OSCEOLA, Neb., June 19 .- (Special Telegram.)-Osceola is one blaze of glory to night. Stores and residences are illumi nated in honor of the next governor of Nebraska, Hon. John H. Mickey. Mr. Mickey came in on this evening's train and was met at the depot by the Osceola Woodmen band and about 300 citizens. A carriage and four was provided and he was escorted to the courthouse, where a reception was held. He was welcomed home by the mayor, Mr.

A. A. Kannow, who presided at the meeting. It was an impromptu affair and very congratulatory speeches were made Judge T. H. Saunders, E. L. King, H. F. Henderson and a number of others, to which Mr. Mickey responded in a very happy manner.

After the speechmaking there was a general congratulations of the candidate. The people of Osceola are not slow to show to the rest of the state that those who know Mr. Mickey best have confidence that Ph no mistake was made in nominating him and that Polk county will do its share toward electing him. Even those opposed to him politically admit that the party has done well in honoring our townsman and as the chances of one of their own party drawing the prize on election day are slim they are glad there is the assurance of the state having a good governor.

There was nothing formal about the reception tonight; in fact, such an arrangement would have been distasteful to Mr. Mickey. It was simply a gathering of his townsmen and friends from the surrounding country to extend him a welcome home and assure him of their good wishes. The whole affair passed off in a most pleasant manner.

The bishop maintains that there is not one trace of spiritual help or physical gain from the use of tobacco, but untold evils have resulted from its use. The extent to which the bishop's abhor-

The annual convention of the Nebraska grand chapter, P. E. O., which convened Tuesday, Wednesday and Thursday of this week at Geneva, was one of the most successful and profitable meetings of the organization that has yet been held in the state. The twenty-eight chapters that exist in Nebraska were represented by delegates from twenty-five different towns, about fifty delegations in all being present. The town of Geneva presented a holfday appearance, all the business houses being decorated with yellow and white, while the five-pointed star, the insignia of the order, was in evidence everywhere. Nothing was left undone by the hostess chap-ter and residents of Geneva, for the en-

tertainment of the visiting women. Tuesday afternoon was devoted to the coutine business, the evening being given over to an informal reception to the delegates. As P. E.
