He Ground for a

Statendam May 24, 10 a. m.

Potsdam May 21, 10 a. m.

GRAND RAPIDS, Mich., May 21.—E. La McDonnell of Muskegon, who died in this city on the date he was to have married Miss Virginia Platt of Cincinnati, in his will left \$60,000 to establish a home for indigent old women at Pairmont, Ind. An examination of the will shows that instead of "indigent" old women he wrote "indignat" old women, and this error in spelling may invalidate the instrument. According to the will, as originally drafted, he left \$6,000 to Flora Newton of Syracuse, N. Y., to whom he was formerly engaged. He scratched her name out and substituted that of Miss Platt when the change came over his affections, and only one of the witnesses to the will was apprised of the change, which was equivalent to making a new will. It is said the instrument will be attacked by Miss Newton and Mr. Mo-

Donnell's relatives. Preble Given Another Trial

SAN FRANCISCO, May 21.—The torpedo boat destroyer Preble, launched at the Union Iron works on March 2, a year ago, and found lacking in speed, has been taken on a preliminary spin around the bay, alterations in its model having been made. Forced draft was not used, but a speed of twenty-three knots was maintained over the measured mile, which was covered tweive times, and twenty-four knots an hour was recorded on the return trip. With forced draft it is claimed that there will be no trouble in making thirty knots an hour, the contract speed. Electric Light Association Meets

CINCINNATI. May 21.—The attendance at the twenty-fifth annual convention of the Electric Light association was largely increased today. The program included addresses by L. N. Yunn, Provo, Utah, and Henry L. Bougherty, Denver.
