MALARIA An Invisible Enemy to Health

Malaria is an invisible atmospheric poison. The air becomes infected with the gases and microbes arising from the marshes and low lands, damp cellars, sewer pipes, badly ventilated houses and decaying vegetable matter...

Malaria gives no warning of its coming; no immediate effects are perceptible, and no violent symptoms appear until the unfortunate sufferer is completely at the mercy of this hidden foe.

RELIEF WAS IMMEDIATE, AND THE CURE COMPLETE.

LOUISVILLE, Ky., March 26th, 1902. For several years I suffered with Chills and Fever, caused by Malaria in my system, and each summer for several years I would relapse.

Malaria can only be worked out of the system through the blood. Some remedy that can destroy the germs and microbes and neutralize the bad effects of the poison, offers the only hope of a cure...

SSS

Spring is the best time to get Malaria out of the system. A course of S. S. S. now will not only relieve you of Malaria and its attendant evils, but it will put your blood and system in such condition as to effectually prevent the return of the disease.

Nothing is comparable to S. S. S. as a Spring Medicine, as it reinforces and builds up the system when debilitated or overcome by the depressing effects of the changing seasons...

If you have any symptoms of malarial poison, write us fully about it, and our Physicians will take up your case and advise you without charge.
