Arrangements were also made to participate in the coronation exercises of St. Mary Magdalene's church on Sunday at 3 p. m., and an invitation is extended to all Foresters in this city and South Omaha to join them.

Too Great a Risk.

In almost every neighborhood someone has died from cholera or cholera morbus, often before medicine could be procured or a physician summoned. A reliable remedy for these diseases should be kept at hand. The risk is too great for anyone to take. Chamberlain's Colic, Cholera and Diarrhoea Remedy has undoubtedly saved the lives of many people and relieved more pain and suffering than any other medicine in use. It can always be depended upon.

Shriners Will Travel.

The Burlington route and its connections west of Denver will carry the Temple, Mystic Shriners, to the Imperial Council, Nobles of Mystic Shrine, at San Francisco, June 10 to 14.

Two special cars have already been reserved by Tangier Temple and additional cars will be provided as reservations are made. It is important that all Shriners who will attend this convention make their reservations at an early date.

The Shriners will leave the Burlington Station, Omaha, 4:25 p. m., June 4. Denver will be reached the next morning, and an entire day spent in the Colorado Springs, one of the most delightful of Rocky Mountain resorts. Salt Lake City will be reached on the morning of June 6, and that day given over to seeing the wonderful city of Zion. The party will arrive in San Francisco at 8:45 a. m., June 9.

Tickets and reservations, 1562 Farnam St. Shriners Special Train, Omaha to San Francisco.

The Great Rock Island Route has arranged for the Nobles of Zuhrah, Oman and Elkahil temples, a special train to San Francisco. This train will leave Omaha Tuesday, June 3, at 4:20 p. m. Nobles and friends of other temples can join same at Omaha. For further information call at or address City Ticket Office, 1222 Farnam St., Omaha.

BURGLARS MAKE COLLECTION

Are Securing from Omaha Homes a Stock for a Second-Hand Store.

Money, watches, silverware, clothing and even chamberlains have been disappearing with a numerousness recently that has caused the police department to give particular attention to all crooks with a reputation for thieving.

Harry Hagen, 2474 Harney street, reported that his house had been entered and that there is a recent absence of \$50 in crisp new bills. T. W. Blackburn, 713 South Thirty-first, is shy six pearl-handled knives and two silver forks. At the residence of J. C. Davis, 2408 Chicago, the burglar took a gold watch and five souvenir spoons. A drug store at 1224 Douglas street invoices \$24 worth less chamberlains than it did before a sneak thief called the other day and carried off the load while the clerk was looking another way.

Fred Moburg, 708 South Sixteenth, said he retired Tuesday night and hung his clothes on the head of the bed. A thief entered and stole from the pocket his vest a gold watch valued at \$20. Fred Duncan, 3016 Sherman avenue, only lost a purse containing \$2 to a person who had the combination to a rear door. At the Her Grand hotel Mrs. Charles M. Ambrose lost a watch valued at \$5. Mrs. Ambrose said her room had been unlocked and entered during her absence. Joe Behmuss has reported that he had left a grip at the Nebraska lodging house several months ago and that when he returned for it, it was missing.

ANOTHER HORSE IS STOLEN

This Time Paul Hildebrand, the Calhoun Nurseryman, is the Loser.

Paul Hildebrand and his new rig were soon parted. Paul has a nursery of his own creation near Calhoun, and came to Omaha Sunday for an initial trial of a covered buggy and nickel-plated harness, both just out of the shops. He tied the horse in front of M. Mullen's pleasure emporium at Sixteenth and Davenport streets and absented himself for ten minutes. When he returned the hitching ring was still there, but nothing else.

Sheriff Power has been appealed to and has sent out cards offering \$50 for the capture of the rig and the thief, and he announced Wednesday that he proposes to make a particularly vigorous effort to recapture this offender, as a discouragement to others. He said two weeks ago that he had noticed an unusual activity among horse thieves throughout the state and feared Douglas county would not be immune.

DIES FROM HER INJURIES

Miss Margaret Nau, Who Fell from Street Car Sunday Evening, Expires.

Miss Margaret Nau died at St. Joseph's hospital at 11:15 yesterday morning from the effects of injuries received by falling from a motor car Sunday night. Relatives of the dead woman were with her when she died.

Miss Nau fell while alighting from a car at Twenty-fourth and Farnam streets early Sunday night and struck on the back of her head. She was rendered unconscious by the fall and remained so until she died.

Miss Nau was a dressmaker, about 25 years old and roomed with a sister on South Twenty-fifth street. It is probable that an inquest will be held.

Courtland Beach and Manawa.

The announcement that Courtland Beach is to reopen next Friday, Memorial day, will be received by the Omaha and South Omaha pleasure-loving public with gratification. Mr. Griffiths' management of this heretofore always most popular summer resort affords positive assurance of its renewed popularity. When Courtland Beach first opened in 1893 the services of Mr. Griffiths were secured by John A. Creighton.

Mr. Griffiths' coming west somewhat against his own wishes. That he made a brilliant success of it no one who lived in this locality can deny. It was patronized by the respectable element from the first day it opened and continued so throughout his entire management. Mr. Griffiths was doubly the first person to enter objection against the "exorbitant" car fare then charged to carry passengers to the beach, but as they were compelled to travel over the lines of three distinct companies no change was able to be made, and Mr. Griffiths, recognizing the inevitable, returned east, continuing the management of some of the best known resorts there. When the Omaha Street railway absorbed the Beach line Mr. Griffiths again came to Omaha and secured a 5-cent fare to Courtland beach from all parts of the city, thus insuring success for his enterprise. While it is not generally known it is a fact, however, that every season for several years Mr. Griffiths has come to Omaha to try to induce this "one-fare-rate," because he had great faith in the merits of Courtland beach, if he could secure the co-operation of the railway people. His family have just arrived from Chesapeake beach, thirty miles below Washington City, a resort which he has successfully managed for several years. He patented and built the scenic railway at the Transmississippi and Greater America expositions, which was the most successful money-making affair of either exposition. He erected the switchback railway at Courtland beach and is recognized as one of the finest of promoters of summer resorts. It is understood he has secured a long lease of Courtland Beach and proposes to make it a "winner" from the very start, and those who know him best are well aware of his ability to give Omaha a resort second to none, and one which will be on the highest plane of respectability in every respect. Mr. Griffiths asks the assistance of every public-spirited citizen in and about Omaha and South Omaha to drop for all time "Cut Off Inks," and when it is found necessary hereafter to refer to that beautiful body of water to substitute "Lake Courtland," which certainly sounds better and gives to strangers a better impression. Lake Manawa was formed in the exact manner that Lake Courtland was, only some time earlier, on such place as Lake Manawa, ever held a resort by citizens of Council Bluffs until E. H. O'Neil, "Jim" Debovots and a few others who thought this extra fine beach a good bathing spot. The people of Council Bluffs were only too glad to drop "Cut-Off" for Manawa, and today Manawa is known far and wide by only "Manawa." It only required a few months to get everybody familiar with its new name and with the co-operation of the reportorial forces of the Omaha papers Mr. Griffiths insists that within two or possibly three months everybody will be saying "Lake Courtland," thus adding dignity to Omaha's only body of water.

Lake Manawa also opens for the season on Friday next with a full line of extra fine attractions.

Thursday Specials. THE SELLING OF THOSE HANDSOME WALKING SKIRTS is Creating a Furore.

If you've visited the Skirt department you'll easily understand why there's such enthusiasm and interest in the selling of these beautiful Walking Skirts for women—for such an offering is of rare occurrence and only possible at long intervals. There was a reason for this sale—an eastern skirt manufacturer, after finishing filling his orders for the season, found that he had 500 skirts left on hand. Modern business methods made it necessary to dispose of these skirts before the season advanced any farther. To do so meant a big reduction from regular prices—a direct loss. The up-to-date manufacturer must encounter such losses, however—it's considered good business. It is well known that "as we buy so we sell." The big saving we made is now yours. The skirts are made from the very best quality of all wool homespun, in the favorite colors, light and medium gray, cut and made in the very latest styles, with tailored seams and 12-inch tailor stitched flare flounce.

\$7 and \$8 are the prices at which these skirts were made to sell at, and there is not a skirt in the lot which isn't worth \$7 at least—less than half price is the way they are priced while this special purchase lasts.....

SPECIAL MENTION THURSDAY MORNING we place on sale about 100 dozen WOMEN'S HANDKERCHIEFS. They are the samples of an eastern manufacturer.
