QUINN'S LAST FIND IS A WONDER Feeney of Mississippt Shuts Out Omaba with Apparent Ease, but Gets

Wonderful Support from

His Team Mates.

One Feeney from Natches proved his pitching prowess at Vinton Street park Saturday by letting the Rourke Rangers down without a tally. Meanwhile Joe Quinn's Des Moines house party scored three times.

This was not a pleasant welcome home for the Omahas, especially as the 3,000 speciators exhibited considerable giee at the undenlable pretty work of the Undertakers. The fact that it remained for a new one from the Cotton Belt league to administer the pill did not enhance the situation, but the setto served to show the ocals that there has been good reason for Feeney's winning so many of the games he has nitched for Des Molnes.

The visitors played an errorless game, but Omaha's infield was also superb, there being not an error of consequence around the angle lines, while some stellar plays were made. Backof's catch against the fence of Dolan's fly was the fielding sensation of the afternoon.

Quinn's retainers did no wonders with the stick, as they made but seven hits, which were bunched only once and then not closely enough to win the game alone. Omaha's Unsteady Work.

As a matter of fact unsteady pitching and an error were responsible for all the visttors' runs. By the sixth toning Owen had already given three walks, but saved himself each time, because one hit was the total off him for those five lunings. In the sixth, however, Frank tempted fate once too often, for after he had given Clark his base that astute outfielder stole second and came home easily on O'Leary's two-

Thus the game seemed won on only two hits, while Omaha had made five to date. Just for that Can Stewart retired Owen and put Brown in. Mordecal started well and did not give any bases on balls, but he developed a tendency to hit batters that served the same purpose. He started the ninth by giving Warner a belt in the back. Then Burg fouled out to Gonding, and Backof drove a single across second sack. Graham stooped to pick it up, but surprised himself by letting it go through his fingers to the fence. So Warner scored and Backof made third, scoring on Lobeck's single that followed.

Frank Genius could walk on his sprained ankle enough to umpire a great game. There was not a kick or a delay at any time and it is a cinch what Frank can do if he wishes when he quits wearing the short pants. "Podge" Alloway worked out before the game, as usual. Score; DES MOINES.

HANDSOME BROWN PACES WITH EASE

McHenry Says the Stallion Was Going Easy, but He Did Not Make an Effort to Lower the Record.

COLUMBUS, O., Aug. 2.-The feature of the closing day of the Grand circuit harness meet was the successful attempt of the undefeated pacing stallion, Dan Patch, length apart until the homestretch was to beat the record of his sire, Joe Patchen, 2:01%. Driven by his trainer, Myron Mc- Lord Derby swerved and broke, and Henry, the handsome brown horse circled the track in 2:00%, half a second faster than his sire's record. ment after the trial: "My intention was to drive Patch a mile close to 2:01%, but not quite reaching that march, thus escaping the penalty of the record and leaving the horse in the 2:04 class. The day was perfect for racing. A light breeze prevailed, but it was not strong enough to interfere with the speed of the horses. The track was in splendid shape and everything was favorable to record-breaking time. Horsemen from all over the country were on hand to witness the contest. Among the celebrities who occupied boxes were William C. Whitney and B. F. Tracy, both former secretaries of the navy, and Arnold Lawson of Boston, a son of Boralma's owner, was scated in a box beside John Roach, the representative of Thomas W. Lawson. Lord Derby was a hot favorite in the betting. Just before the first heat odds of 2 to 1 were freely offered on him. When Boralma won the first heat the odds

Boralma Badly Injured.

As soon as the heat was over the anhouncer called for a veterinary surgeon. Dr. G. H. Lee of Boston responded and found that Boralma had been so badly injured that he could race no more today. Consequently, with the consent of the judges, he was drawn. In order to fulfill the requirements of the match Lord Derby trotted the next heat alone and was then by a runner, trotted an exhibition mile in

After the accident Boralma was taken to his quarters and Dr. Lee set to work on the injured animal. He told a representative of the Associated Press that the wound was the result of the horse over reaching and the gash cut in the jeg was four inches in length. He was unable to say if the horse had been permanently injured.

T. D. Marsh, who drove Boralma, said he was unable to tell just when the accident occurred, but was of the opinion that it occurred at the three-quarters pole. Mr. Roach, Mr. Lawson's representative, said the injury would undoubtedly prevent the race between the Boston horse and The Abbott on August 30. The Lawson contingent was deeply disappointed and said that Boralma would have won had he not been injured. In addition to the big match there were

three other events on the card. The 2:09 pace brought out only three starters. Joe Pointer won two out of three heats with Sphynx S. second and Diavolo third. Pointer was set back in the second heat for blocking Sphynx S.

The 2:11 race was won by Don Derby in straight heats, with Annie Leyburn second and Onoto third. Don Derby's victory was won in hollow fashion. The 2:14 trot was taken by the King in straight heats: Summary:
