Kansas City Veteran Puts Omaha Down Without Sign of a Run.

TWO COWBOYS SCORE OFF BUSY BROWN

Ten Thousand People See Home Team Shut Out for the First Time on the Home Grounds.

Ten thousand people vesterday saw the Kansas City Cowboys shut out the Rourke Rangers, the second shutout of the season and the first on the home grounds for Omaha. It was an ideal day and the fans took advantage of it in great style.

A pitchers' battle was the game from first to last and Generals Nichols and Brown, the opposing commanders, led their hosts of warriors in valiant style. No sensational plays marked the rigid contest, but hard, clean, steady ball was played throughout. Omaha managed to "extort" five hits off Kid Nichols' masterly delivery and the Kid's aggregation batted out a total of seven. Nichols quit the game with six strike-outs to his credit and Brown with one, while the old Bostonian made nine assists and the Omaha twirler seven. Each covered his position and pitched ball as if winning the game depended wholly upon him. Neither pitcher lost a chance at fielding and it was not the fault of Mr. Brown that the result was not different, but largely due to Mr. Nichols that the game ended as it did.

Nichols went into the game determined to avenge the rappings he received at the hands of Pa's children awhile back down on the Kaw and he was nursing no regrets when the battle was over.

Risley Scores First.

A safe hit, stolen base, sacrifice and long fly to left field, which Mr. Stone cordially received, gave the visitors their first run the fifth inning. Risley hit to left safely and stole second. He was advanced a bag by Shannon's sacrifice and went home when Messitt drove the ball into deep left. Stone made a good catch and returned the ball promptly, but the runner was across the rubber in plenty of time. Ketchum opened the sixth with a hit and managed to score by the aid of a sacrifice by Mc-Farland and a grounder which Davis sent to Hickey.

Stone had no difficulty in solving Nichols' curves, getting a total of three hits one of which was a double, made in the first, sixth and ninth ignings.

That turbulence and din of patriotic fane which has so often burst forth in the ninth inning in time to save the day for the locals, was produced in vain yesterday Tightly the fates had sealed their inexor able decrees that Omaha must lose and all IN the yelling was mere mockery. When Genins walked up to the bat in the fatal ninth Thomas Proves Effective in Game at the storm broke loose just as it did on Saturday when the home team snatched the game from the visitors after it looked like a shutout for the locals. Genius popped an easy one to "Slats" Davis. Stone was next and after making a couple of vicious passes at the leather the man from Iowa swiped it out for a clean single. Then it was a pandemonium. Wildly yelling and

bad ones in center. Eddle Creighton was in the game with a vim, as was every man on the diamond for the home team. The support given Brown was of the gilt-edged sort. Hickey and Genins each came in by Fox. Attendance, 6,000. Score: for two assists and Carter was not given a chance by the Cowboys. Today is ladies'

Kannas City Loses a Fielder. Herman McFarland, who has been playing left field for Kansas City, departed has night for Baltimore, to join the American league team at that place. McFarland is under contract with Comiskey of the Chicago Americans and was simply loaned to Kansas City. He is the contribution the Chicago manager makes to the team which takes the place of the former Baltimore

nine. McFarland himself much prefers to remain with Kansas City. Nichols has signed a young player named Hartzell, who has been playing in the Utah league, to occupy the left garden. Jackie Weimer will pitch for Kansas City today and Owen for Omaha.

MEMPHIS, Juty 20.—Just as the game between the Memphis and Nashville teams of the Southern league was called today Deputy Sheriff J. P. Wooten stepped on the ground and attempted to serve warrants on both teams and Umpire Kelly, charging the men with playing a game of base tall on Sunday last. Wooten attempted to take Manager Frank off the field, when Deputy Sheriff Ernest Miller informed him that he had already served warrants on all of the men, charging them with the same offense, and that bonds had been given in each case. Wooten became excited and attempted to draw a revolver, when the police disarmed and arrested him and sent him to beadquarters in a patrol wagon, charged with carrying a concealed weapon and resisting an officer. After the game the members of both teams were served with warrants by Miller, who was acting in the interest of the players, charging them with playing base ball today.

In fact there was so much unevenness that it was difficult to tell much about the market.

There was a heavy run of cows all the week, but the quality was rather inferior. There were very few dry lot cows, but the market broke on what few did arrive and could be quoted 25050c lower for the week. The big break, however, was on the grass cows, and they may be quoted right close to 31 per hundred lower than they were ten days ago. The market rarely goes down as rapidly as it has the last week or ten days, and as a result the prices pald have been very uneven. Canners are also lower, but 25c would just about cover the decline in the great majority of cases.

Both fat and feeder bulls have eased off a little, and may be quoted 25070c lower than they were a week ago. Stags have also taken a drop, but veal calves have held just about steady, where the quality was at all good.

There has also been a good run of feeders for this time of the year, and in fact there was a little more than the country would take at steady prices. The very best heavyweight cattle and the choice year-lings showing fiesh as well as quality, did not break very badly, and 25050c would easily cover the decline. The medium and common kinds though, have been very dull and the market is fully 50c lower than it was a week ago., Buyers from the country are almost all looking for the good cattle, so that common stuff is a drug on the market. Speculators, though, cleaned up in pretty fair shape this week at the reduced prices, so they will not have to carry over many cattle until next week. Representative sales:

HOGS-There was a good Saturday's run of hogs here today, and as other points were quoted lower prices here also took a drop. The market opened rather slow and generally a nickel lower, but the feeling grew worse and the market soon became soffite lower. Packers did not take hold with much life, and as a result trading was slow from start to finish, and it was late before a clearance was made. The same as noted yesterday, buyers were very beari

MANCHESTER, July 70,—CLOTH—The market last week was generally dult and unsatisfactory, though prices were firm. Meanwhile the demand is increasing in various directions and the demand, when it becomes workable, promises to be of fair dimensions. The figures obtained during the week for Calcutta shirtings were generally not such as to be entertained. There was some Bombay and Madras trade, while Chinese was lethered. Yarns were irregular, with a quiet retail inquiry, and prices were barely maintained in the face of dearer cotton.
