Rock Island Operating Corporation Files New Articles of Incorporation Under the lows Law.

(From a Staff Correspondent.) DES MOINES, Ia., July 31 .- (Special Telegram.)-The state executive council at 11 o'clock tonight completed the assessment of railroad and other property. On railroad property the increase was a little over \$4,000,000, almost entirely on trunk lines, the Northwestern, Burlington and Milwaukee getting most of the increase. There was also an increase in telegraph, telephone and express companies. The railroads alone will be obliged to pay \$121,-245.68 more taxes than last year. The state levy was fixed at 31/2 mills, which will yield approximately \$1,995,000 in taxes. The council took into consideration the war claims refund in estimating the revenue needed. The exact increase in railroad valuation was \$4,041,556, making the total \$51,112,814. The principal systems bear most of the increase as follows:

This leaves but \$68,762 increase for the

minor lines. The Wabash and Iowa Central were not changed. About 700 telephone and telegraph companies were assessed at an actual valuation of \$6,512,496, the taxable value being one-fourth of this. This makes an increase in the taxable valuation of the telephone contracts will be let immediately. About and telegraph companies of \$327,976. There are nearly twice as many of the companies foot grade is necessary to cross the Botna this year as last. The express companies were valued at \$336,273, an increase of \$104,-

Rock Island Reorganization.

The Rock Island reorganizers made arrangements today so that the railroad may continue to do business as an Iowa corporation in the operation of their roads by incorporating as an Iowa company for \$125,- across the room. At this climax of the 606,000. The name of the new company is the Chicago, Rock Island & Pacific Railroad of the Hunkles. company. Headquarters are in Des Moines with branches in New York and Chicago. The articles were filed with the county recorder and later with the secretary of state, and to the state the company paid a filing and recording fee of \$125,016.20. The actual filing was done by John I. Dille, assistant Iowa attorney for the Rock Island, with headquarters in this city. Mr. Dille refused later to make any statement what- day, as Monday is labor day. Judge Wakeever as to the plans of the company or the purpose of making this reorganization, preferring that the other officials make a statement in the east. It is hinted that the Atchison is in the deal, but as to this nothing can be learned here. But there are quits a number of other roads that are now virtually controlled by the Rock Island which have not yet become a part of the systam.
