PEORIA, Ill., June 25 .- (Special Telegram.)-Omaha won from Peorla today in a game replete with errors and slow and listloss playing. In the second inning Stone hit a ball to the infield and beat it out Then Dolan hit a grounder to Tibald and both beat it out. Stewart hit to McGill and he threw it wild to Tibald at third, trying to cut off Stone, Hickey hit the ball and Stone scored, while Stewart was getting caught at second. Gonding hit a fly over Vaughn's head and Vaughn, O'Brien and Lezotte all stood and watched it strike the ground. That brought Dolan home, Owen sent a pretty single between Tibald and Ball and Hickey scored. Again in the eighth, with two men out, Stewart scored on errors. He reached first by hitting a single to left field and stole second and went to third on Wilson's wild throw. He scored on Hickey's single to left field. Gonding hit to Ball and was caught at first. LOCAL THREE-YEAR-OLD BREAKS RECORD

Ella Range, Going Alone Without Driver, Covers Mile Three-Fourths of a Second Better Than Ever Before,

An Omaha horse was the first 3-year-old o go a mile in 2:36 anywhere this season, and the feat was accomplished Wednesday afternoon on the half-mile Sprague street track in the second event of the first day's racing of the meet being held there. When The Critic, a handsome chestnut stallion from the Keystone stock farm, led his field twice around the track in the second heat of the 2:40 trotting class, no one realized that B. F. Thomas was driving him to a record, but when two of the three watches in the judges' stand had clapped it off exactly on the 30 mark, and the other at 29%, the glad news was heralded forth.

This fact helped to make the second race the best of the day, but after all his phenomenal showing The Critic did not win. His unsteadiness cost him the race, which went to Ollie Miller, a little black mare that took the first and third heats from The Critic because the latter could not keep on his feet. The Critic had the speed but Oilie had the steadiness. All three heats were between these two from the start, and The Critic could always step away from the black lady just a little bit, but is the first heat three breaks cost the victory, and in the last, just as the stallilon had it won at the final eighth, a bunch of hooting boys on the fence sent him off his feet again, and he lost. The best time in the race was what The Critic made in the second heat.

Ella Range's Wonderful Race.

Round is developed much clinching and the referee soverely cautioned Sharkey. Ruhlin, however, was equally guilty, and "roughed" a good deal, but escaped the referee's caution. It was a hard round and resulted in Ruhlin's favor.

The tenth round started fast and furious, Sharkey putting a splendid right on the mark. Ruhlin made the best of the round and Sharkey fought on gamely, while Ruhlin wisely kept out of danger.

At the opening of round II both were full of fight and the exchanges were rapid and vicious. Sharkey trying to get in a knockout. He was punched down repeatedly, but he wanted a lot of punishing to finish him and Ruhlin was too-stired to do it. Time after time the latter got in his right on Sharkey's body and his left to his jaw, but without attaining the desired end. Sharkey rolled all over the ring and was down when the bell sounded, and Ruhlin's seconds claimed the fight. The refered eclined to allow their claim, explaining that Sharkey was only knocked down eight seconds before the end of the round. Sharkey's seconds, however, threw up the sponge and Ruhlin was declared the winner of one of the most determined and desperate struggles ever witnessed at the National Sporting club. Even more remarkable than this was the work of Ella Range, the guideless wonder, for this mare broke her own record of 2:11 for a mile, pacing without rider or driver twice around the track in 2:10%. Ed Fitzsimmons, her trainer, was overjoyed at the time, as he did not expect it. and he says that the horse would certainly have done 2:08 yesterday had it not been for an unfortunate accident on the first start, when the hobbles broke, letting the horse gallop all the way around the track once before being caught. She was quieted down and the hobbles mended, and even then broke her record, laying to her work like a soldier at the wire, taking the pole at the start and never skipping once all the journey. So evenly did she stride that the speed did not appear great, and the time, when announced, brought great applause. This horse is one real guideless There is nothing on her but s animal. bridle, surcingle and some ribbon streamers She is brought in covered, head and all, with a blanket and is kept thus blinded till let loose up the stretch. She gallops

gelding, with heaps of fire and style, but blind in both eyes, was the sensation of the third race, a 2:30 trot. At first the animal was frightfully unsteady, going up in the air every sixteenth or so, but he showed in bursts of speed that he was faster than any of his competitors. By bad breaks he lost the first two heats, but then steadied down. The people had learned by that time the horse was blind, and they hal also been able to see he was fast, so he was a favorite, and in the third heat the work had steadied him down, so he took that and the fourth readily. In the fifth he went up again, however, and Bachelor Maid, who had won the first two, took by the last one and the race. Lady Downing ran second in each heat, but Jim Underwood took second money. He also made the best time of the race, 2:24, in the third

heat, in which he did not break. Duicte S had simply a walkaway in the fourth event, the 2:25 pace. Sumner Bruen, the famous old Iowa horseman, was driving her, and in the first heat he lay back all he knew the whole distance, holding Dulcie S clear back of the field till the last sixteenth, when he dashed up and took second place without any effort. These

second place without any effort. These tactics sufficed to keep Duicle S from smashing the class time, which was what Bruen wished, but his work did not go with the officials and Starter Sapp called Sumner up and told him to take that race or suffer the consequences.

Wine in a Walk.

So after that Duicle S simply ran away from them all, getting big leads from the start, and then Bruen would pull her down almost to a walk the last 100 yards, thus killing time, and still coming in winner by lengths. In the second heat the little mare reached the distance pole in 2:15 and could have easily made the wire in 2:15, but it was 2:21% when she got there. She is a wonderful little horse, with the smoothest gait imaginable, and she never flickers.

New Bicycle Club.

A new bicycle club is being or ganized by the wheelmen of Omaha. The object of this club is to renew the interest in wheeling. A short run of about an hour will be made every evening to different parts of the city, starting from the Omaha Bicycle company's store at the corner of Sixteenth and Chicago streets. This will give every one an opportunity to go out with a crowd every evening except Saturday. Every Thursday evening the run will be acheduled it of a coasting contest on some of the famous hills around Omaha. The first contest will be at Fortieth and Cuming streets at 8 p. m. June 26, which will demonstrate the coaster brake and how far a person can rick without pedaling. The first run will start Monday. Runs scheduled are: June 30, to Miller park; July 1, to Krug's park; July 2, to Walnut Hill and return on Farnam street; July 3, to coasting contest; July 4, no run.

gait imaginable, and she never flickers. The first race, the amateur trot, from which so much had been expected, proved rather unsatisfactory, because only two entries appeared, Almont, jr., owned by W. H. Dudley of Council Bluffs, and Polly Fox, by W. A. Paxton, ir. The latter horse was unsteady all the time and Almont won

easily in two half-mile heats. The Roman stadium race took place true to the program and, although the time of the winning team was only 0:31 at the quarter and 1:02 at the finish, the affair proved interesting. One of the swaying riders slipped from his perch to his off horse's back at the three-eighths pole, and came in astride, leading his other horse. Re-

President Roosevelt and Other Prominent Public Men Are Among the Strongest Supporters of the Plan Proposed.

LONDON, June 25.—"Gus" Ruhlin of Akron, O., defeated "Tom" Sharkey of New York in the eleventh round before the National Sporting club tonight. The fight was held in connection with the coronalism sporting tournament. Sharkey started in a slight favorite at 22 to 20. Both fighters were in the acme of condition. Sharkey's seconds were "Tom" Ryan, "Bob" Sharkey's seconds were "Tom" Ryan, "Bob" Sharkey and "Spike" Suilivan, while Ruhlin was seconded by his brother, "Billy" Madden and "Jem" Mace.

Adopting forcing tactics, Sharkey held his own in the first three rounds, although Ruhlin always managed to miss Sharkey's lightning left whenever there was any force in it. NEW HAVEN, Conn., June 25 .- One of the most important announcements of the Yale commencement season was the reference by President Hadley in his address this morning to the plan of a group of Yale men force in it.

In the fourth round Sharkey was cautioned a second time for holding, and although plucky, he appeared to be in treuble. Ruhlin showed great science and coolness. The fighting continued at a severe to establish a mission in the far east. Rublin was good on his feet and maintained a splendid defense, while Sharkey was the "receiver general." Both men were again cautioned for helding. It is to be undenominational and independent of any existing society, but will work in harmony with them and in specially close sympathy with the American board. This last named society has promised its moral support and its co-operation in certain practical matters, such as the purchase and distribution of supplies.

The mission is to be under the leadership of Rev. Harlan P. Beach of the class of 1878, at present educational secretary of the student volunteer movement and from 1883 to 1890 a missionary in China.

The mission is an entirely voluntary association of Yale men and will hold no official connection with the university, but many of the officials of the latter, including the president, are among its strongest supporters. It is to be controlled by a ouncil of forty men who have consented to serve in this capacity, with the following President, Rev. Timothy Dwight, D. D., L.L. D.; vice president, Rev. Edwin S. Lines, D. D., of New Haven; corresponding secretary, William Sloane of New York; reasurer, Pierce N. Welch of New Haven. The Congregational, Episcopalian, Presbyterian and Baptist churches are thus represented among the officers of the council All details of administration will be left to an executive committee, consisting at present of the following Yale men, who have developed the plans for the mission and raised an installation fund of about \$20,000: Deans Sanders and Wright; F. Wells Williams, professor of Oriental history at Yale; James W. Cooper, D. D., Yale corporation; Rev. H. P. Beach, secretary of the student volunteer movement; Arthur C. Williams of the class of 1898; Prof. Edward B. Reed and Anson Phelps Stokes, jr., secretary of the university.

Prof. Reed will act as executive secre tary. The medical examiner is to be D. TENNIS AT THE FIELD CLUB Walter James of New York. Rev. L. P. She never leaves the pole, never slackens, and there are no prompters around the track to urge her on. Fitzsimmons says that 2:08 on a half-mile track is as good as 2:06 on a mile oval.

A fine crowd was present to see these two record-breaking events and the first day of the meet was in every way a success. The quarterstretch was filled with handsome equipages, the grandstand nicely stocked as well. Add to this ideal weather, a perfect track and competent management and you have the whole story. Then there was one thing more that the borsemen liked especially, and that was the cry, "Come to the judges' stand and get your money now," that followed each race.

ABSOLUTE Beat Cudahy's Clerks.

A delegation of cierks representing the Cudahy Packing company went after the Union Stocks Yards Juniors last evening and were beaten easily, 14 to 1. Rohrbough's pitching for the Cudahys was invincible, but the team behind him played ragged ball. The feature of the game was the batting of Dale Talbot for the Juniors. The yards boys fielded a perfect game. Caughey allowed but four hits, striking out eight men. Score: SECURITY.

In looking at offices in different buildings, the greatest praise the owner or rental agent can give an office is to say that it is "as good as an office in The Bee Building." It may be in some respects, but it can not be in every respect. The Bee Building is one of the only two absolutely fireproof office buildings in

Omaba. The Bec Building is the only building having all night and all day Sunday elevator service. The Bee Building furnishes electric light and water without additional cost.
