

CHANCE FOR MANY TEACHERS

All but Three of the Counties in Nebraska Report a Shortage in Supply.

PERSON HAS NONE WHO QUALIFIED

Many from Other States Write to State Superintendent—Little Girl Who Was Accidentally Shot Will Recover.

(From a Staff Correspondent.) LINCOLN, Aug. 18.—(Special.)—One of the strongest and most convincing proofs of the prosperity of the people of the state, especially those of the rural communities, is the scarcity of public school teachers. A few years ago there was a demand for practically every school position in the state, now there is a demand for teachers in nearly every county. Even in Lancaster county, the home of the University of Nebraska and several other colleges, there are not enough teachers to go around. Frontier county has reported forty vacancies in its rural schools, and the superintendent of Hamilton county has written the state superintendent that thirty-five of the best qualified teachers of that district have resigned. McPherson, Adams and Box Butte have reported vacancies and asked the state superintendent to assist in finding teachers for their schools.

The publicity given the fact that there is a scarcity of teachers in Nebraska has increased the correspondence of the superintendent's office, applications being received daily from various other states. To all of these inquiries Superintendent Fowler replies: "I am in receipt of your letter of recent date. There are vacancies in the rural schools in nearly every county in the state, with the exception of Cheyenne, Nemaha and Saline. In the western counties especially the demand for good teachers is greater than the supply. I would suggest that you correspond with the superintendents of the counties in which you would be willing to teach."

The superintendent of McPherson county sends Mr. Fowler the following appeal: "I write you regarding the situation in our county as to teachers. There are needed in the county about eight teachers, counting the district intended to be organized, and counting two each for the districts containing two school houses. In the districts now organized there are four that will have schools as follows: One for nine months, divided between two school houses, \$35; one for four months, \$25; and one for twelve months, divided between two school houses, \$30. As you probably remember there was not a teacher for this county to attend the county institute, and as attendance at an institute is a necessary qualification it leaves us without any teachers. I am writing to you to see if you can solve the problem for us. We are going to get teachers. Some teachers object to teaching in this county on account of the distance from town, as some of the schools are from twenty-five to thirty miles away."

New Telephone Company. Articles of incorporation of the Fremont Telephone company were recorded in the secretary of state's office today. The company is capitalized for \$100,000. Its incorporators are: J. L. Laird, B. W. Reynolds, J. R. Henry, W. E. Lee, W. J. Courtwright, W. J. Davies and J. H. Williams.

Vella Glasman, the 11-year-old daughter of Mr. and Mrs. E. F. Glasman, 2603 A street, who was hit by a bullet while standing in an O street bakery Saturday night, is recovering and will probably sustain no permanent injury. The bullet came from a gun in the hands of Harry Davoll, who was exhibiting it to a crowd of people. It was loaded and happened to pull the trigger just as the little girl came in front of its muzzle.

The city council is ordering the repaving of sections of streets in the business district. O street will be paved from Sixteenth to Twenty-seventh and several blocks on Ninth street be given similar treatment. There are several other districts for which contracts will soon be awarded.

Light Attendance at Reunion. BEATRICE, Neb., Aug. 18.—(Special Telegram.)—The attendance at the reunion yesterday and today was light. Sermons were delivered Sunday by Revs. S. Cannon, Hess and Price, local ministers, including the regular exercises in the afternoon and a campfire at night. The feature of today's program was a parade of veterans through the streets of the city, escorted by the Nebraska National guard and Seventh United States battery. Hon. W. A. Calderhead of Kansas, who was booked for an address today, was unable to be here.

Because papa gets so mad when we make a little bit of noise. What makes him that way? Because papa says it's dyspepsia makes him act so crazy. That's about the way it strikes the small boy. The dyspepsia has no idea of his own unconsciousness or hardness. Little things are magnified and seem to justify his wild anger. There's a health for the dyspeptic and happiness for the family by the use of Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and restores perfect health and strength, by enabling the perfect digestion and assimilation of food. I have taken one bottle of Dr. Pierce's Golden Medical Discovery for indigestion and liver complaint, writes Mr. C. M. Wilson, of Yankton College, Yankton, S. D. 'I have had no bad spells since I started taking your medicine. I have not felt like the same man. Since I took the Golden Medical Discovery I can eat anything I want without having any indigestion. LET'S GIRL DIE AN OUTCAST

Heartless Callaway Farmer, Though Wealthy, Refuses to Aid Dying Daughter.

KEARNEY, Neb., Aug. 18.—(Special Telegram.)—Miss Fonda Lane, of Callaway, died at the city hospital in Kearney Sunday morning at 7:30 of typhoid fever, resulting from complications of other troubles. Back of her troubles which she came to Kearney to hide was a young man of the vicinity of Callaway, who disappeared at about the time the girl's troubles culminated in this city. The young lady's parents live on a farm near Callaway and are said to be in good circumstances, but they threw her overboard when they learned of her trouble, and during the weeks she was in the hospital here they would have nothing to do with her nor come to see her nor contribute anything to her comfort or maintenance. They were kept advised of the girl's condition and were telegraphed to come to Kearney at once if they could not get their daughter home. A telegram was sent Sunday advising them of her death, but the father refused to pay for or receive the telegram and could no more than surmise the contents. The funeral was held this afternoon from Bowler's undertaking parlor. The expenses of the sickness and burial of Miss Lane have been borne by the county, but as she was a minor and the father is able to pay the claim has been given to an attorney, who will call on the hard-hearted father and invite him to liquidate.

LAWRENCE FIREBUG WEAKENS

Confesses to Starting Disastrous Fire at Instigation of Two Saloon Keepers.

SUPERIOR, Neb., Aug. 18.—(Special.)—Joseph Robinson, who was arrested in Omaha late last week for connection with the case of the fire at the saloon owned by Keller and Miller, has made a full confession. He states that he set the fire which consumed Fuehring's saloon, Gildford's hardware store and the Locomotive printing office, and that he was hired to do the work by Keller, Miller and Morris, saloonkeepers connected with the case. Dr. Brown of St. Charles was in no wise implicated in the confession and at his preliminary trial before the county judge no evidence was found incriminating him, and he was released. The bondsmen of Keller and Morris appeared before the county judge Saturday and asked to be released. The bonds of these men were \$1,200. Robinson says two of the men are implicated in other fires which have occurred here in recent years in which buildings owned by Keller and Miller were consumed. In the past half year there have been six fires here, causing much consternation to property owners, who determined to probe the matter and prosecute the incendiaries. Detective Franklin, who suspected Robinson because of his lavishness with money succeeded in drawing out a full confession from the suspect.

HANKS IS FUSION FAVORITE

Otoe Man Gets Congressional Nomination in the First to Oppose Bucklett.

FALLS CITY, Neb., Aug. 18.—(Special Telegram.)—The democratic and populist congressional conventions met in this city this afternoon and nominated Howard H. Hanks of Otoe for congress. W. B. Price of Lincoln presided over the democratic and George W. Berge over the populist. Each convention named committees on resolutions and conference. The conventions then met jointly, presided over by George W. Berge, who delivered an address such as the populists like to listen to. The name of Mr. Hanks was the only one mentioned and he was nominated by acclamation by both parties.

Superior Gets a Scorch

FERRIS-HAGGERTY MINE SOLD

Wyoming Copper Deposit Purchased by North American Concerns for \$1,000,000.

RAWLINS, Wyo., Aug. 18.—(Special.)—John S. Carey, president of the North American Copper company and the Mine and Smelters company, Willis George Emerson, president of the Southern Wyoming Tramway company, and their attorney, E. F. Richardson of Denver, were here Saturday and completed arrangements for the transfer of the famous Ferris-Haggerty copper mine to the North American Copper company, the corporation recently organized for the purpose of consolidating the allied interests in the Grand Encampment and Battle Lake mining districts. Everything was arranged to the satisfaction of all concerned and the first payment of \$250,000 on the purchase price of \$1,000,000 will be made on September 1. Hon. J. C. Davidson, one of the directors of the Ferris-Haggerty company, has been appointed to make the transfer of the property. President Carey of the Mine and Smelter Supply company stated Saturday that the last towers of the Grand Encampment-Battle Lake aerial tramway have been erected and by September 1 the cables will be strung clear through from the smelter at Encampment to the Ferris-Haggerty mine.

County Falls for Minnehaha.

SIoux FALLS, S. D., Aug. 18.—(Special.)—At a meeting of the members of the board of directors of the Minnehaha Agricultural society to arrange for the first annual county fair, to be held in this city next month, premium lists were decided upon and much other business transacted. Animals owned in any other county or in any other state may be exhibited and offered for sale on the sale day of the fair, but they will not be considered as competitors for premiums.

Equalizers Will Consider Protests.

PIERRE, S. D., Aug. 18.—(Special Telegram.)—The State Board of Equalization and Assessment will meet tomorrow to consider protests filed as to their work at the regular session. The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive in its nature. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of this wonderful disease. If kidney trouble is allowed to advance the kidneys themselves break down and waste away cell by cell. Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickly by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It corrects inability to hold urine and scalding pain in passing it, and overcomes the unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one-dollar sized bottles. You may have a sample bottle of this wonderful medicine without cost, and a book that tells all about it, both in English and French, sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Colorado, inspected the water works system, which is now inadequate for the needs of the city, and has recommended the installation of a new pumping plant, building of a new standpipe and the laying of more and larger mains, etc., the improvements to cost about \$12,000. Depositions in Dakota Bond Case.

PIERRE, S. D., Aug. 18.—(Special Telegram.)—George H. Roundtree of Wilmington and Charles E. Shepherd of Raleigh are in this city today taking depositions of state officers before I. W. Goodner before the United States court here against the state of North Carolina for collection of bonds amounting, principal and interest, to over \$30,000. South Dakota is being represented by Colonel R. W. Stewart, acting for the attorney general.

Mammoth Elevator for Hartford.

SIoux FALLS, S. D., Aug. 18.—(Special.)—A mammoth grain elevator is to be erected at the roller mill at Hartford. It will be similar to the Farmers' elevator, which was recently completed at the place. The new structure is to be completed within six weeks. A building of this kind is needed at the mill to store sufficient grain to keep the wheels turning during the seasons when no wheat is marketed.

Sally Pioneers Hold Reunion.

SIoux FALLS, S. D., Aug. 18.—(Special.)—At a meeting of the officers of the Old Settlers' association of Sally county September 12 next was decided upon as the date for the annual picnic of the association. TENNIS TOURNAMENT BEGINS

Cluster of Unusually Brilliant Matches Come Off First Day.

PARKER MAKES BEST SHOWING AT PLAY

Arkansas Man Easily Defeats the Champion of Omaha and is Generally Tipped to Win in Finals.

A cluster of unusually brilliant matches occurred in the first day's play of the interstate tennis tournament at the Field club Monday afternoon. Of the dozen or so star men among the forty entries fully eight appeared in play on the opening day, and in three of the matches these cracks were opposed to each other. The other two had comparatively easy things. As a result of this sort of the best men in the entry list are already retired, and consequently the consolation tournament in singles, to which only those defeated in the first round are eligible, will be the vehicle of tennis very little inferior to that of the struggle for the challenge cup.

This unusual bunching of the strong men in the opening afternoon's play resulted from the failure of several of those scheduled for the preliminary rounds to arrive. Eight matches were arranged for the preliminary round for Monday. Owing to the absence of outsiders only three of the play were present and ready to play. It was decided to announce no defaults, but to play off some of the first round pairs in place of the five. This was done, five matches from the first round, which had drawn byes for Monday, being called out anyway. They brought out the cracks and generally one against the other.

To summarize, W. G. Parker of Arkansas City, Ark., laid low Conrad H. Young of Omaha, 6-1, 6-2; Isaac Raymond, Jr. of Lincoln beat George Howell of Sioux City, 7-5, 6-2; Dr. F. E. Sheldon of Kansas City beat E. H. Graves of Lee's Summit, Mo., 6-2, 6-1; S. S. Caldwell of Omaha beat W. M. Holland of Galesburg, Ill., 7-5, 7-5; Earl Farnsworth of Grand Island beat Lee Van Camp of Omaha, 6-0, 6-0; Millard Hopkins of Minneapolis beat A. P. Byrnes of Omaha, 6-2, 6-2; Jerome McGee of Bennington, Neb., beat H. D. Copeland of Topeka, Kan., 6-4, 6-3; F. B. Sanderson of Galesburg, Ill., beat J. F. Webster of Omaha, 6-0, 6-0.

Five Matches Deferred.

The five matches deferred from the preliminary round will be played, commencing at 9 o'clock this morning, when all the men will be here. The winners in each match will be compelled to play a second match, or the first round struggle proper, at 11 o'clock. Thus it is planned to get all the first round and preliminary round matches of the way today and a good start will probably be secured on the second round. The five preliminary round matches to occur this morning are:

W. F. Frowert of Fullerton, Neb., against W. S. Gilman of Sioux City, Ia.; E. A. Carey of North Platte, Neb., against John S. Brown of Omaha; Ritchie Volk of Lexington, Neb., against C. O. Hillier of Sioux City; C. C. Cockerill of Pittsburg, Kan., against L. B. Pasewalk of Norfolk, Neb.; E. M. Ashcraft of Chicago against William Michael of Sioux City.

It has been learned that Norman A. Webster of Hastings, Neb., who won the tournament last year, and therefore holds the singles cup, will not be present to defend his title, so the cup will go to the winner of this tournament permanently. Mr. Webster was said to have started training for the event, but he later decided not to make the effort. He would have had to play only the winner of the present singles tournament.

Raymond and Howell Meet.

The keenest and best played match was between Raymond of Lincoln and Howell of Sioux City. Though everyone did not know the result of the affair was a great champion of Lincoln, Howell of Sioux City. The towns are about of a size and both are keen tennis centers. Moreover, Howell has long been looking for a chance to meet Raymond, but has never before had it. To add to the situation, last week McGee beat Howell in the singles at Sioux City, and later Howell took McGee's place in the doubles.

But yesterday "Ike" was the better man. Though the first set was a heart breaker, the very fact that Raymond finally pulled it out against great odds and then took the second set 6-3 proves that he won the match by a margin. Both are clever, and both play from the head. "Ike" won by playing a net game and wearing his man out in the first set. In that Howell, by consistent, careful tennis, had Raymond 3-1 and then 4-2 and then 5-3. But Raymond made it due and won amid great applause, 7-5. They changed ends, and "Ike" took the other 6-4.

Caldwell's Victory over Holland Tack Rank as the Closest Match of All, Though It Had Not the Speed of the Raymond-Howell Go, and the Conquest is a Great Credit to the Omaha Man.

Sam was at his best. His play was especially invincible, as Holland could never place it on a return. With that and a net game which always won when he used it Sam fought to a victory through two fierce duces sets. Holland is the other 6-4.

FOR CATARRH OF STOMACH

President Van Horn Endorses Pe-ru-na A Letter from Delegate Wilcox.

All Over This Country Are Hundreds of People Suffering from Catarrh of the Stomach Who Are Wasting Precious Time and Enduring Needless Suffering—The Remedies They Try Only Temporarily Palliate the Distress but Never Effect Cure.

LeRoy Van Horn.

Mr. LeRoy Van Horn, President of American Flag Day Association, writes from 801 Madison street, Chicago, Ill.: "Peruna is rich in wonderful medicinal qualities as I have found by repeated use in cases of catarrh of the stomach. I am therefore pleased to accord it my hearty endorsement."—LeRoy Van Horn.

Hon. Robert W. Wilcox, Delegate to Congress from Hawaii and the Sandwich Islands, in a recent letter from Washington, D. C., writes:

"I have used Peruna for dyspepsia and I cheerfully give you this testimonial. I am satisfied if it is used properly it will be of great benefit to our people. I can conscientiously recommend it to anyone who is suffering with stomach or catarrh troubles."—R. W. Wilcox.

Remedies for dyspepsia have multiplied so rapidly that they are becoming as numerous as the leaves of the forest, and yet dyspepsia continues to flourish in spite of them all. This is due to the fact that the cause of dyspepsia is not recognized as catarrh.

If there is a remedy in the whole range of medicinal preparations that is in every particular adapted to dyspepsia, that remedy is Peruna. This remedy is well nigh invincible in these cases.

No one suffering with catarrh of the stomach or dyspepsia, however slight, can be well or happy. It is the cause of so many distressing symptoms that it is a most dreaded disease. Peruna acts immediately at the seat of the trouble, the inflamed mucous membrane lining the stomach, and a lasting cure is effected.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

spirit. He knew he didn't have a show, but he never wilted. Several points he could have switched by killing the ball at the net when it came at him in great shape for a smash.

Copeland Shows Well.

Copeland is plainly a young player of not much class experience, who did himself mightily proud by taking seven games from McGee in two sets. In fact, he ran the first set 6-4, winning many points by being wise enough to take advantage of McGee's lack of control. The latter is showing grand style, being easily superior to all but Parker in that. Practice should make him a power.

at the game. Graves, "Doc" won, 6-2, 6-1. By passing his opponent repeatedly and smashing them merely at times Graves has a very thorough knowledge of the game, however, as his play shows.

No man in the entry list drew harder than Raymond.

His first maul was Howell, whom he beat. Now he must play McGee, who beat him at Sioux City a few days since. Should he succeed in defeating McGee, he must meet Ashcraft, the Chicago crack, who won the final singles last Friday at the Windy City in the Astec Tennis club's tournament for the championship of the north side. "Ike" thinks he has plenty.

Schedule for Today.

Owing to there being five matches in the preliminary round still unplayed the official schedule for today is as follows: 9:30 a. m.—Preliminary play Gilman, Cary plays Brown, Volk plays Hiles, Cockerill plays Pasewalk and Ashcraft plays McGee.

11 a. m.—Cary plays Towle, Erwin plays Howell, Parker against Clark-Hamilton match, Raymond against Magee, Sheldon against Duffene-Prickett match, Caldwell against Closskey.
