ANOTHER FOUNDRY PROPOSED

Featherstone Cempany to Renew Negotiations with Omaha Molders.

REPRESENTATIVE TO COME THIS WEEK

Rumor Has it that Chicago People Are Rendy to Offer Better Terms to Members of Omaha Union.

sive, for dispatch per s. s. Hong Kong Maru.

Maru.

Malls for the Philippine islands, via San Francisco, close here daily at 5:20 p. m. of a message from the Featherstone comput to June ** M. inclusive, for dispatch per U. S. transport. Interest in the Omaha molders situation

ceased. The Featherstone company made a proposal to erect a foundry in Omaha which, when completed would give work to all the molders, and backed its proposttion with the offer of a cash bonus to be forfeited in event of the failure to carry out the conditions of the contract. In the meantime the molders here, or as many as desired, would be given employment at the Featherstone foundry in Chicago, this to continue until the new foundry in Omaha

was ready for operation. This proposition was rejected by the local polders, who questioned the sincerity of the Featherstone company and considered the indemnity offered, \$1,500, too small for the considerations involved.

While the details of the new proposition to be submitted by the Featherstone people this week are not known to the molders here, it has been intimated that they will be such as the local men will be disposed accept. It is argued that the Featherstone company has found, after a more deliberate investigation, that tempting inducements are presented it in this city for the establishment of a foundry and it is willing to improve upon its former proposition very materially.

Naturally, the molders, those who have been apprised of the developments, are elated over the prospects of having a foundry here in their bome city. a mutually profitable solution of the situa tion almost certain.

EXPECT NO SLEEPING TIME Delegates to Democratic State Con-

> vention Anticipate an All-Night Session.

A Burlington train leaving the Omaha station Tuesday morning at 9 o'clock is to take to Grand Island for the democratic state convention opening there at 2 p. m., the 127 Douglas county delegates, many members of the Jacksonian club and some of the delegates from Sarpy, Burt, Washington and Thurston counties. At Lincoln and Ashland others will be picked up and it is thought that the train will reach

the convention city about 2:30. Some have been worrying about the hotel accommodations of Grand Island. They rereal that there are men on the delegation that they wouldn't want to mingle with in the dark now when relations are no more brotherly than last Saturday's convention left them. It is their opinion that if several of them went to bed together somebody might get up and turn on the gas. But the ring masters scout all worry about a place to aleep. They ony there
