

PROBLEM OF SHIRT WAISTS

High School Boys Appear in Uncovered Pink and Blue Stripes.

YOUNG WOMEN TEACHERS ARE SHOCKED

Principal Waterhouse Promptly Vetoes the Boys' Shirt Waist, but Superintendent Pease Threatens to Sustain It.

The High school faculty is in the throes of a mighty problem: Shall our young men wear shirt waists? Principal Waterhouse answered the negatively yesterday morning...

The question came up as the result of a concerted action whereby fifty-four students signed an agreement to appear in the classroom on the morning of May 20 in shirt waists, and the young women teachers...

Meanwhile the dauntless fifty-four had become pretty thoroughly scattered throughout the building, as each had reported to his particular class or study room...

When the boys heard of this ruling, such of them who had coats with them put them on, but many had come to school without coats. Of these there were thirteen. They went in a body to the office of Superintendent Pease...

"Well, boys, you go back to your work, and if Mr. Waterhouse still opposes the wearing of shirtwaists, put on your coats for today. Then, after school, present your case to him. Tell him why you want to wear shirtwaists. Give him a night to think it over in and if tomorrow he still insists in his ruling bring it up to me again and we'll see what can be done with it."

This seemed to satisfy the delegation and it returned to carry out the order.

Principal Waterhouse said: "I object to seeing boys slouching about the halls and rooms hitching up their trousers in order to keep them on. It is ungentlemanly and uncouth. I don't know whether these boys appeared in shirt waists this morning or whether they were in their shirtsleeves. Out of them, I know, were a red flannel shirt. If I permit that I may be expected before long to let the boys take off their shirts and go in their gauze undershirts, those would certainly be cooler than either shirtwaists or coats. No, there are certain conventional forms of dress which we are all bound to respect."

One of the original fifty-four said: "We saw no reason why we shouldn't be permitted to enjoy the same degree of comfort while at our work during the hot weather as men in offices and stores enjoy. We all wore shirtwaists to school while we were children; the girls wear them at all ages, why shouldn't we wear them now? Knowing that we would be made objects of ridicule if we came in shirtwaists singly, we decided to organize a little shirtwaist club, and all come together, dressed as nearly alike as possible."

Eight or ten of the students, not having their coats with them, were compelled to remain out of school all day.

Don't Accept Counterfeits.

For pills, skin diseases, sores, cuts, bruises, burns and other wounds nothing equals DeWitt's Witch Hazel Salve. Don't accept counterfeits. None genuine except DeWitt's. "I have suffered since 1875 with protruding, bleeding piles and until recently could find no permanent relief," says J. F. Gerral of St. Paul, Ark. "Finally I tried DeWitt's Witch Hazel Salve, which soon completely cured me."

WARM ELECTION BY PRINTERS

Typographical Union Will Vote for Local and National Officers Wednesday.

Printers are preparing for the warm election in the history of the union today at Labor Temple, from 11 a. m. to 7 p. m. Generally the greatest interest centers in the selection of delegates, but this year the campaign for president attracts above that contest and lines are drawn rather sharply between the candidates, K. S. Fisher of the News chapel, who has served in the position for two terms, was in the field first, having had his candidacy announced a month or longer before the day set for regular nominations. When that day arrived two other candidates were announced, Elmer Riland of the World-Herald chapel and F. A. Kennedy of the Western Laborer. Since these two candidates came out they have steadily gained in strength and the finish will be interesting.

There are two delegates to the international convention to be elected and four candidates for the place, W. S. Ripley of the Bee chapel, A. D. Small of the Rees chapel, William Ellsworth of the World-Herald chapel and Frank P. Hart of the Journal-Stockman chapel at South Omaha. The race between these men promises to be so close that, while the friends of each claim victory, no one will venture an assertion as to the result. I. J. Copenhaver has no opposition in the race for vice president, and the office of secretary-treasurer will be given to J. C. Smith, recording secretary to J. H. Collins by unanimous vote. For trustees there are four aspirants for three positions, those in the race being Herman Mathes of the Bee chapel, Ray Homan of the McCoy chapel, E. A. Butler of the Omaha chapel and Lester Rice of the News chapel.

The members of the local union will also vote for international officers. Omaha is a Lynch town, although at the last election it went for Donnelly, Mr. Lynch's opponent. The candidates are James M. Lynch, the present president, and Charles A. Derry of Seattle. The latter will get a few votes in the city. So far as Omaha is concerned much more interest is taken in the election of international officers. Manager for which J. W. Hays of Minneapolis and C. E. Hawke of Chicago are candidates. Both men have many friends in the city and the contest will be close, the vote being influenced by personal friendship.

NO MEETING OF MACHINISTS

Conference Announced Under Big Head to World-Herald Falls to Materialize.

Members of the executive board of the Union Pacific district of machinists' unions are gathering in Omaha to begin a conference Monday evening.

A brace of reporters was kept busy yesterday seeking the meeting that was expected to follow the foregoing announcement under a dome-column head in the World-Herald on Monday evening. There was none in the office of Superintendent of Motive Power Higgins, and if the executive board of the machinists' union met with that gentleman it went to Chicago in a body, as Mr. Higgins went to the Windy City Monday night.

Neither was there any meeting in the office of General Manager Dickinson, nor did that official commune with the board at any other place. From all that can be learned, too, it appears that the board is not convening at all.

DIES IN THE PHILIPPINES

Willis Cortelyou, Son of Late J. G. Cortelyou of Omaha, Passes Away.

Willis Cortelyou, a son of the late John G. Cortelyou, died March 28, at San Pablo, Sagua province, Philippine islands. He had been away about two years, serving as a member of the Sixth cavalry, General Clarke's bodyguard, first through the siege of Pekin and afterward in the Philippines. In a letter received from him by the family in April, fond anticipations of his homecoming at the end of his service next spring were expressed.

The young man had many acquaintances in the Omaha high school, the Epworth league and Sunday school of the First Methodist Episcopal church of this city. His mother and family are now located at Los Angeles, Cal.

GROVER ARRESTED

For Selling Impure Food. A Hard Fought Trial is Expected.

At Dayton, Ohio, a grocer named John L. Schuster has been arrested for selling Arbuckle's Artosa Coffee. The Pure Food Department of Ohio claim that the glassing on Artosa Coffee makes it unsalable in that state. This interests other grocers, because similar actions are likely to be brought against them for selling Arbuckle's, or any other coffee which has been glassed or coated.

The trial has been set for June 2nd. It is understood that the Arbuckle will send New York lawyers to defend the case. The Pure Food and Dairy Commissioner, Joseph H. Blackburn, will employ the best legal talent he can secure to represent the state's side of the case. The laws of Ohio are very strict in protecting the people against impure food. It is claimed that Arbuckle's Coffee is impure, because it is coated with a glazing that serves to cover up defects and make the coffee look better than it really is, and that this glazing is cheaper than coffee. Every one who drinks coffee will be interested in the outcome of this case.

EPISCOPAL MISSION WORKERS

Sixteenth Annual Meeting of Woman's Auxiliary of Nebraska.

IN SESSION AT TRINITY CATHEDRAL

Reports of Officers, Followed by Election of Board for Ensuing Year—Diocesan Council of Nebraska Opens Tomorrow.

The sixteenth annual meeting of the Nebraska branch of the woman's auxiliary to the Board of Missions of the Episcopal church opened at Trinity cathedral yesterday morning.

About 180 women are in attendance, representing the various sections of the state and including some of the most prominent workers. The business session opened at 10 o'clock, Mrs. Campbell Fair presiding. Reports were made from various branches, all showing an even maintenance of the work.

The annual address of the president was brief, she urging more earnest work in behalf of the united offering, the missionary library and the visiting of the diocese and recommending that a contingent fund be established to partially meet the expense of such systematic visiting. Mrs. Fair spoke feelingly of the late Mrs. Meliora Clarkson and of her work in all the branches of the mission and church work, especially in Clarkson hospital, and suggested that the members of the auxiliary accept, as a memorial to Mrs. Clarkson, some part of the erection of the new hospital building.

The secretary's report showed four new branches organized and two reorganized, two quarterly meetings held and \$1,155 as the auxiliary cash contribution.

Election of Officers.

The annual election of officers followed. Mrs. Albert Noye of All Saints' church, Omaha, was elected president; Mrs. A. L. Williams, Omaha, first vice president; Mrs. R. R. Ringwalt, St. Mathias, Omaha, second vice president; Mrs. S. S. Fales, Ashland, third vice president; Mrs. Burnham, Norfolk, fourth vice president; Mrs. Eva Lloyd, Omaha, recording secretary; Mrs. G. W. Sloan, South Omaha, treasurer; Miss Jessie Royce, Omaha, treasurer of the United Offering; Miss Helen Cady of Omaha, secretary of the Junior auxiliary.

Notice was served to amend the constitution at the next annual meeting to create the office of corresponding secretary, and resolutions of thanks to the retiring president, Mrs. Campbell Fair, were offered by Mrs. S. S. Fales of Ashland and unanimously adopted by the convention.

The Afternoon Session.

The afternoon session was called to order at 2 o'clock, Bishop A. L. Williams making the address of welcome. An address by Mrs. John H. Hopkins, president of the Chicago branch, followed and was perhaps most enjoyable to the women. She spoke of mission work from the woman's standpoint, dwelling especially on the offering, its history and increase, and urging the women not to consider it as duty, but rather as a privilege, concluding with the outline of a plan which has proven most successful in Chicago, where each woman makes her birthday the occasion of the offering, the annual meeting being the date of the general collection. Her account of the preparation and training of the women missionaries and of their increasing importance was especially interesting.

Bishop Graves of Laramie and Rev. John H. Hopkins of Chicago also addressed the meeting, speaking of the mission work and the support it received from the various branches.

At 4 o'clock Mrs. Hopkins of Chicago addressed the Junior auxiliary, her talk being along the same lines, but suited to the interest of the younger workers.

SELLING LIQUOR IN IOWA

Supreme Court Upholds Right of Traveling Men to Do Business There.

The recent decision of the supreme court of Iowa in the case of State against Hanaphy declares unconstitutional that provision of the Iowa liquor law which prevents the taking of orders for the purchase, shipment and delivery of intoxicating liquors to be sent into Iowa from other states. Hanaphy was agent of a liquor company located in Illinois and took orders in Iowa for the shipment of liquor to certain parties in that state. Hanaphy was convicted in the district court as having violated the prohibition law. The supreme court, however, follows the rulings of the United States supreme court that such transactions are protected by the constitution of the United States guaranteeing freedom of commerce between the states. Charles S. Eliguter of Omaha, Minley Burke and C. B. Atchison of Council Bluffs assisted in the presentation of the case before the higher court.

The decision is of far reaching effect in the regulation of the liquor business of Iowa. Many Omaha wholesale liquor firms are directly interested in the outcome of this case, as their traveling men in Iowa have been frequently arrested during the last year and a number of cases involving this question have been pending in the district courts of the various counties, awaiting the ruling of the supreme court in the Hanaphy case.

COLORED LAWYER ON TRIAL

Committee Investigating Charge of Unprofessional Conduct Against Him.

Victor B. Walker and J. J. Dunn, attorneys, collaborated yesterday on a history of the sayings and doing of Prince Wheeler, Muriel Wheeler, his wife, and John Taylor, her next door neighbor at 125 North Thirteenth street, on the day when Attorney Fred Smith is alleged to have called and offered to give Wheeler \$30 or \$40 with which to buy transportation out of town. Wheeler is held as a witness for the state in its case against Policeman Martin Shields for alleged assault upon V. B. Walker, and was allowed to go to his home April 21, on the recommendation of Dunn as deputy county attorney, to see his wife. He imbibed too freely and was taken in charge by Policeman M. McCarthy and held until the county jailer called for him. Dunn filed the affidavits on the parties above mentioned, such affidavits being in effect that Smith called at Wheeler's house and made the offer of transportation. Attorneys Howard B. Smith, A. C. Troup and H. P. Leavitt are hearing testimony in an investigation of Smith's conduct and the proceedings are in the nature of a camp meeting testimony, all the principals except Dunn and Policeman McCarthy being colored.

The following births and deaths have been reported at the office of the Board of Health during the twenty-four hours ending Tuesday: Births—J. Kelly, 2114th street, boy; Herman Dewsher, 221 South Sixteenth street, boy; Verdelia, Butelkin, 119 South Twenty-second street, girl; W. street, South Omaha, David, 144 W. Miller, Gibson, Omaha, 4 years; Raymond Beck, 303 South E. street, aged 7 years; George E. Wood, 233 Christie street, aged 14 years; Isaac Brock, 43 North Nineteenth street, aged 30 years; M. ELKHORN USES NEW YARDS

Railroad Company Begins Operation of Its Added Facilities at South Omaha.

General Superintendent Hughes of the Fremont, Elkhorn & Missouri Valley railroad announced Tuesday that his road was now using its yards at South Omaha, which have been in process of construction since last fall and which are still uncompleted. This marks a step forward in the capacity, conveniences and operating facilities of the Elkhorn road. The yards are extensive, covering thirty acres of ground. They contain fourteen tracks, which are laid now. The turntable is also set and in operation. The erection of a twelve-stall engine house and some coal sheds will complete the yards proper.

At present the yards are entered over the Elkhorn's own track from Irvington, which leaves the main line there, ten miles from Omaha, and swings eastward into South Omaha and the yards. The great feature, however, is yet to come and will obviate this journey. That is the connecting track under construction between the yards and the Union Pacific main line at South Omaha. This will be a mile long and will drop from the Union Pacific grade in a loop over the Elkhorn's own line, the Missouri Pacific line and Thirty-sixth street into the yards, far below. Steel bridging will be used for all these crossings and is now arriving after a long delay. The line is, therefore, in actual construction at last, and Elkhorn officials are anxiously awaiting its completion. The date of this is indefinite because of the fact that while the steel is coming freely now it may be shut off at any time and cause another long wait.

NEBRASKA BANKERS TO MEET

Executive Committee of State Association to Issue Call for Convention.

The executive committee of the Nebraska Bankers' association will meet at the Millard hotel Wednesday at noon for the purpose of fixing the time and place for the state convention in the fall. Inasmuch as the death of President McKinley made it impossible for the Omaha bankers and citizens to give a fitting reception to the convention last year, there is a strong sentiment in favor of holding the meeting of this year here during the week of the Ak-Sar-Ben festivities, so that the members may have the benefit of the festival and ball.

The executive committee will receive reports from the committee which made contracts for burglary and fidelity insurance during the year, and from the judiciary committee. The composition of the executive committee is: Henry W. Yates and Luther Drake, Omaha; J. P. Pawnee, Pawnee City; F. W. Sammelson, Humboldt; E. H. Burrham and J. H. Auld, Lincoln; E. F. Folds, Schuyler; T. E. Stevens, Blair; E. A. Whitely, Pender; John D. Haskell, Wakefield; H. E. Dinmore, Sutton; A. L. Clarke, Hastings; C. F. Bentley, Grand Island; F. M. Rusk, Broken Bow; Charles H. Cornell, Valentine; George N. Seymour, Elgin; J. W. Welpton, Ogallala; Thomas M. Hartington, Gordon; Charles K. Hart, Bloomington; W. O. Robinson, Trenton. Henry W. Yates is chairman of the committee and H. R. Gould is secretary.

CHRISTIANS RENT COLISEUM

They Will Pay Seventy-Five Dollars a Day for Convention

at the Knights of Ak-Sar-Ben to Supply the Coliseum for the convention for eight days at the rate of \$75 per day was accepted, and plans for its remodeling will be immediately prepared.

The committee has prepared a button for advertising purposes which is unique. The principal feature of it is a view of the principal business portion of the city from Capitol hill, above which the fact of the convention and its location is given. In addition to these buttons several thousand stickers have been secured and scattered over the country.

The question of raising funds for the expenses of the convention has received considerable attention and members of the Commercial club, which guaranteed the hall for the Ak-Sar-Ben, interested in the apportionment of funds secured. It is now understood that the church committee will formally release the Commercial club from its promise to provide the hall and will manage its own financial affairs.

COMMERCIAL CLUB THANKFUL

Pays Its Compliments to the Organizations of Beatrice and Nebraska City.

At the meeting of the executive committee of the Commercial club yesterday afternoon a vote of thanks was tendered to the Commercial club of Beatrice and Nebraska City and to the Burlington Railroad company for courtesies extended on the recent trip.

The secretary was instructed to take up with the officials of the Missouri Pacific Railroad company the question of extending their daily train service from Auburn to Falls City, so that merchants can visit Omaha and return the same day.

The secretary reported on the possibility of an excursion to the northern part of the state to be taken in June. The committee having charge of the last excursion was placed in charge of the June trip.

J. S. White resigned as member of the executive committee and the selection of his successor was referred to the regular committee, of which J. H. Dumont is chairman. Albert Cahn, J. H. Van Dusen and C. E. Selbeck were elected to membership in the club.

At this time seven temples of the order have signified their intention of passing through the city and stopping a short time on their way to the west. As far as known the first temple to arrive in Omaha will be that of El Kahil of Cedar Rapids, Ia. It will reach the city early on the morning of June 3 and will remain until the afternoon. About the same time the delegates from Zurich temple of Minneapolis will put in an appearance and both temples will be the guests of the local temple during the day. On the night of June 3 Syria temple of Pittsburg, Pa., will arrive at Council Bluffs at 10:30, remaining but an hour.
