

CIVIL WAR VETERANS COMING

Annual Encampment of Grand Army of the Republic of Nebraska.

SOME OF THE FEATURES OF PROGRAM

Old Soldiers May Give Street Parade on Opening Day—National Commander Eli Torrance Expected to Be Present.

Thursday afternoon at 2 o'clock the annual encampment of the Grand Army of the Republic of the state of Nebraska will assemble at Washington hall and will remain in session until Friday evening.

The council of administration will meet at the Millard hotel, which has been designated as the general headquarters of the order, on Wednesday evening at 8 p. m., and will check up the reports of officers and pass upon the business of the past year. This council is composed of Porter Hedge of post No. 214, Lincoln; T. S. Caldwell of post No. 15, Edgar L. J. Horton of post No. 190, Stanton; S. D. Davis of post No. 5, Wilbur; C. W. Pierce of post No. 28, Waverly. The business to come before the council will probably occupy it during the morning hours of Thursday.

On Thursday the credential committee, consisting of J. D. Gage of Franklin, W. S. Askwith of Omaha, B. P. Cook of Lincoln and A. V. Cole of Hastings, will meet at the Millard hotel and all delegates are requested to present their credentials to that body before noon in order to gain recognition at the time the encampment assemblies.

The department commander is discussing the feasibility of a parade of the veterans previous to the assembling of the convention Thursday. If this plan is carried out the delegates, who will march from Thirtieth and Douglas streets to Fifteenth and Douglas, thence to the city hall by way of Farnam street and from there to Washington hall. The route is not long, but in the opinion of the commander it will give the citizens of Omaha a chance to see the veterans of the civil war, a class of men who are rapidly passing away.

Will Show Good Year.

Arriving at the hall, business will be the order of the afternoon. First there will be the appointment of committees and the reports of officers. The reports will show that there never has been a better year for the order in the state than the last. They will show decreased numbers, due to death of members, but it will also show a large number of accessions, both original and those who have been reinstated.

The receipts of reports will occupy the greater part of the afternoon and it is the intention to have the election of officers on Friday morning. There is little routine business to be transacted, although some pension matters may be considered which are not on the program. The principal thing is the election of officers. No one can tell who will hold the position of commander next year, although there are three candidates mentioned, Lieutenant Governor Steel of Fairbury, Judge Lee Etelle of Omaha, and S. T. Caldwell of Edgar. There are a large number who are in favor of electing Mr. Steel, as he is the senior vice commander, but there is a strong opposition to rotation in office and it may be that some man not heretofore mentioned will be elected. There is no talk over the personnel of the remainder of the official board.

In connection with the meeting of the Grand Army of the Republic the Women's Relief corps will hold its convention in Omaha, the sessions being held at Patterson's hall, Seventeenth and Farnam streets. The order will have headquarters at the Millard and their hours of business will be the same as those of the Grand Army.

Entertainment of Delegates.

Entertainment has been provided for the delegates on Wednesday evening. At that time the local posts of the order and corps of the women's society will tender them a reception at the Commercial club rooms. An address of welcome will be made by Mayor Moore and a response by Dr. W. H. Christie on behalf of the Grand Army and by Mrs. I. R. Andrews on behalf of the Relief corps. It is not known for certain that National Commander Eli Torrance of Minneapolis will be present at the reception, but if he and his party arrive at that time there will be an address by the commander and by Mrs. Jones of Denver, national president of the Women's Relief corps.

Previous to the opening of the formal session of the state encampment on Thursday there will be an address of welcome delivered at the hall by the mayor, with a response by Commander R. E. Wilcox or some one delegated by him, and an address by Commander Torrance. Thursday evening there will be held the camp fire of the reunion at a hall not yet selected. At this camp fire addresses will be made by the order, and the remarks being brief, so that all who desire may be heard.

CLOTHING COMPANY ASSIGNS

For the Second Time Continental Concern Gives Up Financial Struggle.

Saturday afternoon at 5 o'clock the Continental Clothing company, by Samuel Gamble, president, filed deed of general assignment with the county clerk under the terms of which all of the property of the company of every description, including the stock and fixtures of the store at Fifteenth and Douglas streets, is assigned to John Power, sheriff of Douglas county, for the benefit of creditors.

Immediately upon the filing of the deed the sheriff took possession of the stock and closed the house. Samuel Gamble, the president, denied himself to all persons and would make no statement to reporters for the enlightenment of the public as to the condition of the affairs of the concern. He was cloistered with the sheriff and his attorneys at the store for some time.

Judge Ives, an attorney for Mr. Gamble, said: "Mr. Gamble has found the load too heavy to carry. He has laid it down. You can say that in three lines or in three columns; there is nothing more to say and I am certain Mr. Gamble has nothing to say on the subject. A statement of the resources and liabilities of the concern will be filed with the county court in ten days, as required by law, and the affairs of the company will be wound up."

Two years ago the Continental Clothing company passed through the United States bankruptcy court. It compromised with its creditors and was discharged. Since that time it has conducted the business as previous to then.

FOUR BOLDERS ON GRIDIRON

Jacksonians Prepare to Broll Democrats Who Bolted John Henry Loechner.

The Jacksonian club will be up to its neck in trouble next Saturday night, when the report of the special committee on the South Omaha democrats who bolted the candidacy of Loechner for mayor will come up for final disposition.

The report was presented and recommended that T. Nolan, John Fitz Roberts, D. S. Parkhurst and John McMillan be censured in writing by the president of the club for refusing to support the regular democratic nominee. It was signed by W. H. Herdman, Ed P. Smith and A. H. Hinkle, members of the committee, and bore down in the most caustic language on the bolders, who, it was declared, had lost caste as democrats by their action.

The adoption of the report was vigorously opposed by Jim Dahman, former chairman of the state committee, who declared that any democrat had a right to bolt Loechner because Loechner had bolted Bryan in 1896. L. J. Dunn opposed action until the members concerned had been given an opportunity to be heard in their own defense.

The reorganizers, whose sentiments were voiced by W. H. Herdman, took a bold stand in favor of throwing open the doors to the gold democrats, and declared that the fact that Loechner had bolted Bryan was no excuse for the action of Nolan and the other democrats. The democratic party, in order to win, Mr. Herdman declared, would have to get 1,000,000 gold democrats back into the party, and no democrat had any right to bolt one of them who became a candidate for office.

Action was finally deferred until next Saturday night, when a warm time is promised. To make matters more interesting at the next meeting, Mr. Herdman will speak on the "Right of the Democracy to Reorganize if It Wishes."

Still Keeps It Up.

"During a period of poor health some time ago I got a trial bottle of DeWitt's Little Early Risers," says Justice of the Peace Adam Shook of New Lisbon, Ind. "I took them and they did me so much good I have used them ever since." Safe, reliable and gentle, DeWitt's Little Early Risers neither gripe nor distress, but stimulate the liver and promote regular and easy action of the bowels.

SHE DRINKS CARBOLIC ACID

Maudie Miller, in Fit of Jealousy, Attempts to Take Her Own Life.

A young woman named Maudie Miller of 1307 Pacific street, aged 23, said to be employed as a bundle wrapper in the W. R. Bennett company's store, was reported to the police station Saturday evening as having drunk carbolic acid in the Barker hotel. The cause was said to be jealousy. Police Surgeon Benawa attended her and by the usual remedies he saved her life, after which she was sent home. The man who, it appears, afforded the cause of the trouble was Charles Raymond, who, in company with several young women, was in the wine room of the hotel.

The Best Linctum.

"I have derived great benefit from the use of Chamberlain's Pain Balm for rheumatism and lumbago," says Mrs. Anna Hagegans of Tuckahoe, N. J. "My husband used it for a sprained back and was also quickly relieved. In fact, it is the best family linctum I have ever used. I would not think of being without it. I have recommended it to many and they always speak very highly of it and declare its merits are wonderful."

HIGH SCHOOL NOTES.

The meeting of the Natural History society was postponed one week on account of the inability of Mr. Benedict to attend the meeting Friday.

The P. G. S. society held its regular meeting on Friday. Instead of having a public meeting as usual, the committee was charged, the proceeds being given to the cadet encampment fund. The program consisted of recitations of magazine advertisements. Recitations were also given by Florence Kohn and Edna Sweely and vocal solos by Laura Rhodes and Rose Shant.

The English teachers of the High school have decided that the students should receive more instruction in the use of the dictionary. The English pupils taking English will be asked every so often to visit the library to look up assigned topics.

OMAHA SUBURBS.

Benson.

Dr. McCoy is building a large house on his property in the east part of town.

Pete Gravel has started the erection of a new house on Calumet boulevard. The foundation of Chris Nevins' new residence on the Military road has been laid.

John Speede spent a couple of days last week visiting with relatives in Papillion.

The Benson Volunteer Fire company held a business meeting at the fire house on last Wednesday night.

The band of the Ladies Aid society held a social on Thursday evening under the auspices of the Ladies Aid society, which was well attended. Thursday evening the Irvington band furnished the music. The hall was prettily arranged with booths of fancy work, a grey cat, fish pond and other attractions.

Duane.

Mrs. Engler is the guest of her mother, Mrs. Wedge.

Mrs. E. A. Benson is at home, corner Forty-eighth and Dodge streets, on Wednesdays during May.

James Powell and Miss Mary Powell have moved into their new home at the seventh and Davenport streets.

The young people of the Presbyterian church held a social on Thursday evening at the home of Rev. Joseph J. Lampe.

On Friday evening Mr. and Mrs. W. L. Selby entertained a number of town people at cards, in honor of Mr. and Mrs. E. A. Benson.

Mr. and Mrs. Clayton Holmes Goodrich are in the city, having been called here from Kansas City by the death of Mr. Goodrich's father.

With money raised by the entertainment given at the Presbyterian church recently, the young people have purchased and presented to the church a beautiful silver communion service.

The Duane Women's club held its last regular meeting for the year on Wednesday at the home of Mrs. B. H. Howard.

The retiring president, Mrs. V. V. Heaford, was presented with a handsome cutglass dish. There were present to permit a ballot for next year's officers and an extra session was called for that purpose.

It is to be held at the home of Mrs. Carmichael, when the following officers were elected: Mrs. D. L. Johnson, president; Mrs. T. A. Taliaferro, vice president; Mrs. F. J. Barr, secretary; and Mrs. W. L. Selby, treasurer.

AFFAIRS AT SOUTH OMAHA

Library Board Will Resume Activity at Wednesday's Meeting.

BUILDING'S ARRANGEMENT IS A TOPIC

Mrs. Talbot Begins to Talk of Books, Also, and Asks General Suggestions from Those Interested.

An adjourned meeting of the South Omaha Library board will be held in its headquarters in the Murphy block, Twenty-fourth and M streets, on next Wednesday afternoon. The last meeting was held, May 5, it was decided to adjourn until after the council had done something definite with regard to the library bonds.

Now that the council has approved the issue of the bonds and authorized the sale of the same, there is nothing to desire but the money from the sale of the same. What in all probability will engage the attention of the board will be the architectural plans of the proposed library building. Architect Kimball of Omaha, to whom was let the contract for the drawing of the plans of the building, was present at the last meeting. Nothing definite was then done, however.

At the Monday night's meeting, in all probability, the material used in the construction of the building, with the architectural arrangements, will be fully decided upon. The building will be two stories high, but it is said that the plans of the board are for construction radically different from that of the Omaha public library building.

The old public library books have been carefully stored away in the headquarters of the board. These books number almost 1,500 and will be included among those placed in the library building. Mrs. Claude L. Talbot, chairman of the committee on the purchase of books, who has the plans of the board were for the purchase of additional volumes, said last evening: "We have no plan for this purchase. Our attention has thus far been directed to the securing of the library site and to the plans for the building. What the council has arranged to provide us with funds, I have no doubt that the plans for the building will be rapidly completed. After that, of course, the books come next. The greatest care will be exercised in the selection of the books, and those who are in a position to know what would be good and what books should be omitted from the list. But until the building is arranged for the books will be left severely alone. There is plenty of time for that, you know."

It could not be learned yesterday whether or not the detailed plans of Architect Kimball would be satisfactory to the majority of the board, but the matter has been freely discussed, so that it is thought there will be little or no friction along this line.

Caldwell Saves Maloney.

At the hearing of Martin Maloney and Dan Lucey in the police court Saturday morning Maloney was acquitted, while Lucey was bound over to the district court for further trial. Both men were charged with perjury in the Anna Wesenburg assault case, when the same was tried before Justice of the Peace P. C. Caldwell. The cause was said to be jealousy. Police Surgeon Benawa attended her and by the usual remedies he saved her life, after which she was sent home. The man who, it appears, afforded the cause of the trouble was Charles Raymond, who, in company with several young women, was in the wine room of the hotel.

New Rebekah President.

At the meeting of the Rebekah district assembly on Friday afternoon Mrs. Mary C. Stult of Ruth lodge No. 1, Omaha, was elected president of the lodge for the year No. 2. By the rules of the district, the president appoints all subordinate officers. Mrs. Claude L. Talbot, whom Mrs. Stult succeeds as president, presided over the meeting. The degree staff from Dagner Rebekah lodge, and Chertburg and the ritualistic work, ably assisted by the South Omaha lodges. After the election of president, Mrs. Mary A. Caldwell, president of the Rebekah state assembly, delivered an interesting lecture to the convention.

New Job for Tax Leaguers.

The Tax league of South Omaha, having practically completed its work with the South Omaha schools for the summer, will probably turn its attention to the improvement of the police force of South Omaha. It was stated last evening that the work would not be directed so much to the personnel of the force, as to the condition of the city jail and to the operative needs of the millions of the law.

Awakens Much Interest.

The proposed action of the Commercial club to combine with the different improvement clubs of the city has awakened much interest among the members of the different organizations of the city. While there is some objection being raised to such a combination, still it seems the general opinion that the plans of those who are desirous of uniting the different clubs will be carried out. No definite action, however, has been taken by either of the clubs.

Duggan Sent to St. Louis.

The contention for the body of Thomas J. Duggan, the young man killed at Gilmore a few nights ago by the Union Pacific fast freight, ended yesterday, and the body was sent to St. Louis for interment. The remains to leave the city until the parties had arrived at a settlement among themselves.

Treasurer Pays Warrants.

The city treasurer has paid to the Packerton National bank the sum of \$28,947.71 in payment of school warrants held by that institution. These warrants are among the ones called in by the treasurer a few days ago. Of this amount about \$600 is interest. There yet remains about \$20,000 worth of the school warrants outstanding included in the list of the treasurer.

Cavalry Boys Dance.

The dance given by the South Omaha Cavalry company, which was held in its armory over the city offices Saturday evening, was a success. While no one but members of the company were present, still those of the "cavalry" had the best time that could be produced and danced to their heart's content. A large orchestra furnished the music and an elaborate banquet followed the dancing. The dance was given to celebrate the recent success of the cavalry company in securing its new equipment.

Armour's Lard Refinery Rushed.

By reason of the burning of the lard refinery of Armour and company in Chicago, the refinery of that company in the South Omaha plant will be taxed to its utmost capacity until after the rebuilding of the refinery in Chicago. One of the head men of the South Omaha branch stated last evening that the bulk of the extra work, by reason of the Chicago fire, would fall on the South Omaha plant, occasioning the increase of the refinery force and even hasty improvements in this part of the plant. Orders for extra work were received yesterday morning by the company here from the Chicago office. The equipment in South Omaha are of a

highly improved order, so the plant will not be greatly inconvenienced by reason of the extra task assigned.

LEHMANN IS FOUND GUILTY

Former St. Louis Legislator Convicted of Perjury in the Brubaker Cases.

ST. LOUIS, May 18.—Julius Lehmann, formerly a member of the St. Louis house of delegates, who has been on trial in the circuit court for the past three days charged with perjury and his punishment fixed at two years in the penitentiary. The jury was out two hours and twenty-three minutes.

Lehmann was indicted on a statement he made before the grand jury while it was inquiring into the deal whereby the Suburban Railway company is alleged to have obtained its charter from the legislature for \$125,000 to pass a franchise giving that road the right to certain streets and thoroughfares.

There was no doubt with the jury as to Lehmann's guilt. The only question was as to the punishment. The most the jury could give him was seven years, but it was decided finally to give him the minimum.

After the verdict was read and the jurors dismissed Lehmann furnished a new bond in the sum of \$10,000 and was released pending an appeal to the supreme court.

RAIN LESSENS WHEAT AREA

Continued Showers Prevents Sowing in the Lowlands of Red River Valley.

FARGO, N. D., May 18.—Continued rain for the last thirty-six hours, with an especially heavy downpour this morning, practically ends all hopes of seeding the lowlands along the Red river to wheat. By the time the fields dry up the season will be too late for anything except barley or flax.

Bonesteel on a Boom.

BONESTEEL, S. D., May 18.—(Special.)—Charles Van Gorder, president of the First National bank of Aberdeen, Ia., visited Bonesteel last evening. Mr. Van Gorder owns considerable land in Boyd county, and is well posted on valuations of farm lands. After driving extensively over the land soon to be opened, he values it from \$20 to \$30 per acre. The erecting of new business houses is going on at a rapid pace in Bonesteel. Fifteen or more new firms will commence business here in the next thirty days. These new buildings now being erected are more substantial than those built to hold government lots, many of which are being replaced with better structures.

"First-Termers" Get Endorsement.

HURON, S. D., May 18.—(Special Telegram.)—At the meeting Saturday p. m. of the Beadle county delegates to the republican state convention, C. N. Cooper was chosen chairman. A. B. Hildner, secretary for United States senator and Martin and Burke recommended for renomination to congress. Governor Herrell's administration was commended and his renomination advocated. D. H. Smith of Hand county was endorsed for railway commissioner and J. R. Hilday of Kingsbury county for state auditor. John Longstaff was elected member of the state central committee.

Range Country in Prime Condition.

PIERRE, S. D., May 18.—(Special.)—Reports from all portions of the range country show that the grass is ahead of what has been at this time for a number of years, with the prospects for a heavy hay crop. This is from the fact that the soil was well soaked last fall and there has been enough rainfall so far this spring to keep the moisture from being drawn out by the sun. This same fact has been what was wanted for wheat, and it is securing a fine start. A drizzling rain visited this section of the state Wednesday and Thursday nights.

Boys Charged by Government.

HURON, S. D., May 18.—(Special.)—Two boys, Ole Larsen and Otto Newman, aged 15 and 14 years respectively, living near Roswell, were brought here Wednesday afternoon by United States Deputy Marshal Collings, charged with having raised a postoffice money order from 33 cents to \$423.22 by the railway. The United States Commissioner Wood and are now in jail awaiting preparation of bonds for their appearance at the next term of United States court at Sioux Falls.

New Ore Road Incorporated.

PIERRE, S. D., May 18.—(Special.)—Articles of incorporation were filed Saturday for the Red Canyon Railway company at Keystone, with a capital of \$50,000. Incorporators, George A. Clark, Charles J. Patton, Elmer E. Axford, Matt R. Tailleux, Charles A. Clark. The road, as outlined in the articles filed, is to be about nine miles long, through Red Canyon, in Fall River county, and is evidently intended as an ore road.

Homeseekers' Excursion.

Very low rates for round trip tickets via Missouri Pacific railway, Tuesday, May 20, to certain points in southwest Missouri, Kansas, Oklahoma and Indian Territory, Texas, Arkansas, etc. For further information, land pamphlets, rates, etc., write or call at company's office, southeast corner Fourteenth and Douglas streets, Omaha, Neb. T. F. GODFREY, P. and T. A.

Henry H. Senter, Iowa Falls.

IOWA FALLS, Ia., May 18.—(Special.)—Henry H. Senter, a pioneer resident of this county, died at his home in this city Thursday evening and will be buried in Union cemetery today. Mr. Senter came to this place in 1857 and has been a resident ever since. He operated one of the first sawmills ever erected in the county. His wife and one daughter, Mrs. F. A. Cowan, survive him.
