and Secretary Daniels of the Omaha Bridge and Terminal company. Mr. Daniels contended that the State Board of Equalization has authority to fix the valuation or assessment of the Bridge and Terminal company property, notwithstanding that it all lies within the county of Douglas. The other railroad representatives confined their arguments to the single proposition of raising the valuation, all insisting that their property is already assessed at a higher rate than many other kinds of property.

A member of the board said this afternoon that the work of fixing the valuation would probably be completed some time next week. Each member declines to say whether or not the franchise capital stock, profits or earnings of the railroad companies will be taken into consideration in determining the valuation.

State Editorial Association.

All officers of the executive department of the state government open for the transaction of public business at 9 p. m., with state officials and clerks at their desks, was a feature incident to the opening of the thirteenth annual convention of the Nebraska Press association in Omaha today. This afternoon the word was passed around that all officials and clerks be in their places at 9 in the evening as a compliment to the visiting editors and nearly all of them willingly did as requested. This feature was planned by the State Board of Public Lands and buildings as a prelude to the annual convention of the association held in the house of representatives hall.

The first session of the convention was held this afternoon in the senate chamber, beginning at 1:30. President Will Maupin, with a few words, called the newspaper men to order, after which the Divine blessing was invoked by Rev. H. O. Reynolds of this city. The program included the usual opening formalities, with an address of welcome by the president on a paper on "Advertising" by L. A. Williams of Blair. At 5 o'clock the meeting adjourned and all went to the state farm, where luncheon was served and a short program rendered. To-night the association assembled for a round table, which was conducted by Edgar Howard, and at its conclusion the various state offices were opened and the editors invited to visit them.

Smyth a Candidate.

While in Lincoln today C. J. Smyth made the statement that he was a candidate for the fusion nomination for governor. He said: "I shall make an active canvass for the nomination and will remain in the fight so long as there is a possibility for success." Governor Savage has appointed the following additional delegates to the national convention on charities and corrections in Detroit, May 25: Robert M. Moore, Bay and Main streets last night and made way with about \$50 worth of revolvers, cutlery and goods of that character. The robbers gained an entrance through a back window which was pried open. The thieves left no clue to their identity unless it was a broken-hand pocketknife which was found on the window sill.

EASTERN STAR WOMEN GATHER

State Lodge Convenes at Grand Island with Large Number in Attendance.

GRAND ISLAND, Neb., May 6.—(Special Telegram.)—A session of the Eastern Star Order was called this afternoon at 2:30 by Grand Matron Mrs. Matthews of Fremont, with a large number of delegates present. The Order of the Eastern Star now has a membership of nearly 7,000 in this state, with approximately 150 lodges. Of these all but a few were represented and evening trains swelled the number of delegates to over 300.

FOURTH DISTRICT CONVENTION

Republicans Decide to Meet at Beatrice June 10 to Nominate a Congressman.

LINCOLN, May 6.—(Special Telegram.)—The republican central committee for the Fourth congressional district met tonight and by unanimous vote decided to have the district nominating convention held in Beatrice on June 10. The meeting brought out nearly a full attendance of committee members as well as several of the candidates for the congressional nomination, among them being E. H. Hinshaw, J. D. Pope, C. W. Sloan, Peter Youngers and E. J. Halner.

Falls City Officials Named.

FALLS CITY, Neb., May 6.—(Special.)—The city council met in regular session Monday evening. The mayor made the following appointments: Chief of police, J. M. Dewald; water commissioner, A. D. Humbarger; city attorney, J. E. Leyda; street commissioner, Oscar Maddox; engineer water works, H. C. Lapp.

Dodge Favors Holbrook.

FREMONT, Neb., May 6.—(Special.)—The Dodge county republican convention for the selection of delegates to the state and congressional conventions and the nomination of a county ticket will be held June 7. The nomination for county attorney is conceded to R. J. Stinson, provided his health is such that he will accept the place. For representatives, B. W. Reynolds of this city is considered a strong candidate. He has not been a partisan of either political faction and is favorably known throughout the county. John Ross of Pleasant Valley and numerous other persons have also been mentioned. The delegation to the state convention will favor the nomination of Hon. W. D. Holbrook of Everett for lieutenant governor.

Saloon Keepers Dismissed.

BEATRICE, Neb., May 6.—(Special Telegram.)—The case against Joe Johnson and Martin Shindowski, two saloon men here, who were arrested last week on a complaint sworn out by J. W. Grimes charging them with selling liquor without a license was called in county court this afternoon and dismissed for want of prosecution.

District Court at Fremont.

FREMONT, Neb., May 6.—(Special.)—The May term of the district court convened yesterday with Judge Grimson on the bench. The docket is smaller than at any term for the last fifteen years. Eight civil and one criminal case are set for trial. The session will last about two weeks.

Wilkins Wins York Contest.

YORK, Neb., May 6.—(Special.)—Superintendent of City Schools Atkinson has received the markings of the judges in the recent district declamatory contest held here. All three judges agreed to give first place in the oratorical class to Clifford Wilkins of York, whose markings were 90, 91 and 95, and second place to Brooks Potter of Seward, who was given 84, 87 and 85. The state contest will be held May 23.

FALL OF RAIN CONTINUES

Visits Drouth-Stricken Sections in Nebraska, Doing Inestimable Amount of Good.

GENEVA, Neb., May 6.—(Special.)—Sun-

day's rain, measuring 60 of an inch, did much good to crops in this vicinity. WEST POINT, Neb., May 6.—(Special.)—Cuming county escaped the general rains that have been falling the last few days until last night, when heavy showers fell, completely soaking the earth. The very cool weather of today is highly beneficial to all grain crops. The ground is in the condition for corn planting which has already been commenced. The prospect for fruit is not very promising, the buds in many cases having been frost bitten and in others the trees are winter killed, notably the peach trees.

FAIRFIELD, Neb., May 6.—(Special.)—An all-day rain here today in addition to that of yesterday has thoroughly soaked the ground even to the subsoil. Conservative estimates are now that Clay county will, with favorable weather, raise from one-half to two-thirds of a full wheat crop on about one million acres. Alfalfa will make a good stand on a largely increased acreage. Prospects for fruit of all kinds, except possibly peaches, are considered first class. Last year Clay county raised 2,250,000 bushels of wheat.

SUPERIOR, Neb., May 6.—(Special.)—Good rains fell here Sunday and Monday and materially helped the condition of the fall wheat, which was suffering from the protracted drouth. Well informed grain men say that the prospect is for two-fifths of a wheat crop should conditions continue favorable. The acreage is much larger than usual.

BEEMER, Neb., May 6.—(Special.)—The best rain of the spring visited this section yesterday. It came down steady and thoroughly soaked the ground. Everything looks refreshed.

WYBEE, Neb., May 6.—(Special.)—After a fall of forty degrees in the temperature here within two hours on Saturday the mercury gradually rose until Monday morning when a gentle rain began to fall and continued all day. Very little wind accompanied the rain and an estimable amount of good was done. Wheat, oats and flax are growing rapidly and farmers are plowing for corn.

ST. PAUL, Neb., May 6.—(Special.)—The rain yesterday and today amounted to 1.22 inches and effectually relieves the fears of drouth for the present.

HARVARD, Neb., May 6.—(Special.)—On Saturday morning a rainfall of Sunday and Monday to be 1.48 inches. Today is cool with a light wind.

FREMONT, Neb., May 6.—(Special.)—About an inch of rain fell here yesterday, livening up vegetation of all kinds and doing a great amount of good. The wind last week and the week before have had havoc with the fields of grain which had just been sown and it is coming up in irregular patches. A few fields will probably be plowed. The acreage of beets in this vicinity will exceed that of last year though far below that raised in previous years. About Ames and Leavitt more beets are being put in than last year.

NORTH LOUP, Neb., May 6.—(Special.)—Three-fourths of an inch of rain fell here yesterday, extending over a large scope of territory. Crops are looking fine.

CEADAR RAPIDS, Neb., May 6.—(Special.)—Rain here Sunday and today put crops in much better condition. Corn planting under way and alfalfa promises a large yield.

LINWOOD, Neb., May 6.—(Special.)—It began to rain about noon Sunday and continued until 6 o'clock. It rained nearly all day Monday. The ground is soaked to the depth of about eight inches.

LEIGH, Neb., May 6.—(Special.)—Fully an inch of rain fell here yesterday. It began to rain at 1:30 p. m. and continued until 6 o'clock. The weather is still cloudy, and indications are that there will be more rain. Small grain is looking good.

NEBRASKA CITY, May 6.—(Special Telegram.)—Burglars entered the hardware store of William Bischoff on Seventh and Main streets last night and made way with about \$50 worth of revolvers, cutlery and goods of that character. The robbers gained an entrance through a back window which was pried open. The thieves left no clue to their identity unless it was a broken-hand pocketknife which was found on the window sill.

DOG FINDS HUMAN BODY

Carries Portion of Corpse Through Ceresco and Parties Are Searching for What Remains.

CERESCO, Neb., May 6.—(Special Telegram.)—This afternoon a dog was seen coming through town with part of a human body. The supposition is that someone has met with foul play and the dog has dug up the body, which has been hidden. Searching parties have been organized and a thorough investigation will be made.

Wesleyan Instructor Resigns.

UNIVERSITY PLACE, Neb., May 6.—(Special.)—Dr. W. T. Cline has resigned from the department of history of the Nebraska Wesleyan university. Dr. Cline has been at the head of the department of history for the last four years and during most of that time has had charge of the work in sociology and economics.

Teachers for Battle Creek Named.

BATTLE CREEK, Neb., May 6.—(Special.)—The school board last night elected the following as teachers for the coming year: D. H. Vantine, principal; Miss Gertrude Wade, Mrs. C. F. Montross, Miss Mollie Taylor, Miss Idelle Taylor and Miss Elleen Curtis.

Columbus Superintendent Named.

COLUMBUS, Neb., May 6.—(Special.)—Prof. W. M. Kern was re-elected superintendent of the city schools yesterday afternoon for a period of two years.

ARE YOU LOSING FLESH?

Catarrh is Perhaps Responsible For It.

PE-RU-NA CURES CATARRH AND INCREASES WEIGHT—READ THIS CONGRESSMAN'S LETTER.

EX-CONGRESSMAN CHAS. H. TURNER OF NEW YORK.

Hon. Charles H. Turner, 501 G street, Washington, D. C., is an Ex-Member of Congress from New York City two terms; was bookkeeper of the National House of Representatives for four years; is a member of Tammany Hall, and is very influential in New York City. He writes:

"I have used your remedy, Peruna, as a general tonic with satisfactory results. I have many friends who have testified to its virtues and I fully believe you have a valuable remedy."

C. H. TURNER.

Mr. Jonathan F. Stark, Recorder of Scott county, Scottsburg, Ind., writes: "I was afflicted last fall with indigestion and bronchitis until I only weighed 119 pounds. Knowing that something had to be done soon, I got a bottle of Peruna and took it, and have now taken twenty bottles. After taking the first bottle I gained four pounds, and I kept on gaining at about that rate until I weighed 140 pounds, and am still taking Peruna. It is all right for persons afflicted as I was."

JONATHAN F. STARK.

Hon. T. T. Markland, a well known business man of Cincinnati, O., writes from 3100 Woodburn avenue, as follows: "I find that in my case Peruna is a flesh builder. I am now at work every day, and have gained ten pounds. I took your Peruna according to directions, and the result was more than I expected. I can now breathe with ease, and also my cough is stopped. I had it for six months before I took down with the grip. I took no other medicine but Peruna, and it accomplished all I wanted in your medicine. I feel that Peruna would cure me and it has. I am seventy-three years old and can attend to my work and business as usual."

T. T. MARKLAND.

LOSS OF FLESH.

What Medical Authorities Say as to the Danger Line.

Some of the best medical authorities say that if a person loses one-third of his weight, that the system will not have power enough left to ever recuperate. That is to say, if a man or woman who weighs 150 pounds in health should, for any cause, be reduced to 100 pounds, they could not recover, but would shortly die. This fixes the danger line at 33 1/3 per cent. Some say the line is a little higher, and some say it is a little lower. But this estimate is probably nearly correct.

Are you losing flesh? If so, do you not know that it is not only foolish but dangerous? You need not continue to lose flesh another day if you will use the proper remedies.

Peruna is a great flesh producer. It is through the mucous membranes of the body that all the nutrition must be absorbed. If the mucous membranes are healthy, the loss of flesh is rapidly restored.

Peruna produces healthy membranes. Unhealthy mucous membranes is known as catarrh. Catarrh may be slight or severe. Peruna always cures catarrh wherever located.

Catarrh of any of the vital organs leads to loss of flesh. The catarrh may be so slight as to give no other warning save the loss of flesh. Any one who is losing flesh for no apparent reason, can be sure that catarrh is at the bottom of it.

Peruna is sure to cure such cases. If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

Your Office Location

It is certainly an advantage to have an office in a building the location of which everyone knows. Everyone in the west will know where to find you if you merely say your office is in The Bee Building. The accommodations of The Bee Building cannot be excelled, with its all night and all day Sunday elevator service, electric light, steam heat, water in every room, perfect janitor service, all of which is included in the rental price. There are no poor rooms in The Bee Building. Some of the rooms which are vacant are among the very best that are in the building. The best ones, however, will not stay vacant long.

WALL STREET RECOVERS LIFE

Money Centers Are Active After Demoralization of the Stock Market.

NO IMPORTANT MOVES IN STOCKS HURT

Representatives of Two of Collapsed Brokerage Firms Say They Will Be Able to Meet All Their Obligations.

NEW YORK, May 6.—Wall street recovered very generally today from its demoralization of the previous day. The stock market made all around recoveries with active trading at the close. Call money, which rose to 20 per cent on Monday, did not advance beyond 12 per cent and closed at 5 per cent.

There were no important developments in the affairs of the stock exchange houses whose suspension followed the collapse in the securities controlled by Dr. E. Seward Webb and Arthur L. Meyer. The assignees were at work on the books of Henry Brod & Co., and Lockwood, Hurd & Co. Both said they were unable to give even an approximate estimate of liabilities and assets. It was intimated that assistance would come to both of these firms, but just how or when was not made clear.

E. T. Perrine, assignee for Lockwood, Hurd & Co., was quoted as saying that the firm's obligations were not in excess of \$500,000. Speaking for the firm, one of its confidential employes said this afternoon: "Things look much brighter for us now than they did twenty-four hours ago. In fact the situation is very encouraging and we hope to pay 100 cents on the dollar and resume."

Offenbach & Moore Open.

The offices of Offenbach & Moore, the stock exchange representatives of Arthur L. Meyer and his associates, were open for a brief time during the day. Robert Offenbach, the board member, was not in evidence, but Benjamin F. Moore, his partner, was around for a little while. He also

was Mr. Meyer, whose offices are next to those of Offenbach & Moore.

An official of the Hackmack Meadow company said: "Dr. Webb and Mr. Meyer had another meeting today and the prospects of a favorable settlement of all existing troubles are excellent."

A petition to have Offenbach & Moore adjudged involuntary bankrupts was filed in the United States circuit court today, with claims from three individuals aggregating about \$4,500 for money loaned. The claim is made that the firm, while insolvent, disbursed to certain preferred creditors the sum of \$5,000. The appointment of a receiver was asked by counsel for the plaintiffs.

Dr. Webb was at his uptown office the better part of the day, but declined absolutely to make any statement. In addition to Mr. Meyer, Dr. Webb saw other persons connected with the railroad and development companies.

At the downtown offices of the Webb-Meyer companies business was being conducted as usual. That the Dominion Securities company is not absolutely without resources was shown by the mailing of a \$3,000 check to Halifax for lumber.
