BLOODIEST EVER FOUGHT IN COLOMBIA

Both Sides Have Strong Forces and Will Fight So Long as Ammunition and Men Last.

PANAMA, Colombia, Aug. 2 .- Since yesterday the battle at Agua Duice has been the sole topic of conversation here. Both liberals and conservatives anxiously await and the police intend to take extensive the result of the engagement, which will go into history as one of the bloodlest ever fought in Colombia. General Morales Berti is among the bravest and most experienced generals of the conservatives. He has from 3,000 to 3,500 fine soldiers and his forces are strongly entrenched.

General Herrera is undoubtedly the best military leader the revolutionists have. Personally General Herrera is said to be courageous and a great organizer. It is believed he has not over 4,000 men, but the terrific charges upon the entrenchments about Agua Dulce made by his troops prove that they are daringly vallant.

DIED WITHOUT NOURISHMENT Eight Children Said to Have Practically Been Starved to Death by Chicago Woman.

CHICAGO, Aug. 2.-The police have arested Mrs. Nell Campbell of 655 Grand avnue on a charge of allowing an infant to die from insufficient nourishment. It is aileged within the last three years eight other infants have been buried from the woman's house. Yesterday Dr. Welfeld was salled to the Campbell house to attend the infant which has since died. He found it in such a condition that he refused to issue a death certificate, claiming that the child died of starvation.

The assertion that eight children have died in the house is made by Viola Campbell, 14 years of age. Mrs. Campbell says that she is the mother of the girl, who claims that Mrs. Campbe.
