Hagenbach of Lincoln won. CHICAGO, June 1 .- The gravity of the teamsters' strike reached alarming proportions yesterday when the loe Wagon Drivers' and Helpers' union decided to co-operate with the packing house teamsters. The impossibility of getting los to the big downtown hotels and restaurants, coupled with the crippled meat supply, gives a menacing aspect to the situation which i did not have twenty-four hours ago. Thus far there is absolutely no sign of yielding by either the packers or the teamsters and the escape of severe hardship by the public seems to be out of the question.

leemen Get in Fight.

tory in vesterday's test polo match at Hurtory in resterday's test polo match at Hur-lingham for the American cup was a com-plete surprise to all the experts and was all the more welcome to the huge gath-ering of Americana. According to all pre-vious form, the Englishmen should have won, but the American team rose splen-didly to the occasion and played a nearly faulties game, much better, in fact, than FITTSBURG, June 1 -- After a long and animated discussion the forty-fourth general assembly of the United Presbyterian church decided, in effect, that the time was not ripe to take action on changes proposed on the covenant mem-

won, but the American team rose splen-didly to the occasion and played a nearly faultiess game, much better, in fact, than they ever played here before. Waterbury and Keene were the particu-lar stars of the American team and again and again saved the game. The arrange-ments for the great match were admir-able and there was one of the largest gatherings of English poloists seen at Hur-ingham for years. The ground was rather soft after the rain of last night and the heal did not travel freely at any period. What perhaps was more astonishing than anything else, was that the American ponies were at no time outpaced by the English, yet some famous penies were playing for England. Walter Jones lent "My Girl," which is believed to be the best pony in England. to Miller and also lent to Patterson Nicalls "Luna" and "Charmer, the former of which is a Hur-ingham prize winner. "The hitting and combination play of the Americans was magnificent. The English players were some time very close to the posts and indeed repastediy shot at the post as the latter were only not a shot bis the integer were onl at the Des Moines general assembly last the memorial from the committee and that from the Lake presbytery. The covenant membership matter, having reference to distinctive points of church teachings, both in doctrinal and disciplinary tenets, was

the memorial from the committee to the By an overwheiming vote the assembly rejected the memorial from the Lake presbytery, which was handed in as a substitute for the committee's memorial. Next the assembly voted to continue the matter until the meeting of the next assembly, the entire question to be referred to a
