

IDAHO LAND OWNERS NOW

Omaha Men Return After Entering Claims to Rich Timber Land.

PARTY HAS NEARLY SIX THOUSAND ACRES

Yellow Pine, Tamarack and Spruce as Thick as it is Possible for Trees to Grow—Settlers Are Hospitable.

Clement Chase, C. W. Rainey, Paul Charlton and T. C. Havens of the Omaha party which went to the Nez Perce Indian reservation in Idaho, returned yesterday morning.

The Omahans were very successful in securing claims on the reservation, which was opened for settlement last week. They left here in a special car to Billings, Mont., over the Burlington, and from there to Orofino, Idaho, where they took horses and wagons for the trip of twenty-five miles to the reservation.

Each man thinks he has the best claim. Said Clement Chase, "but the fact is that there is little to choose between them, for while some lie closer to the creek others have the heaviest timber. As a whole the land is the best timbered I ever saw."

BEACH ATTRACTIONS.

Preparations for a Great Fireworks Display and Large Attendance, the Fourth.

Courtland Beach offers this coming week the greatest list of free attractions ever presented to the public of this locality. As Fourth of July comes on Friday next the attractions have been selected with the view of making this the biggest week in the history of the beach. The street railway company's facilities for carrying large crowds to Courtland Beach upon the Fourth has been materially increased and promises to handle Courtland Beach traffic just as easily as they did the great throngs at the Transmississippi exposition in 1893.

Among the new attractions for today are the Aherns, sensational acrobats. Your Wrappers Are Good. The Cudahy Packing company denies the statement in Friday's issue of an Omaha newspaper to the effect that the soap manufacturers of the western states have decided to discontinue giving premiums in exchange for soap wrappers.

They say that no such agreement was made and that they have no intention of withdrawing their premium proposition. As evidence of this, they state that they have made a 5-year's lease of their Diamond "C" Premium Store in the Board of Trade building.

B. F. FELLMAN, Transportation Leader Nebraska B. Y. P. U., 2430 South 15th street, Omaha, Neb. Genuine imported beer on draught. Ed Maurer's, 1306 Farnam street. Notable Awards at Charleston Exposition.

Most notable among the successful contestants at the Charleston Exposition because of the large number of medals granted it, is The N. K. Fairbank Company. Three of its products, Gold Dust Washing Powder, Cottolene and Boar's Head Brand of Lard Compound, received the highest possible award within the power of the judges to bestow, namely, a gold medal.

GOLD DUST is known by every housewife in the land as a great cleanser. COTTOLENE is a frying and shortening medium, which is highly endorsed as superior to lard and cooking butter. BOAR'S HEAD Brand of Refined Lard Compound has been known and used for over 30 years.

The judgment of the jury is to the superiority of the Fairbank products in comparison with the leading products of the world merely endorses the opinion of the buying public, which has insisted upon these brands for years.

The N. K. Fairbank company has always been a firm believer in printer's ink and is among the most liberal users of newspaper space in the country. The members of the company attribute their success to the fact that they at first had good products to advertise and then were not afraid to spend money in letting people know about them.
