GIBSON'S RECORD WORK FOR SEASON Cowboy Pitcher Prevents Rourkes

from Securing a Single Safety During the Entire Nine Innings.

Game won without a hit! Nine hits, two of which were two-baggers, did Kid Nichols' cowboys get off Pitcher Graham yesterday at Vinton street park, and Pa's men whiled away the whole afternoon without once connecting safely with Gibson's mysteries. A queer embination of luck and ragged playing by the visitors gave Omaha three runs in the have been won by Kansas City and the

were unable to do anything in their half of the ninth and the victory was the locals' by a score of 3 to 2. This was a game the like of which is seldom seen on any diamond. For seven innings Omaha batters faced Pitcher Gibson, only to fall merciless at his puzzling score. Attendance, 4,700. Score: delivery. He became a wigard to them. On the other hand Kansas City was batting Graham freely. In the seventh and again in the eighth the visitors netted a But Graham managed to keep his hits tolerably well scattered and the eight men back of him gave superb support. But for that matter Gibson, while he was deserted at times, had good backing, only three errors being made by his team dur-

With two out Stone passed on to first on another small scratch and Dolan put the ball down to Shannon, who threw a little wide, allowing Joe to get in under Kemmer at first. The decision was somewhat close, and while the cowboys were wrangling over it Genins stole home, bringing in the last and winning run. Thomas ended the inning by going out from short

Eddle Creighton caught another good game and got his base twice on balls. His throwing was good. The most sensational play of the game and the most brilliant en on the local diamond for some time was Ketchum's long running catch of Stone's drive into deep left center. It ooked like a three-bagger or a homer, but Ketchum drew the ball down on the run and took a couple of rolls, still grasping the sphere. JEFFRIES READY TO FIGHT Delaney Says He Was Never in Better Shape in His Life.

FITZSIMMONS IN GOOD CONDITION

Much Interest is Beginning to E Manifested in the Fight and Visitors Are Flocking to San Francisco.

SAN FRANCISCO, July 19 .- Interest in the Jeffries-Fitzsimmons fight is increasing. People are coming from the east and interior parts to see the contest and seats are being sold rapidly. George Siler, the well known referee, is among the latest arrivals. There has been no change in the odds and very little betting at the 10 to 4 price quoted. Jeffries people are holding out for a new shade on the quotation.

Wednesday Jeffries was a bit out of sorts and I asked him to call a halt. He has done it, nothing more.

more.
I don't know where these rumors of his being sick originated, but I suppose they were put in circulation to influence the betting. I can only caution our friends throughout the country to take no stock in such rumors and not take tright.
