The "Gates face" is as prevalent just now as the bicycle face, the automobile face, or the ping-pong ankle. It indicates a man breaking his neck to find out what

Gates is doing in the market. Most of Gates's great successes on Wall street have been accidents. He was "dead wrong" on Northern Pacific, losing a million and a half. In the Louisville & Nashville deal he was the creature of conditions that he did not know existed. His intention was to make a quick turn in the market, to buy something intrinsically

other was badly beaten in all but a techni-nality. George Smith, the big sprinter from the First regiment, broke the quarter-mile record of the central A. A. U., mak-ing the distance in 0:50 3-5. The former record, held by William Moltney, was pisi 2-6. M. H. Herbert of Notre Dame pish the 220-yard hurdles in remarkable lime and not only beat the central A. A. U. record of 0:26 but excelled the col-legiste conference record of 0:25 2-6. Fred Hall of Hyde park, who holds the western two-mile record, ran a mile from the thirty-five-yard mark in 4:28 3-5. The central A. A. U. record is 4:39 1-5.

SETTLE FERGUSON MATTER

Pitcher May Remain with St. Paul,

but Cribbins Goes to Minneapolis.

Binacapoins. ST. PAUL, July 4.—President T. J. Hickey st the American association came to St. Paul today and settled the right to play Pitcher Charles Ferguson. St. Paul has been playing him, but Minneapolis has been laennon of the St. Paul club refused to give up the player and Hickey came here to compel the change. The local man-agers met with the league president and the matter was compromised. Ferguson did did not want to play in Minneapolis, and Pitcher Cribbins was turned over to Min-neapolis.

#### **Fast Ball at Wahoo**.

WAHOO, Neb., July 4.-(Special Tele-gram.)-One thousand people saw today two of the fastest amateur games ever played on the local diamond, one game lasting thirteen innings and won by Wahoo from Fremont by a score of 3 to 2, and the other lost by Wahoo to Springfield by 2 to 4. Longenecker for Wahoo pitched his team to victory in the first game and in the second game Wahoo was shut out by the masteriy twirling of Clement of Spring-field. Score, first game: R.H.E.

He is a giant of capacity, partner in the great game of stocks. He has dealt in more millions of securities than all the rest put together ever

After Keene we must place Fisk, then in their order Gould, Drew, Gates, Weed, White and Bell. Gates was the most sud-

come and sit by me and take this other mous capacity for food and drink. He is a glutton for work. Nobody ever heard of oar." "But this is not co-education. My his being tired. He looks ready to tackle Corkie," she said, noticing that they were any shape of man or beast that ever entered the arena, and no proposition is big a long distance from all the others. "This enough to frighten him. He educated his is segregation." And she put the boat about.

The steel and wire crowd burst upon asked the importer of an applicant for New York at the time when the National Steel, American Steel and Wire, National Tube, American Tinplate, American Steel Hoop and one or two other allied stocks were attracting the attention of the speculative world. Presidents of some of these corporations made their headquarters in a brokerage and commission house in New street that was the New York branch of a Chicago establishment which had long handled the commissions of the steel crowd. The manipulation of these stocks kept local speculators in a ferment. The "Steel "A few short years ago," answered the Crowd" coined money, while the outsiders ther, "I was in the "wealthy-customer" lost it. At first New York refused to take the westerners seriously, and everybody

good and sell it again at a profit. To his own amazement he found himself in possession of the road. The discovery nearly gave him stage fright. It would have given a more excitable man heart disease. Instead of perspiring, Gates drank two quarts of wine and ate three pounds of beefsteak, with "embellishments."

keep an eye on him.

He is magnetic. His voice is not that 1323 Farnam Street, OMAHA of a man who has fed on fats. Rich gravies usually produce huskiness. Gates' baritone, soft and mellow, and just a trifle me \$5.00 tallic, is as clear as a bell and well modulated. He could bellow like a bull if he took's mind to, but there is no necessity, for life to him is one grand, sweet song. Gates'schief interest in life just now is to push to the front his strapping son. He himself having achieved and arrived, it is now his pleasure to see that Gates, jr., makes a noise in the world. The young
