CHAMPION OF THE WORLD

Pays Pe-ru-na High Tribute as a Catarrh Cure.

Frank Sherman, National Hotel, Washington, D. C., is champion pool player of the world, defeating Dr. Oro, the former world's champion pool player, by a score of 150 to 101.

"I have suffered for years with a distressing case of catarrh. I have tried everything which was prescribed and advertised for that trouble but experienced no relief until I tried Peruna.

It is indeed a dreadful case of catarrh, wherever located, that Peruna cannot cure, or at least greatly help. It may be procured at all the drug stores and it should be given a faithful trial by those who have tried in vain elsewhere to get relief.

A book on catarrh and catarrhal diseases of 64 instructively illustrated pages will be sent free to any address by the Peruna Medicine Co. of Columbus, O.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of the Hartman Sanitarium, Columbus, O.

There are almost countless numbers of remedies said to cure chronic catarrh. The most of these are of no use whatever and worse than useless, being actually harmful.

A few are successful in a small number of cases—those which are very slight and easily curable—cases which might perhaps get well by simply taking care not to catch cold again.

But of all the vast multitudes of medi-

cal remedies, it cannot be said that there are more than two or three which are actually specific, and without doubt the most reliable is Peruna.

It always cures when faithfully and conscientiously used. It not only cures catarrh of the head and throat, but catarrh of the stomach, liver, kidneys, bowels, bronchial tubes, lungs, and, in fact, any of the organs of the human body.
