AYDEN BROS. challenge the mercantile world to approach the sensational value-giving bargain affording opportunities offered in all lines during this—THE GREATEST AND GRANDEST SALE EVER UNDER BY ANY HOUSE IN AMERICA. The power of unlimited spot cash, expert experienced buyers and unequalled facilities and direct access to the world's best markets is shown in every department. The buying of delicate laces and dainty wash fabrics from the looms of Switzerland and France; the securing of the surplus stock of men's and boys' finest suits from Kaufmann & Bros., Chicago and the sale to Hayden Bros. of their entire spring and summer underwear stock by one of the largest jobbers right here in Omaha is evidence of the world-wide range of our buying facilities. For the past month every energy, every dollar and every resource has been strained to prepare for this sale and bring to Hayden Bros. customers the widest range of assortments in almost unlimited quantities of silks, wash fabrics, dress goods, fine linens, ready-to-wear garments, furnishings, notions, jewelry, furniture. carpets, and in fact everything for the person or the home at prices that must surprise and please the most economical and astonish the most incredulous. This sale will demonstrate beyond all question that Hayden Bros. is the one great, powerful bargain-giving store in the Transmississippi country; that it alone has the energy and the resources to bring to its customers the best mills, looms and factories the world over. This weeks selling will make a new era in Omaha's history. Extra salespeople, cashiers and wrappers have been employed in every department. It will pay out-of-town customers to come hundreds of miles to this sale—(all accomodations free to them—baggage checked free, etc.)

The Sale of a Life-Time is Before You Arrangements have been made to supply all promptly and satisfactorily. Do your shopping Monday as early as possible. The taffeta that will beat the Winslow has yet to be made. There is no taffeta in all the world with a record for wear that will equal that of the Winslow. The fear so prevalent several years ago among users of taffetas has entirely disappeared, for it is an established fact that the WINSLOW TAFFETA does wear. It deserves all the confidence it has won among the people. WINSLOW TAFFETA is only sold in one store in Omaha, and that is the Big Store.
