GRAHAM'S PITCHING OF WINNING SORT

Rourkes Land Third Game of the Milwaukee Series Through Fine Work of the Southpaw Sinb Artist.

Nine thousand people were late to their evening meal yesterday because they stayed out at Vinton Street park, waiting to see what Umpire Roe would do next. He did everything but stand on his head-that is, everything but give satisfaction. He is about the limit. Comparisons are impossible, for Omaha has never seen anyone like him. Only one thing can be said in his favor; he sweeps off home plate as neatly as any man that ever handled the broom. Yesterday he turned what would have been a cracking good game of bail into a howling farce by his queer actions. Eighteen players exhibited remarkable patience, while the crowd laughed and guyed the man whose incompetence was evident even to himself.

Outside the umpiring the pitching of Graham was easily the feature of the game. He allowed but five scattered hits, no two in an inning, gave but one base on balls, and was steady as a clock at all times. His support was to the bad, but the errors cut no figure in the scoring. In the eighth inning, with one gone, Cockman drew a base on balls, went to third on McVicker's long

the third, after two were down. Carter got a base on balls and second on a wild pitch. Genins and Stone hit for doubles and Dolan for a single, scoring three. In the fifth Carter hit safe, stole second, went to third on Genins' out and stole home. In fact, the Omaha runners didn't seem a bit afraid of Hanford, but stole bases at will.

Quite a vigorous protest has been sent

PARKE WILSON IS PUNISHED One Hundred Dollars Fine, with a

Prospect of Indefinite Suspension.

President Sexton is president of the league after all, and has not only the power, but the disposition, to punish rowdy piayers. The Bee takes much pleasure in publishing the following letter, which was sent Saturday from the headquarters of the Western league:

ROCK ISLAND, Ill., July 11, 1902—Mr. Parke, Wilson, Manager, Base, Rail, Club. the Western league:

ROCK ISLAND, Ill., July 11, 1902—Mr.
Parke 'Wilson, Manager Base Ball Club,
Denver, Colo.: Dear Sir—Advices from
Omaha relative to the occurrences which
took place during the progress of the game
of July 7 place you in a very bad light.
I am informed that you induiged in considerable "kicking" during the progress of
said game, and that in the eighth inning,
after being called out on strikes, you ran

siderable "kicking" during the progress of sald game, and that in the eighth inning, after being called out on strikes, you ran out into the diamond and assaulted the umpire and created such a disturbance that it became necessary for the officers of the law to remove you from the grounds and to jail.

Ever since the opening of the season the umpires have complained to me represently and most seriously of the conduct language and actions of certain members of your club and of yourself in particular. I have complained to Mr. Packard on several occasions and since meeting him in person and talking with him on the subject I am fully convinced that he does not and never has approved of such conduct; furthermore. I saw a copy of a letter written by him to you from St. Joseph, wherein he instructed you explicitly to pay more attention to the playing of your club, and do less wrangling with the umpires.

The records in this office show that your club has given by far the most trouble to the umpires, there being now seven fines and four instances of removal from the game registered against yourself. I know that you have had repeated warnings from President Packard, and I have twice written you in addition to my circular letter, warning you that such conduct would not be tolerated, and I cannot permit your latest diagraerful exhibition to go unpunished.

Under no conditions could you piead extenuating circumstances sufficient to my

Under no conditions could you plead extenuating circumstances sufficient to my mind to excuse you for openly assaulting an umpire on the fleid, and the fact that this was ladies' day, and an unusually large crowd of the fair sex were present makes your offense the more serious. In order to preperly punish you for this of fense and with the hone that this action may have a salutary effect throughout the circuit. I herewith suspend you from participating in any manner in any sames played by your club for an indefinite period, but knowing that your club is at the present time somewhat crippled in its catching department, and not wishing to handleap or injure the playing strength of any club. I shull not put your suspension into effect at this time, and will substitute therefor a fine of one hundred (100) Under no conditions could you plead ex-

dollars. This fine must be paid out of your salary, and caunot be included in any arrangement that may exist between yourself and the club unclais regarding the payment of fines imposed by the umpires (as allowed by the rules) and I am writing Mr. Packard to this effect.

In the event of failure on your part to pay this fine within ten (10) days from this date, or immediately upon notice that you are again indulging in the practice os senseless and unreasonable "kicking" on decisions and the use of profane and indecent language to the umpires, the suspension provided for herein will forthwith go into full force and effect. Very truly yours.

Mr. H. SEXTON.

President.

Tween Cleveland and Detroit was played last Thursday, that day being an open date with both teams.

Omaha Team Beats Argos. The citizens of Nebraska City witnessed a warmly contested game between the Lee-Glass-Andreesens of this city and the Argos yesterday afternoon. The notable feature of the game was the pitching of Sullivan. Attendance, 600. Score: Batteries: Lee-Giass-Andreesen, Sullivan and Clark; Argos, Seay, Delaney and Glazer, Time: 1:30, Umpire: Atkins.

GAMES IN AMERICAN LEAGUE St. Louis and Chicago Break Even on a Double-Header

CHICAGO. July 13.—The visitors won the first game by batting Garvin all over the field, making a total of nineteen hits. The score would have been much larger but for fast fielding by the locals at critical times. times.

Piatt was in great form in the second game and held his opponents safe all the time. Sugden's error was responsible for Chicago's first run; bunching hits and fast work on the bases scored the balance in the fifth. A double steal by Isbell and Mertes, on which the latter scored, was the feature of the game. Padden was put out of the game for kicking. Attendance, 12,690. Score, first game:

Ensy for Brewers. The Metz Bro.'s Stars defeated the Seventh Street Can Rushers by a score of 14 to 7.

GRAND TROTTING CIRCUIT Opening Day of Meet at Detroit Marked by Chamber of Commerce Stake.

DETROIT, July 13.—Grosse Pointe track, where the blue ribbon meeting of the Detroit Driving clubs opens the grand trotting circuit of 1902, will be fast if the weather predictions are fulfilled. The conditions were fine today and if the sun shines brightly tomorrow morning, as the weather observer predicts, it will be in splendid condition and fast when the races begin. Visiting horsemen from all parts of the country are in the city for the meeting.

of the country are in the city for the meeting.

The feature of the opening day will be the Chamber of Commerce stake for pacers. There are nineteen entries in this race and all but one of them have at one time or another beaten 2:10, which means that the race will not only be hard-fought, but will be paced in very fast time.

Another feature of the opening day is the 2:07 pace, in which Riley B. Shadow Chimes, Fanny Dillard and several other good horses are entered.

Tuesday the classic Merchants and Manufacturers' Ten-Dollar stake for 2:24 trotters will be decided. The Merchants' and Manufacturers' this year promises to be one of the best races in the history of the event, which has been in existence for thirteen years.

The base is bases; of base since that time prices have declined on all but the choice dry lot steers, and the de-

since that time prices have decamed on all but the choice ary lot steers, and the decline has been so uneven that it is difficult to tell just what a bunch of cattle will bring. As high as \$\frac{3}{2}\$ was paid this week, but the general impression is that a prime bunch would bring considerably more than that. The kinds that sell from \$1.50 down may safely be quoted 25\frac{2}{25}\frac{1}{25}\text{0}\text{c} lower than they were a week ago. The greatest decline is on the kinds that a week ago sold below \$\frac{3}{2}\$, and especially on those that show the effects of grass. On Thursday and Friday the market was very dull on the part fat and grassy stuff, and sellers in a good many cases found it a difficult matter to get even a bid on such kinds.

The cow market has also been very uneven, with the tendency of prices downward. Dry lot cows have held just about steady, but very few of that kind have been coming, Most of the dry lot cows are now selling from \$4.00 to \$4.75, though occasivally a sale is made from \$5.00 to \$5.00, but those are mostly cows that have been taken out of a bunch of steers. The decline has affected the pretty good grass cows that last week sold from \$1.75 to \$4.00, or a little better. The same kinds are now selling around \$3.2563.50. It takes a choice grass cow now to bring over \$3.50, and it takes a pretty good one to bring much over

selling around \$2.2873.59. It takes a choico grass cow now to bring over \$3.59, and it takes a pretty good one to bring much over \$3.00. It is safe to say that all but the good dry lot cows are 2569.59c lower than they were a week ago. Canners probably have not declined over 25c.

Good buils have held steady all the week and desirable feeder buils have been in strong demand. Veal calves have been strong all the week and have sold as high as \$5.00. Stags may also be quoted steady where the quality was satisfactory. strong all the week and have sold as high as \$5.06. Stags may also be quoted steady where the quality was satisfactory. Stockers and feeders of good flesh and quality were in active demand the first of the week and prices strengthened. As high as \$5.15 was paid, which is the highest price in some time. Good to choice stockers have also been in good oemand, but when it came to the commoner grades of all weights the market was dull. On Friday, as usual, the market eased off a little, so that as compared with the close of last week there is not much change in prices. Representative sales:

Week of Declines on Stock Exchange. Week of Declines on Stock Exchange,
LONDON, July 13.—The adjustment of
the settlement, the existence of considerable speculation for a rise and an absence
of general investors from the market, affected the Stock exchange adversely last
week and caused declines in most directions. A feeling of apprehensiveness pervaded the atmosphere and many operators
do not disguise the fact that they were
glad to see the week end. The public was
not disposed to relieve speculators in loans
and securities they were carrying and
three minor failures resulted. The market
was again obliged to borrow considerably and securities they were carrying and three minor failures resulted. The market was again obliged to borrow considerably from the bank in order to meet the demands from the Stock exchange settlement and the consol loan installment, but as there is no special demand this week the bank is expected to be reimbursed at least until another Stock exchange settlement is due. Paris is again buying gold in London, but the desire to send money to France is not sufficiently pronounced for gold to be taken from the bank for that purpose and no inflow of gold is expected, as Paris is absorbing all in the open market and the arrivals for American account are light. Railway securities last week were steady, with an optimistic tendency. Industrials were quiet and South Africans were disappointingly weak.

Weak Market on Bourse.

BERGAN, July 18.—The bourse maintained the same physiognomy of stagnation, Last week all departments were weak except domestic government securities, which were firmer upon the growing case of money and buying for English account. All industrials were lifeless at lower quotations, the weakest being electrical shares which declined upon the publication of the annual report of the Lahmeyer company of Frankfort, which showed a loss of 2,500,000 marks and the passing of the dividend, as against a dividend of 10 per cent in 1901 and of 11 per cent in 1900. Shares of the North German Lloyd line and the Hamburg-American Steam Packet company, although continually sold for Hamburg and Bremen secount recovered slightly. Irons were lower, notwithstanding the announcement of large American purchases and satisfactory trade conditions in Silesia. The Rhine country, however, reports a less satisfactory condition. Representatives of the bariron mills met at Duesseldorf yesterday and agreed to raise prices 5 marks. Coal shares were lower upon the June report of the syndicate, which shows a reduced output.

Domestic bank stocks were dull and frac-Domestic bank stocks were dull and frac

Dry Goods Market. MANCHESTER, July 13.—DRY GOODS—
The market last week was irregular and business was difficult. There was some sorting up at considerable rise in rates. Some orders were executed for India. The demand for China was inactive, but there was some purchases for Hong Kong. Yarns were unimproved, the turnover was poor and inquiries were rare except for immediate requirements. Spinners of American qualities appeared to be resolved to curtail the production. Report of Bank of Spain.

MADRID, July 13.—The Bank of Spain report for the week ended yesterday shows the following changes: Gold in hand, in-creased 20,000 pesetas; sliver in hand, de-creased 2,885,000 pesetas; notes in circula-tion, increased 3,206,000 pesetas. The clos-ing quotation of gold yesterday was 36.85. Minneapolis Wheat, Flour and Bran. MINNEAPOLIS.
