Renewal of Contest Over Who is to Be Captain of the Organization.

GUARDSMEN TO CELEBRATE THE FOURTH

Lincoln Fusionists Have a False Alarm Over the Nomination of Price and Prepare to Receive Him.

(From a Staff Correspondent.)

LINCOLN, Neb., June 25.—(Special.)—Adjutant General Colby has determined to again try his hand at a settlement of the trouble in the Wyoming battery and he has issued an order calling for an election of officers of the organization, which is generally known as Battery A, Nebraska National Guard.

The order names a canvassing board to consist of Lieutenant Alfred McKinley, Lieutenant Arthur A. Murdock and Assistant Surgeon E. E. Yoder.

At least two Nebraska towns will have the military salute on the morning of the Fourth of July. Adjutant General Colby has given permission to Company E, Second Regiment, to go to Herman, while the Stanton Rifles are to go to Norfolk.

The adjutant general has approved the election of Oliver G. Osborne as first lieutenant of Company G, Second Regiment, stationed at Omaha.

Celebration Which Finished.

During the afternoon it was reported about town that W. B. Price of Lincoln had been named by the fusionists for auditor. Immediately extensive preparations were made to receive Price when he should return from Grand Island. It was planned to go to the Burlington depot and inaugurate a parade that would have been unique, if not positively unlawful.

BOYS FALL INTO THE TRAP

Demands Money or Threaten to Kidnap a Child and Are Caught Seeking Buried Treasure.

NELIGH, Neb., June 25.—(Special Telegram.)—Sam Fields and Bert Dillon of Oakdale, boys 14 and 17 years of age, are under arrest, charged with writing and sending the following unsigned letter:

C. H. Torpin: We do demand you to go off your dark horse and let us have the old stump on the northwest corner of the block your house is on. Bury it under six inches of ground. We will dig it out of that stump. Do this tonight when no one is watching. If these orders are not obeyed it will be an empty chair at your dinner table, and if you think more of \$50 than you do of a child, you can bury the money and lose it, but if the small amount of \$50 is not placed by the stump we will rob your child and end your life with a bullet, and if you mention this to anyone, no matter who it is, you will never see your money again.

Mr. Torpin placed a dummy package at the point directed and the place was watched, with the result of the boys being apprehended when they sought to obtain possession of the package. The parents of the boys are prominent people, but the youths long ago passed beyond parental control and have a general reputation for toughness. They will be examined before the county judge tomorrow.

The fireworks arrived today and the committee is having some trouble in finding a place to store them. The display will exceed any at the Omaha exposition. Surrounding towns which were planning to celebrate have given up their celebrations and will come to Fremont, and as the summer meet of the Driving Park association will be held the same week, with a long list of fast horses entered, big crowds are expected here.

Hair Falling?

Don't tell your friends of it. They would think it so strange. You see, they know Ayer's Hair Vigor checks falling of the hair, restores color to gray hair, and makes the hair grow. Then why don't you use it? "A few years ago my hair got very dry and I could pull it right out by the handful. After using a few bottles of Ayer's Hair Vigor I got relief. My hair stopped falling and I received a new head of hair."—Mrs. G. Harter, Milwaukee, Wis.

KILLING CLIMAX OF FEUD

Man Who Commits the Murder Shoots Himself, Probably Fatally.

TROUBLE HAD BEEN EXPECTED LONG TIME

Dead Man and His Slayer Meet on the Street at Seward and Shooting Commences Without Any Preliminaries.

SEWARD, Neb., June 25.—(Special Telegram.)—One man dead and another dying is the result of an old quarrel. This evening at 6:45 as John Hand was coming up town from supper he was met on the street near Callender's coal office by Alec Lange, who, drawing a revolver, shot Hand, killing him almost instantly. The ball entered just back of the right ear.

Lange then went to his home, about a block south, and entering the stable, shot himself twice, once behind the right ear and once through the stomach, and although he is still alive and able to talk, there is no chance of his recovery.

The tragedy was not a great surprise to the people here who are familiar with the circumstances and something of the kind has been expected for about two years. About two years ago, when both men were in the grocery business, Hand's name was mentioned quite frequently with that of Mrs. Lange, and about a year ago Lange attacked Hand with a club, but at that time the two men were separated.

Leaves Family Penalties.

BANCROFT, Neb., June 25.—(Special.)—Albert Johnson, who moved here from Omaha a year ago, deserted his wife and family last Wednesday night. He retired as usual in the evening and in the morning there was no trace of him. He came to town and drew all his money from the bank, leaving his family penniless. He was a renter on the reservation.

Two Children Shot.

MULLEN, Neb., June 25.—(Special.)—Report reaches here from Brownlee that the son and daughter of William Steadman, aged 8 and 9 years, were accidentally shot. One of the hired men was handling a shotgun when it discharged, part of the load entering the boy's scalp and part in the girl's side. Both are seriously hurt.

HEADACHE, BACKACHE, DIZZINESS

PE-RU-NA CURES PELVIC CATARRH.

"I am perfectly well," says Mrs. Martin, of Brooklyn. "Pe-ru-na cured me."

Mrs. Anna Martin, 47 Hoyt street, Brooklyn, N. Y., writes:

"Pe-ru-na did so much for me that I feel it my duty to recommend it to others who may be similarly afflicted. About a year ago my health was completely broken down. Had backache, dizziness, and irregularity, and life seemed dark indeed. We had used Pe-ru-na in our home as a tonic and for colds and catarrh and I decided to try it for my trouble. In less than three months I became regular, my pains had entirely disappeared, and I am now perfectly well."—Mrs. Anna Martin.

Miss Marie Johnson, 11 Columbia, East Detroit, Mich., is Worthing Vice Templar in Hope Lodge No. 6, Independent Order Good Templars. Miss Johnson, as so many other good women also have done, found in Pe-ru-na a specific for a severe case of female weakness. She writes:

"I want to do what I can to let the whole world know that a grand medicine Peruna is. For eleven years I suffered with female troubles and complications arising therefrom. Doctors failed to cure me, and I despaired of being helped. Peruna cured me in three short months. I can hardly believe it myself, but it is a blessed fact. I am perfectly well now, and have not had an ache or pain for months. I want my suffering sisters to know what Peruna has done for me."—Miss Marie Johnson.
