That Struggle Over Let for Engine Heuse in Jebbing District.

ELEVENTH AND JACKSON PROPERTY WIN

With Only Two Negative Votes Counoil Decides to Make Another Payment to Agent Metkle -Routine Business.

A final struggle ensued in the city council chamber Tuesday night over the purchase him had escaped. Staley said he came imof a lot in the wholesale district to be used mediately from the river to the police staas the site for a fire engine house, and the tion. friends of the Eleventh and Jackson street A peculiar dryness of his clothing was property came out victorious. An ordinate good evidence that Frank had been in pance was passed directing the city comp- the river. A tainted breath like unto that troller to pay the agent for this lot \$4,000. which issues from the lungs of a drinking This settles the fire house site question for man made those who listened to Frank's the present at least, since the agent, W. B. Melkis, agrees to wait for the balance until January 1, 1903.

The council had before it three propositions to sell lots in this district. The first was the lot at Eleventh and Jackson streets, owned by the Mechanic's Savings bank of Providence, R. I., price, \$15,000; the second was a lot at Twelfth and Jackson streets, C. B. Denney agent, for which \$10,000 was nsked, and the third was an inside lot at 1114-16-18 Jackson etreet, R. C. Peters & Co. owners, of which \$7,500 was the selling price, C. B. Denney was present to do a little quiet lobbying in the interest of his property, and during the deliberations out price from \$11,000 to \$10,000,

When the roll was called on the paswage of the ordinance it was found that Whitehorn had disappeared. A committee was appointed to find him and bring him back, but a few moments later the committee returned to report that the member from the Fourth ward was not to be found. The vote was as follows: Ayes Mount, Hoye, Hascall, Trostler,

Navs-Zinfman, Burkley-2. Lobeck and Whitehorn were absent. Upon recommendation of the city attormey the following personal injury claims were ordered paid out of the judgment fund: Stella Saunders, \$75; A. P. Gavin, \$25; Edgar C. Burkett, \$75; Ethel Chimmock, \$25; Mary E. Gavin, \$125; Garwood P. Butts, \$75. In addition to these E. M. Bartlett was allowed \$15 for attorney's fees and doctor's bill.

End of Molder's Trouble.

foundry in Omaha, and hence recommended that the union's resolutions in reference to the closing of the Union Pacific foundry be placed on file. The report was

The general appropriation ordinance for June, providing for the appropriation of \$129,868.14, was placed upon its first and second readings and referred to the committee on finance and claims. Of this amount \$47,000 is for regular items of running expense and the rest is for special items, including bonds and coupons for special improvement districts.

R. S. Berlin, gas inspector, reported that the city's bills for illuminating by gas and gasoline during June amounted to \$3,189.86. F. Daly, Chief A. G. P. A., Chicago. Another communication was received from the Country club requesting that two or three are lamps be placed "on Military avenue, from the former terminus of the street railway to the city limits." need for this," read the attached petition, "seems almost imperative, as the street, which is dangerous under present condi-tions, is used almost nightly by a large It was signed by E. Details of Gretna Girl's Attempt to Kill Herself at Denver Depot.

From Denver have come the details of the attempt made by Lena Rohwer, a Gretna girl, to destroy herself under the wheels of an incoming train at the Union station of the Colorado capital Monday morning. They tend to confirm the earlier report that she was insane as a result of long brooding over the similar affliction of a brother, who had been confined in the state asylum at Lincoln. W. S. Raker was taking her to her relatives at Colorado Springs in the hope that the change would tehray morning in horrible agony on a cot benefit her. Of the terrible affair at the in the rear of 1713 Pacific street, the result depot an eyewitness said:

of a dose of strychnine, taken evidently with "The two came in on the Burlington train, suicidal intent. The remains were rereaching the Union depot at 7 o'clock. The moved to the morgue, where Coroner train had just come to a full stop when the Brailey will hold an inquest Wednesday Union Pacific train from Kansas City swept around the curve and came in on the adjoining track. The girl, with Raker, climbed front of a shed in the rear of 1719 Pacific to the platform. Without a word the girl street by Stephen Nolan. He was propped sprang from Raker's side, raced across the against a wagon wheel, his head resting few feet of platform and deliberately threw between the spokes, suffering intense plated a road was built and at the request herself before the approaching Kansas City agony, though still conscious. Nolan went to the man to assist him and was informed "She had not reckened on the speed of
