The sphinx-like silence of "Papa Bill" Rourke is finally broken. All through the bitter throes of that toboggan silde, and through the subsequent recovery and rapid regaining of lost games the Omaha man-ager has never peeped. Neither has he challenged the standing of any opposing players. "Pa" is certainly anything but a hard loser, and all the time he has had troubles of his own in addition to those which the public gleaned from the prints. Now, however, that it is all over and the buckled so far as to write from St. Joseph as follows: "The team is in good shape and is play-ing great balk, and would have come home way in first place but for the way we were robbed by the umpires at Denver and Colorado Springs. It was something awful the way we were treated there." Bo while a whole lot of people here at home have been attributing the misfor-tunes of the Gate City men on the diamond to every imaginable state of affairs, the manager has not been worrying about the boys at all and has not made any frantic stempts to explain matters. His expres-sion of opinion as finally given out, how-on his part with the team, nor does it go to show that the Omaha club is all gone on places. " Trank Centns, the popular center fielder,

to show that the Omaha club is all gone to pleces. Frank Genins, the popular center fielder, who has been playing infield positions so much of the time during this trip away from home, was in Omaha all day Wednes-day, and he corroborates the statement of Manager Rourke regarding the games in Colorado. Baid Frank: "The bunch we got handed to us in those two cliles was something fierce. I do not often lose my temper in a bail game, but I couldn't hold myself during those games. It was a nightmare, and we couldn't win by playing ball. I was on third base three of those six games and I can understand now how bad umpiring riles up the infield men so terribly." The team plays just three times more before reaching Omaha, once with Kanaas Clity on Thursday and twice more on Fri-day, the Fourth. Friday night they run up here and open at Vinion street park with Denver on Saturday afterneon at 445, as usual. Sunday there are two games scheduled with the Mountaineers, the first beginning at 3:30. INDIANAPOLIS, July 2.-Indianapolis and Kansas City broke even again today. Indianapolis outbatted the Kansas City team in the first game. Kansas City bunched hits to better advantage in the second game. Attendance, 2,058. Score first game:

President Haughton of the West End club announces that he had posted a \$1.000 forfeit, to be given to Sullivan and Corbett in case the fight should not take place. Robert Gray, representing the Southern Athletic club of Louisville, came here today to secure the Sullivan-Corbett fight for his organization. Mr. Gray states that he will guarantee the fighters the same purse, \$6.000, that the West End club offered. He has not yet fixed on a date when he would prefer to have the fight occur.

Rain Stops Races.

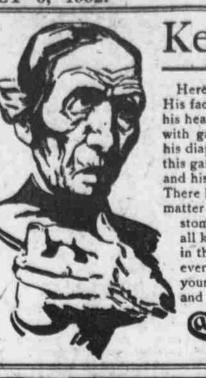

Rain Stops Races. FREMONT, Neb., July 2.-(Special.)-There was another heavy rain here last night and the air has been so nearly satu-rated with moisture that the streats have not dried up. On account of the wet trick the races at the Driving park could not be held this afternoon. Unless more rain falls the track will be in good condition tomorrow and some good races may be expected. There are an exceptionally fast lot of horses at the track and unless bad weather prevents the races will be well worth seeing. Nearly all the fast horses that were in Omaha last week are on the grounds and a good many others besides.

Foresters' Road Race.

The big bicycle road race of the Inde-pendent Order of Foresters, which has been postpoped twice on account of the rain, will be pulled off on the Fourth un-less the elements again combine to post-pone it. The race will be from inside of Krug's park to the end of macadamized road and return. The prize list has again been increased and there are now about twenty valuable prizes offered. So far there are only about twenty entries. In case of rain the race will be run Sunday. The race will start promptly at 1 o'clock.

Yates Interested in Olympian Games.

CHICAGO, July 2.-Governor Yates of Jilinois has accepted the invitation to be present and assist at the inauguration of the International Olympian games, to be held here in 1904. He said: "The enterprise is one that must enlist the sympathy and support of every person interested in the physicial, moral and military weifare of our people." A detail of state troops will be ordered to Chicago to participate, and the governor will endeavor to interest the governors of other states.

Keep Your Insides Cool!

Here's a man who thinks he has heart disease, and is scared half to death. His face is all drawn out of shape from fear and agony. Every time he eats, his heart "palpitates"- that simply means that his stomach is swelled up with gases from fermenting undigested food, and his heart thumps against his diaphragm. Nothing the matter with his heart. In the summer time, this gas distention is much worse, his whole body and blood get over-heated, and his heart and lungs get so crowded for room, that he gasps for breath. There he is, look at him! Every minute he expects to drop dead. As a matter of fact, all he needs is to stop that souring and gas forming in his, stomach and bowels, help his digestion along, and keep cool inside. You all know that whenever something rots or decays, heat develops. Same in the body. Keep cool inside! Take a candy cathartic GASCARET every night at bed-time. It will work while you sleep, clean up and cool your insides, give you a regular, comfortable movement in the morning, and you'll be feeling fine all day every day. Heart Disease! Fudge! Best for the Bowels. All druggists, too, age, 50c. Never sold in buik. The genuine tablet stamped C. C. C. Quaranteed to sure or your money back. Sample and booklet free. ST. JOSEPH. Mo., July 2.-(Special Tele-gram.)—The Western league magnates wound up their work and left the city to-day. Among those included in the black list are: "Dusty" Miller and Bob Ewing, who are playing with National league clubs. Miller is in the Chicago club, while Ewing is a member of the Cincinnati club. The magnates stood by President Sexton in refusing to permit Pitcher McCloskey to play with Denver until satisfactory ar-rangements are made with Little Rock. The case of Jack O'Brien, the former Kansas City American association player, who is now covering second for Peorla, was discussed and it was decided to allow him to remain with the distillers. It was shown that the Kansas City Western league management had not exercised its rights by asking that he be disqualified. The Kansas City club's scion was respon-sible for the action and the three pro-tested games with Peorla will receive no further attention. If You Want the Best

In looking at offices in different buildings, the greatest praise the owner or rental agent can give an office is to say that it is "as good as an office in The Pee Building." It may be in some respects, but it can not be in every respect.

The Bee Building is one of the only two absolutely fireproof office buildings in Omaha. The Bee Building is the only building having all night and all day Sunday elevator service. The Bee Building furnishes electric light and water without additional cost. The Bee Building is kept clean, not some of the time, but all of the time.

Keep these points in mind when looking for an office, and you will take one of those listed below, if you are wise.
